# JESUS REVOLUTION! What was their Message?

Produced and designed by Gaetan, read by Renée.

The recent popular movie, Jesus Revolution, provides an opportunity to see and experience a move of the Spirit in the late 60's; a movie which can help encourage and motivate people to assess their personal spiritual life and come to the knowledge of salvation through Jesus.

But what was this revolution? The **REVOLUTION FOR JESUS** began amongst the hippies of California in the late 60's. A lot of them came from well-to-do families; they had everything, tried everything, and it hadn't satisfied; they were earnestly searching for the answers--the truth, love and peace which they knew must exist somewhere! They rejected the answer of the churches, because the churches had rejected them. The churches didn't like the hippies, and the feeling was mutual. As though by some God-given instinct, they kept searching for it, hungrily trying to find it through different means--sex, drugs, mystical religions, etc.!

Their older generation, with their social, economic, educational, religious and political system were somewhat to blame for their plight. The anti-God philosophy of evolution, or "*Devil-ution*," had sowed the wind and had reaped the whirlwind in its children!

A society with no God has no principles, no authority, no rules, and no laws that are valid, no right or wrong, and every man does that which is right in his own eyes, and only chaos and anarchy can result, with its pitiful products living like animals, dog-eat-dog, and to Hell with the hindmost!

So, they wandered about in search of greener pastures, as sheep having no shepherd! When finally, the loving message of God in Jesus and His Words was presented to them in a way that was tuned to their language and their music, they were not only quick, but gloriously enthusiastic in their reception to God's love in Jesus and the answers of His Word, which after all, are the answer to all mankind's problems, not only the hippies!

There in the tiny Light Club, hippie hangout of Huntington Beach, was where it was first proclaimed as a "**REVOLUTION**", a term which the churches at first denounced, but later accepted when they found how popular it had become. The hippies were getting saved, filled with His Spirit and set on fire by His Word to go out into the highways and hedges and compel others of their friends to enter into the Kingdom of God! --And the **JESUS REVOLUTION** began to roll like a mighty wave from these humble beginnings! Hallelujah!

*(What follows are edited excerpts from the "Daily Might" book as well as from other writings of that time period.)*

You don't realize what you're watching, but we can feel it by the Spirit of God! It's an absolute **REVOLUTION!** -- A **REVOLUTION FOR JESUS!** -- And things will never be the same again! -- God said our little pebble would roll and gather momentum until it snowballed into a mountain! -- Our little flame would be fanned into a forest fire that would

sweep the nations! -- Our wave would wash the shores of the world! -- And it's happening!

**Mark 16:15** *And he said unto them, go ye into all the world, and preach the gospel to every creature.*

It's a lightning war of the soul for the souls of men! And we're winning it, praise His Name! And we've hardly begun to fight yet! -- God has filled us with the dynamite of His Spirit and lit the fuse and blown us clear around the world in an explosion that's being heard everywhere and is going to keep Christian zealots on fire till Jesus comes!

We're the mighty army of Christian soldiers fighting a relentless war for the Truth and Love of God, against the confusion of Babylon, the anti-God, anti-Christ Systems of this world! It's an explosion that's gonna shock this world off its Hell-bent course, and let 'em know there's some real Christians left in this Universe, just like Christ and His disciples! -- And even more so, for *"greater works than these shall ye do!"* Hallelujah!  
**(Jn.14:12).**

**THERE'S NO LIMIT TO  
WHAT WE CAN DO – WITH  
GOD!**

The things of the Lord can still happen today!

He can have the same kind of disciples, who can do the same things, and even greater works, which can again shake up the world and spread the news abroad.

-- The population today is greater, the need is greater, the opportunities are greater, and the hour is greater, even the means are greater, with the printed word, radio, television, [and now the social medias], air travel, etc.! We've got all the means and the greatest opportunities in history at our disposal. -- Our time is now!

*Mat.28:19, 20 Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen.*

It's time we shook the world, rocked the nations, and made Heaven reverberate! Now's our hour! Our time has come!

