Sooooo many scriptures on out loud praise/prayer power and our responsibility to emit God's Spirit through all aspects of our life flooded me whilst taking this in! (Psa.89:15) "Blessed is the people that know the joyful [and all the fruits of the Spirit!] sound: they shall walk, O LORD, in the light of Thy countenance." Stay focused on "the Lord Himself [Who] shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words." (2Thes.4:16-18)

(Excerpts:) "...the truth is even worse. These polls are very easy to massage...We have seen these pollsters do worse things. I think public trust in all institutions is near-zero, and many of these categories must be in the single digits...This is a complete collapse of the propaganda machine. Despite having a much more (potentially) powerful media than they had in 1973—because it is so loud and ever-present—the CIA and its controllers have lost the reins. Covid just destroyed what little trust was left...it is only going to get worse.":

> 🧑‍🔬 **"Archaeologists unearth 4,500-year-old Ancient Egyptian tomb with astonishing treasures"**

(Excerpt:) "Additionally, two terracotta statues portraying the ancient Egyptian goddess Isis, initially associated with funerary practices, and the child deity Harpocrates*, known as the god of silence and secrets during the Ptolemaic periods, were uncovered."

**Harpocrates, the god of silence, secrets and confidentiality, is the Greek form of Egyptian Hr-pA-Xrd - Horus the child. He was often represented as a naked boy with his finger to his mouth. Therefore, note orders, fraternities, sororities, and all manner of alliances who take an oath of silence!—"Fear them not therefore: for there is nothing covered, that shall not be revealed; and hid, that shall not be known. What I tell you in darkness, that speak ye in light: and what ye hear in the ear, that preach ye upon the housetops. And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell." (Mat. 10:26-28)*

> ✨ **"John Pilger: A Life of Fearless Journaling"** - Over his career, he consistently broke through the glossy exterior of numerous falsehoods broadcast and put into print for mass consumption"

(Excerpts:) "Nowadays, with the financialization and commodification of everything, it would seem to be an overwhelming and futile effort to try to mount some sort of defense against the multi-pronged government-backed wars being waged across the planet against food and nature, against the sky and water, against society and economy, against human identity and family, against civil and human rights, against the human genome and the human psyche. If the investment companies, banks, and insurance companies have made a killing on the Covid-19 operation, it is easy to see how 'the love of money is a root of all kinds of evil'. It's easy to see, furthermore, how John's 'Coming War on China'* serves as an apt metaphor for a war on all of humanity. His recent passing in late December [2023 aged 84], sad as it is, reminds us to keep

standing for and defending the empirical world, no matter who is selling the lies and deceptions. Surely, John Pilger would approve!":

That stress is one of the biggest determinants of health...Modern Western medicine is officially recognized as the third highest cause of death. It was designed to be a way of controlling the population. The role of medicine as an institution in our society is to maintain the dominance hierarchy, to keep people sick and to put them in their place.":

So much for restricting uranium trade with "unfriendly" nations? Methinks there are no sides; it's a one-world slide down the broad way.)
