> ☕ *Yes, while enjoying my daily coffee, I came across this noxious announcement. Honestly, this weffy brew gets iffier by the day! Why are our life's simple pleasures so irritating to the delites? Note the staggered "um's", and "and's" this poor coerced mouthpiece is trying to get out — like, it's even painful for him to say it, let alone for us to hear it! Anyway, more proof as to why we need to stay awake, full of beans and smelling the coffee! Move aside, tempest in a teacup! Now we've got crisis in a coffee mug! 🙄*

"Awkward blunder for US Today Show as closed caption reads King Charles is to undergo 'prostitute surgery'"

(Excerpt:) "The Today Show suffered an awkward blunder on Monday as its closed captions said King Charles was set to undergo 'prostitute surgery'. The highly-watched US morning show, which airs on NBC, was reporting on the king's recent surgery for an enlarged prostate. But instead of reporting about the medical procedure, the caption read the king was to have 'prostitute surgery'.":

(Excerpts:) "'Algeria was the last [throes] of the French imperialist era and France [was] retreating to its borders...it took 6 million dead, martyred Algerians for France to end its imperialist vision,' award-winning broadcaster and Lebanon-based journalist Laith Marouf explained. 'Palestine definitely will require a higher price in human numbers than the liberation of Algeria because Israel as a colony is the cornerstone and the jewel of American imperialism. It [would] be stupid to think that the United States will let go of its imperialist era for a cheaper price than 6 million people. It's the elite in the West saying that their God is Zionism, their religion is Zionism, and they're pledging their allegiance...We know Biden is going to have to face Trump, and both of them are going to have to champion, show that they are more Zionist than the other...and they will sacrifice American soldiers for this pledge of allegiance', Marouf warned.":

(Excerpt:) "In a world precariously balanced on the knife-edge of catastrophe, the latest twist in the Ukrainian odyssey, if proven, threatens to hurl us into the chasm. Ukraine's alleged covert procurement of uranium from the heartlands of Niger transcends mere desperation; it's an

incendiary revelation that lays bare the West's reckless gambit. Here stands Kiev, not merely as a pawn but as a kamikaze proxy in a grand, nihilistic game orchestrated by the United States and its EU and NATO vassals. These puppeteers, in their blind arrogance, have not only weaponized Ukraine against Russia but have now hedged their bets as Ukraine (and the West) face cosmic humiliation. This narrative transcends uranium; it is a scorching exposé of the West's readiness to sacrifice Ukraine, to the last Ukrainian, on the altar of hegemonic self preservation...":

Hard to fathom? Hard to swallow? But in these findings, feel led to follow the trail of deceit, rewrites and rites of those who hate Light and against it will fight tooth and tongue with their wrongs, thinking they're in the right, but it'll all come upon them like a thief in the night! "For yourselves know perfectly that the day of the Lord so cometh as a thief in the night. But that is not the case. On Monday, Iranian Foreign Minister Hossein Amir-Abdollahian (in a visit to the United Nations) produced documentary evidence that traffic in the Red Sea remains relatively normal excluding the fact that Israel-linked ships are prevented from sailing the waterway. (Excerpts:) "Robert F. Kennedy Jr. won his case against all pharmaceutical lobbyists. Covid-19 vaccines are NOT vaccines. In its decision, the Supreme Court confirms that the harm caused by Covid mRNA gene therapies is IRREPARABLE. Since the Supreme Court is the highest court in the United States, there are no further appeals and all avenues of appeal have been exhausted. In a statement, Robert F. Kennedy emphasised that this success was only possible because of the international cooperation of a large number of lawyers and scientists. Naturally, this ruling sets a precedent internationally...NO media reports on this, neither in Switzerland nor in Europe...It is very likely that, if news of the historic ruling ever circulates, it will circulate late to allow the corrupt medical class, aligned to the positions of the pharmaceutical lobbies, to get as far ahead as possible with the vaccination campaign...We therefore INVITE all honest people of good will to give the maximum dissemination to this historic JUDGMENT of the U.S. Supreme Court, for our own good, but especially for that of our children and grandchildren...Let us not allow lobbyists to irreparably ruin our health and endanger our lives.":