**Prophecy:** *"Therefore, how shalt thou fail, for I am with thee and shall be with thee unto the End! So fear not, but go forth and fight thou the battles of the Lord, for it is impossible that thou shalt lose or that thou should fail!"*

*"For no weapon that is formed against thee shall prosper, none shall be able to stand against thee..."*

*...and I will give thee a mouth and wisdom that no man shall be able to gainsay,*

*...and thou shalt overcome by the blood of the Lamb and the Word of your testimony, and love not your lives to the death! Forward!*

*March! It's the hour of your destiny!"*

***Isa.54:17, Luke 21:15,  
Rev.12:11***

**Help us to be willing to do anything to lead thy people to victory!**

We're sure not saved by our works, but if we're saved, we'll sure work like everything to give it to others, and it'll cost you everything! Everything that's worth anything costs something. If something's not worth dying for, it's not worth living for.

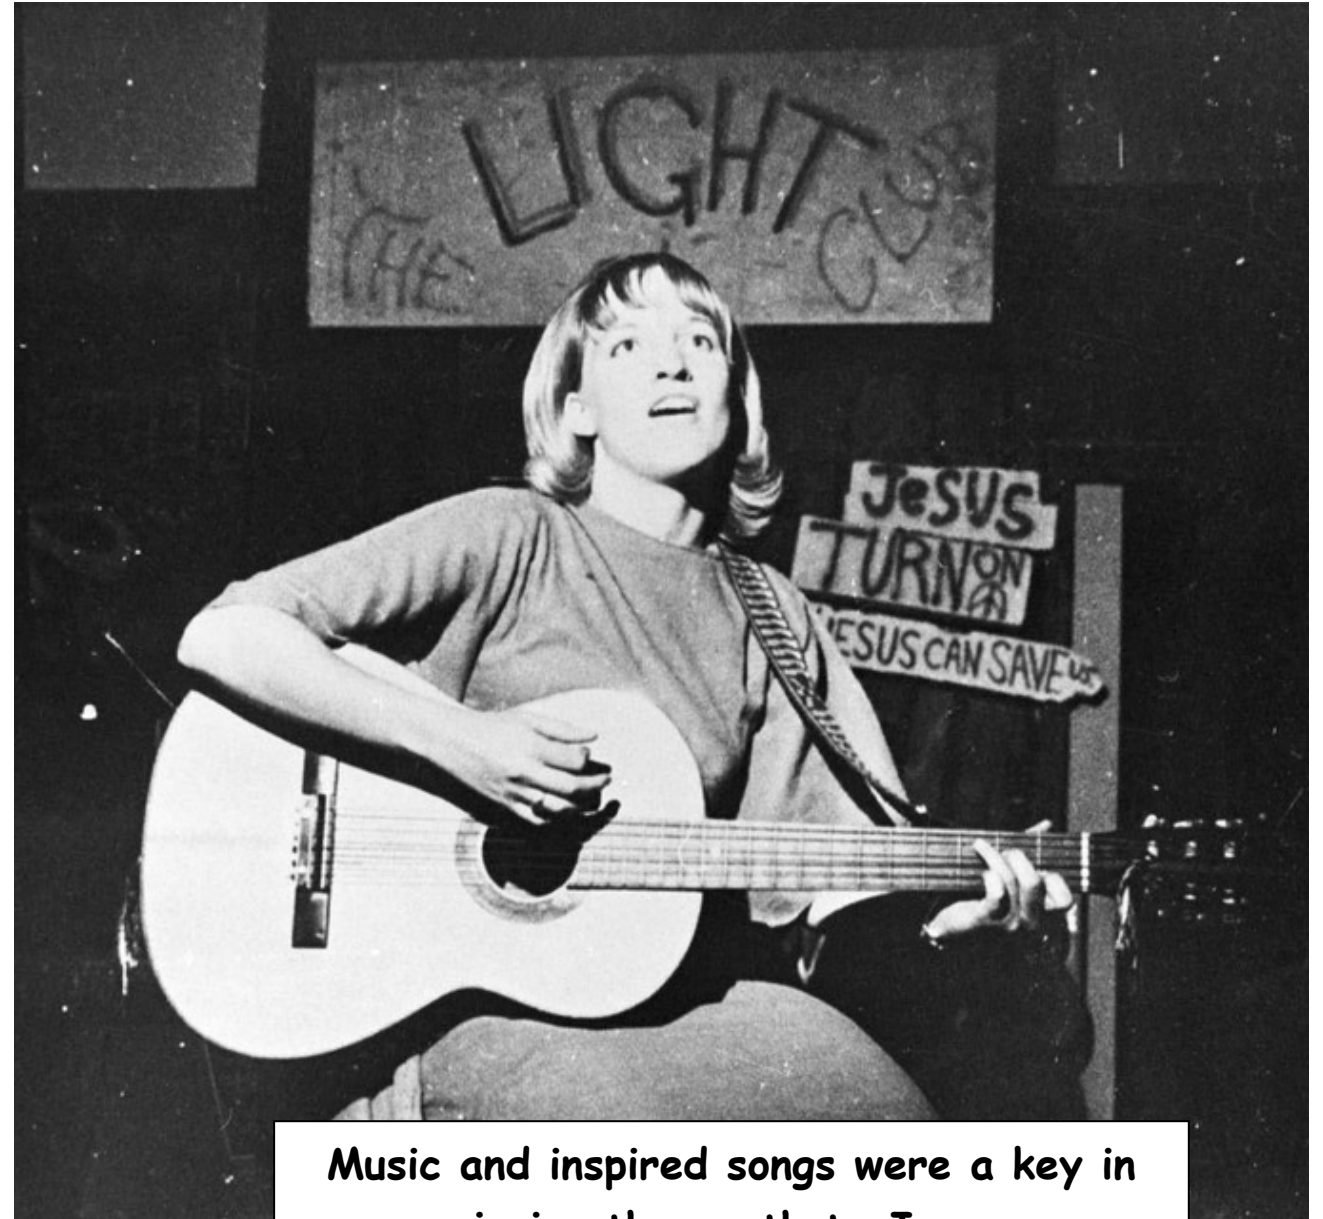

The martyr expects and wants to die for the cause. ... He dies daily and loves it. He suffers and rejoices in it. He'll ... pay any price, go any length, suffer any agony, make any sacrifice, "*till death do us part*" to obtain the crown. As King David once said,

*"I will not give unto the Lord that which hath cost me nothing!"*

It doesn't really count until it costs you something to give, and you give until it hurts, you are really sacrificing to give, and when you can say,

*"The Love of Christ constrained me!"*

Jesus didn't go halfway to the cross for you, or almost all the way, but He went all the way and gave all His life for you! How much are you willing to give for others?

**Music and inspired songs were a key in winning the youth to Jesus. Esther, at the Light Club in Huntington Beach, California, 1968-69**

## **WE ARE IN A WAR OF THE WORLDS!**

Ours is a war of the universe between the good spirits of Heaven and the evil spirits of Hell contending for our souls as well as our bodies, not only on this earth but also in the spirit world. Ours is a war of the spirit in faith and love to win the minds and hearts and spirits and save the souls as well as the bodies of men!

The most important battles and cataclysmic changes occur behind the scenes, in the spirit world. What's happening on the surface is nothing but a little physical manifestation of the real action. Where the real action is, is in the spirit world.

***Eph.6:12*** *For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.*

**2 Cor.10:5** *Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;*

## IT'S A SPIRITUAL REVOLUTION!

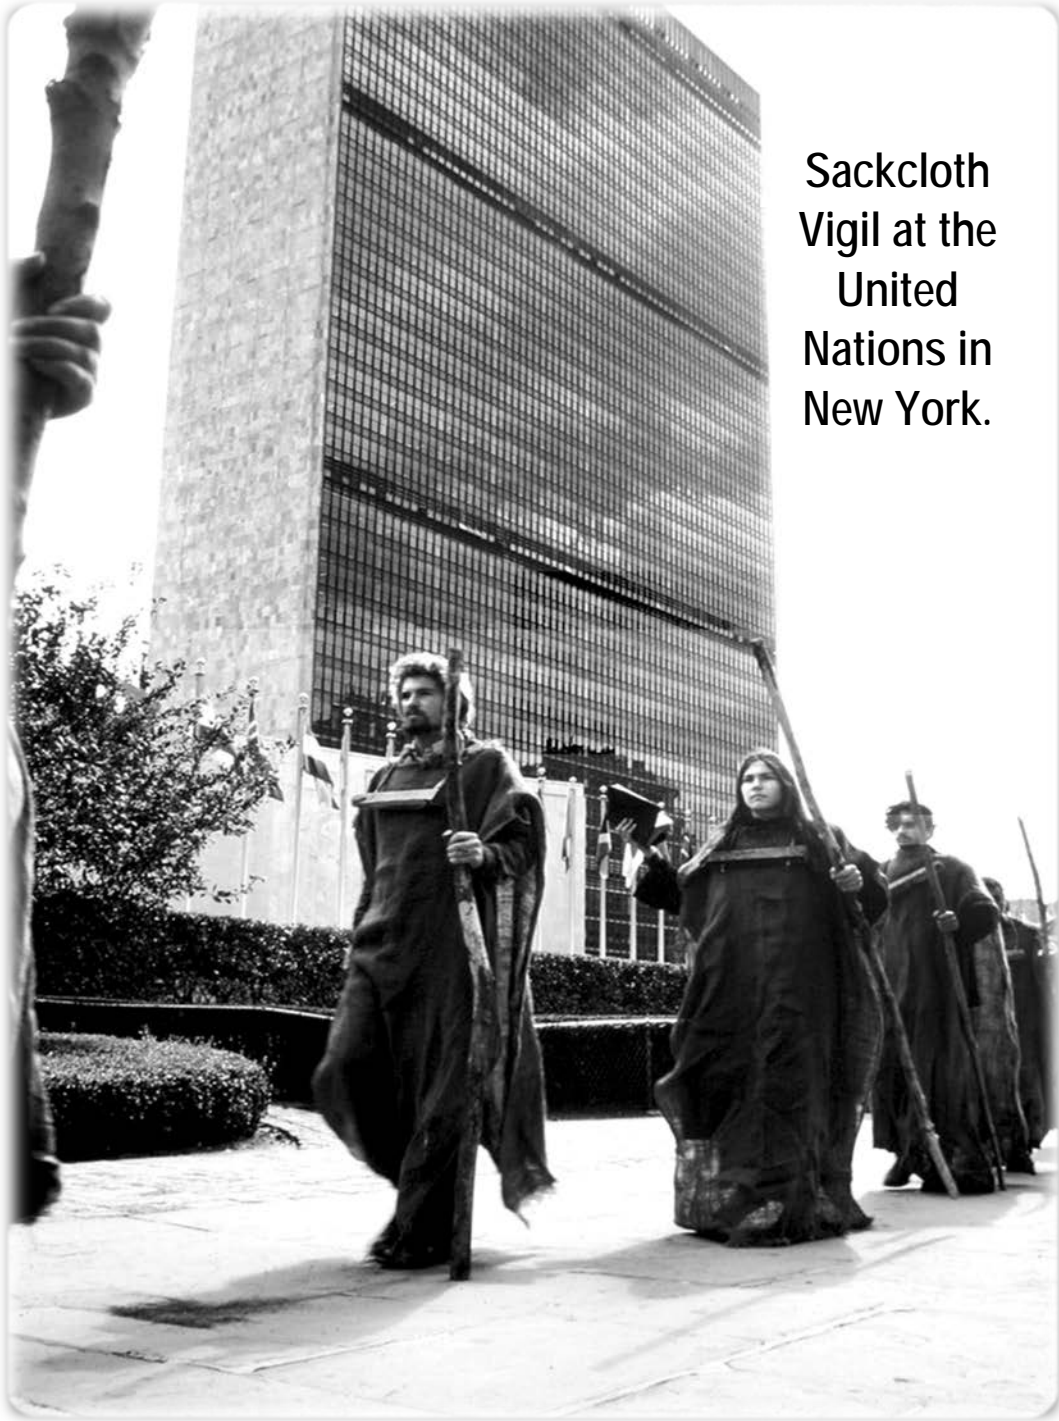

(Around the time that the Jesus Revolution started, there were communists and/or violent groups like the [Black Panthers](#) who promoted violence to change society.)

They cannot destroy the LIE by destroying what the LIE has created, because the LIE is the spirit of Antichrist -- a spiritual force of evil that is invisible, but which has created the visible evil System. We have to shoot down the LIE by God's Spirit!

Love and Salvation are God's weapons to create life and save life. Destroy the lies with the flame of His mouth and the Words of His Truth! You have but to utter the name of Jesus to fell all the demons of Hell.

**Heb.4:12** *For the word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow and is a discerner of the thoughts and intents of the heart and Satan himself!*

Sackcloth  
Vigil at the  
United  
Nations in  
New York.