[World] culture, by and large, reflects the work of society's [Satanic] sculptors, a mastermind manipulator, carefully crafting for centuries, to bring mankind to a point of wreckage, loss, and self-destruction. His culpability is often anonymous, and his very existence is denied by many who unwittingly follow him. His agents work diligently to foster within the populace the readiness to adopt his manifestations. It is a global, large-scale shaping for the acceptance of monstrosities like those that are foretold in the book of Revelation. It is crowd control; the masses are being groomed to embrace the unthinkable amidst a post-Christian nation." - *And worldwide!*:

> 🌟 *The word on the street is:*

- **"Was attack on the US base a false flag?"**

(Excerpts:) "Main media said Jordan was the location, when the attack was actually in Syria. (Military Summary Channel – it was Syria near NE Jordan border)...An attack on Jordan would be more shocking, as US bases in Syria have been attacked before. It smacks of media/government collusion to create the necessary shock/red flag to trigger war with Iran." - *This link includes a 1.23.58 vid which I haven't nor plan to watch.:*

- *However, I did locate and watched the first part of this 26.10 min vid which states that the attack on Tower 22 could very well have been a meticulously crafted false-flag operation.:*

(Excerpts:) "...they were not the first Americans to die during military operations since the Israel-Gaza war began in October. On October 19, 2023, a U.S. civilian contractor at the Ain al-Assad base in Syria died from cardiac arrest...In January, two Navy SEALs were reported

missing while searching for Iranian weapons off the coast of Somalia...The search for the missing SEALs was called off ten days later...The U.S. maintains a significant troop presence in the Middle East, with about 2,500 troops located in Iraq...900 in Syria...Jordan... hosts about 3,000 American troops...The troops at Tower 22 were the first U.S. service members killed in a direct attack in the widening conflict across the Middle East.":

"WHO: Those Failing to Comply with NWO Will Be Killed by 'Disease X'"

(Excerpts:) "The head of the WHO has warned sovereign nations that those states that refuse to comply with the globalists' 'New Order', [to] be ushered in when states sign the United Nations 'health' agency's 'Pandemic Treaty', will pay the price when so-called 'Disease X' is unleashed on the public. By signing the treaty, countries will enable the United Nations (UN) and WHO [to] be establish an unelected single world government. Under the condition of the treaty, nations will need to surrender their powers to the UN for the sake of the 'New Order'...Under this treaty, the entire eight billion people in the world would see their data being digitized and tied to the digital ID and central bank digital currency...renewed 24/7 fear campaign has been launched...totally ignoring the tide of excess mortality resulting from the COVID-19 'vaccine'...the idea of Disease X was first developed by a WHO expert committee made up of virologists and disease experts between 2017 and 2018.":

> 🔥 **"WEF Totalitarians Seek To Euthanize The West"**

(Excerpts:) "The fear-inducing power of such malevolent lies does not tend to last. It is why Central and Eastern Europeans rebelled against Soviet communism and collapsed the Iron

Curtain. It is why the Chinese Communist Party is so desperate to legitimize its totalitarianism with the pretext that it divinely operates under a 'Mandate of Heaven'. It is why the Canadian 'Freedom Convoy' confronted Justin Trudeau's tyranny. It is why Dutch, Polish, German, Romanian, Irish, and French farmers are fighting back against insane 'green' policies today. [And the "It-is-why" list goes on and on!] Because Klaus Schwab's evil club has effectively disenfranchised the people, there is now a growing popular revolt throughout the West that could easily combust into an anti-Establishment 'Reign of Terror'. *[Which would play right into the AC's plans, ie "Ordo Ab Chao" - Order Out of Chaos?]* The WEF desires the West's suicide. Let us band together and choose life instead." - *"Eternal life through Jesus Christ our Lord!" (Jn.6:23b) God bless and keep us all remembering, even in the midst of the peril meted out by these feral creatures, that "that Wicked [shall] be revealed, whom the Lord shall consume with the spirit of His mouth, and shall destroy with the brightness of His coming: Even him, whose coming is after the working of Satan with all power and signs and lying wonders, and with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness. But we are bound to give thanks alway to God for you, brethren beloved of the Lord, because God hath from the beginning chosen you to salvation through sanctification of the Spirit and belief of the truth: Whereunto He called you by our gospel, to the obtaining of the glory of our Lord Jesus Christ. Therefore, brethren, stand fast, and hold the traditions which ye have been taught, whether by word, or our epistle. Now our Lord Jesus Christ Himself, and God, even our Father, which hath loved us, and hath given us everlasting consolation and good hope through grace, comfort your hearts, and stablish you in every good word and work."* (2Thes.2:8-17):