## SACKCLOTH VIGILS!

For a few years in the late 60's and beginning of the 70's, some of the **REVOLUTION FOR JESUS** disciples did what they called "*Sackcloth Vigils*". God had told them to wear the red sackcloth, symbolizing mourning, and the yokes to symbolize the coming bondage, and to carry the staves as a symbol of His righteous judgments upon America, a nation that had forsaken her God! These vigils received some national attention through the news media.

*Jer.6:26* Daughter of my people, put on **sackcloth** and roll in ashes; mourn as for an only son, a most bitter mourning. For suddenly the destroyer will come against us.

They went to Times Square, New York City, and in front of the U.N. Building, where none had ever been allowed to demonstrate before! They demonstrated in Pittsburgh, and to Chicago where they rallied for peace and against the Vietnam war throughout the Loop in downtown Chicago on a march and vigil during the famous Chicago [Eight] Conspiracy Trial.

They went to cities like Washington and Philadelphia to demonstrate in mourning for the death of freedom, at Independence Hall, historic place of the signing of the American Declaration of Independence by those famous freedom-lovers of 200 years ago!

With their instinctive premonitions of the impending doom of God's judgments on a wicked world, they received a warning message at that time to give to the world--a message of warning to return to God. It was prophetic. For now in our time, over 50 years later, America and the world have sharply fallen into apostasy and decadence.

***Dan.9:3*** *And I set my face unto the Lord God, to seek by prayer and supplications, with fasting, and sackcloth, and ashes.*

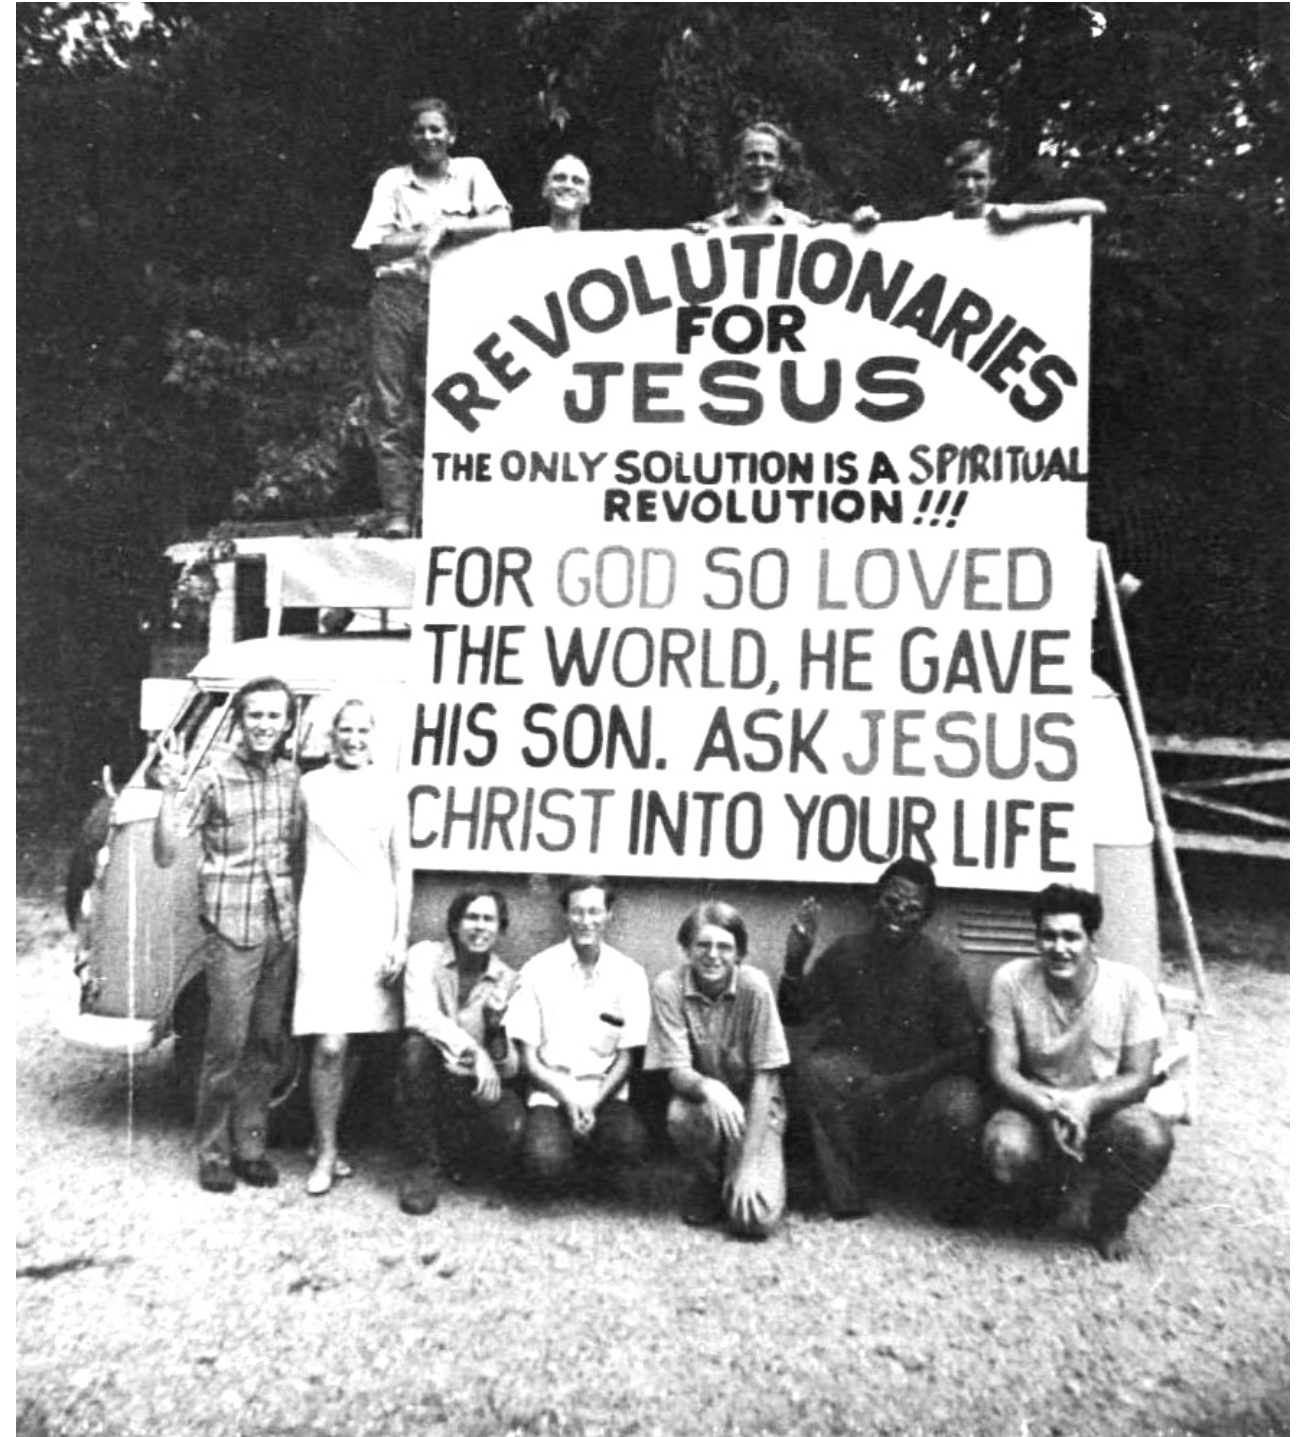

**THE JESUS REVOLUTION HAS GOT TO KEEP TURNING AND CHANGING AND MOVING EVERY MINUTE WITH SOMETHING NEW!**

All things change, but they don't change once and for all! You may be the same person basically, but you've got to keep moving to stay alive and get anywhere! It may be the same message, but it's varied every day to suit the need and adapt to the situation ... day by day and moment by moment to have RPM -- movement! There must be this continual change; otherwise, there would be stagnation.

**2 Cor.5:17** *Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.*

**Eph.4:22-24** *That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts; and be renewed in the spirit of your mind; and that ye put on the new man, which after God is created in righteousness and true holiness.*

Times and things and methods and we and God's new plans and ways are constantly changing and **REVOLUTING** like a wheel speeding toward the goal of the new and leaving the old far behind. It's ... the ever – **REVOLUTING REVOLUTION** of God's Kingdom with its same basic rim of certain limitations and rules supported by us, the spokes, firmly embedded in the central Hub of God Himself and eternally turning on the axis of His Will, geared to the power of His Spirit through the transmission of His Son!

Are you moving with the white-hot fires of the Spirit of God? Keep moving, turning, changing, and **REVOLUTING** every single day! And you will if you pray and ask God what to do today! There's plenty to keep us alive and moving until the Lord comes!

**Rom. 12:2** *And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.*

## LOVE IS THE MOST IMPORTANT THING IN OUR RELIGION!

We believe in love! -- Love of God through Jesus Christ His Son! This is our specific religion and these are the principles that we practice: Love, the religion which Jesus Himself taught, the Good News that God is Love! -- True Love, real Love, God's Love, is all the religion you need! This unselfish sacrificial love includes the love of one human being for another, love in all forms, as long as it is true Love, real Love, God's Love.

*"Love God ... and love thy neighbor as thyself! ... In these are **all** the law and all the prophets!" (Mt.22:37-40).*

That's **all** the laws put together, the whole Bible -- **Love!** If you have love you have **everything!** -- You are fulfilling all the laws of God! -- Herein is our salvation and message! -- Love! -- True Love, the Love of God and the love of our fellowman! -- The Spirit of God's divine Love which helps us all to fulfill His Great Commandment to love one another! God is Love!

***John 13:34, 35** A new commandment I give unto you, that ye love one another; as I have loved you, that ye also love one another. By this shall all men know that ye are my disciples, if ye have love one to another.*

## WHERE HAVE ALL THE CHILDREN GONE? – INTO ALL THE WORLD, BROTHER, JUST LIKE JESUS SAID!

That's what we are in this business for, to preach the Gospel to every creature, to go into all the world to preach it. Help us, Lord, to do it! That's our goal -- to reach the whole world before Jesus comes! Are you willing to try? -- The fight is great and we're winning, and we've got the Enemy on the run! Hallelujah! We're capturing more of his territory every day, releasing more of his prisoners, and spoiling Egypt the more as we go! Praise God! Sock it to 'em!

This is **Marching Time!** No more sitting in the nest! Spread your wings and fly to the fray! Now's the time -- for the Harvest is here!

We're still going, still doing, still witnessing, still winning souls, still getting out the Message. -- We are continuing to press forward toward our common goal of reaching the entire Earth with the Message of His Love, and we are coming closer to that goal daily! Thanks be to God! -- Help us, Lord, not to forget **that's** what we're here for!

**Mark 16:15** *And he said unto them, go ye into all the world, and preach the gospel to every creature.*

**The Jesus Revolution didn't stay in America only; it went into all the world!**

*Prophecy: "Therefore go forth in the Spirit and might of My power and know that I shall be with thee and shall never forsake thee even unto the End of the Earth! -- "For God is with thee, and blessing thee with anointing and power.*

*And My Gospel shall be preached in all cities whereunto I send thee! For the Lord thy God shall reap a harvest and thy crown of life shall grow the brighter!"*

The Jesus Revolution grew to become one of the greatest missionary movements of the second half of the 20<sup>th</sup> century. Surely it fulfilled the prophecies that they would spread all over the world!  
Hallelujah!

Are you too ready for a revolution, the kind of revolution and change that happens within? That's what Jesus meant when he said: *"Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God. That which is born of the flesh is flesh; and that which is born of the Spirit is spirit... You must be born again."* **John 3:7**

You'll be a *"NEW CREATURE in Christ Jesus: old things will be passed away; behold, all things will become new!"*--2Cor.5:17. When you receive Jesus, your whole life will be changed like a newborn baby born into a whole new World with a new spirit as a new child of God! So don't be surprised if you actually FEEL different and even THINK differently and are happier than you have ever been before! Jesus said it is like being born again, becoming a new person, much better and happier than ever before! --With an utterly different outlook on life, a new way of looking at the World. And when Jesus comes into your heart, everything is changed--EVERYTHING! You are a *"new creature"*, a new creation in Christ Jesus!

Have a revolution in your life. Please pray this simple prayer:

*"Jesus, please forgive all my faults and sins. I believe that You are the Son of God and that You died for me. I invite You into my heart and life. Thank you for your gift of eternal life and please fill me with Your Holy Spirit. Help me to read and understand Your Word. Amen"*
