#### > 🤔 **"'Milk' from men pretending to be women is just as good for babies, hospitals claim - 'Comparable to that produced following the birth of a baby'"**

(Excerpts:) "The hospital industry in the United Kingdom [Killdom?], which has been known to kill patients by refusing to feed them and has gone to court to make sure ill children die in its hospitals rather than seek overseas treatments, now has come up with a new one. 'Milk' from transgender women, that is, drugged biological men pretending to be women, is good for babies. Just like a natural mother's milk. The Telegraph in London has reported on the new extremism. It explains a National Health Service Trust is claiming that breast milk from men, 'is as good for babies as that produced by a mother who has given birth'. It was the University of Sussex Hospitals NHS Trust that said men can take a combination of drugs, then produce 'milk' that is 'comparable to that produced following the birth of a baby'. The trust runs Royal Sussex County Hospital and several other facilities, the report said. It previously was a leader in the social engineering movement for transgenderism that labeled it 'chestfeeding' instead of 'breastfeeding'...whose actions during the COVID-19 pandemic remain under suspicion, in saying there's 'overwhelming' evidence for the benefits of 'human milk'. Men who want to 'chestfeed' must take the hormone progestin and Domperidone...Doctors use Domperidone 'off-label' because its maker, Janssen, 'recommend[s] against it because of possible side effects to a baby's heart.'" - (Rev.6:8) *"And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword [and with the syringe via Satanism, sorcery, shape-shifting, scumology], and with hunger [and with hocus-pocus, hypocrisy, harmology, hypnotism], and with death [and drugs, pharma thugs, deceit, demonic dictums], and with the beasts [amongst ALL levels of society!] of the earth."*

> 🙏✝️ *Indeed we are told in Phil.4:8 that "whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, [to] think on these things"; however, more than ever before, a balanced 360-degree Scripture intake is of paramount daily importance, "lest Satan should get an advantage of us [ie, outwit us]: for we are not ignorant of his devices [ie schemes]", which Paul also said (2Cor.2:11). Called to "fight the good fight of faith" (2Tim.6:12), we need to always be aware of what we're fighting for and against in order to "be ready always to give an answer to every man that asketh [us] a reason of the hope that is in [us]" (2Pet.3:15) as the world descends into its prophesied darkest days!*

### **"To Understand The Globalists We Must Understand Their Psychopathic Religion" -**

Includes 1.14 and 4.26 min vids.

(Excerpts:) "Their goal is to convince a majority of the populace that there is no good, and there is no evil. Everything is empty. Everything is relative to the demands of the moment, and the demands of society. Of course, they want to control society, so then everything would really be relative to THEIR demands...If you want to see something truly demonic, imagine a world in which all inherent truth is abandoned for the sake of subjective perception. A world that caters to the preferences of psychopaths with no ethical imperative. A world where the ends always justify the means. This is the luciferian way, and the globalist way. And no matter how much they deny it, the reality of their beliefs is visible in the fruits of their labors. Wherever they go, destruction, chaos and death follow."

> ~~100~~% Yes, I'm back to underlining the importance of gut health, a subject dear to my heart because of what I had to war against to learn to "be not rash with [my] mouth" (Ecc.5:2) in thoughtlessly heaving anything that felt like it into it! Turn the word "gut" around and it's the word "tug" — which (for me) is the Lord's voice, His tug and reminder of what gets a yes and what gets a no, what to keep, what to throw, which always truly does make sense when I remember the consequence, good or bad, and because I want my health to be glad, I strive to do my best to keep truth in the bag!

### **"Respect your gut...."**

(Excerpts - underlines are my emphasis:) "The human gut is finally receiving the respect it deserves — and so are its trillions of inhabitants. You are, at your core, a microbial being; and while microorganisms are found everywhere from your skin to your mouth and even your blood, it's your large intestine where your body's largest bacterial ecosystem resides. If you treat it and the rest of your microbiome well, good health — both mental and physical — is likely to result. By nourishing this complex microbial community, you can even influence your gut-brain axis, which regulates digestion, mood, immune function and much more...Gut microbes' effects don't only apply to your gastrointestinal tract. They interact with your central nervous system...microbial diversity in your gut is a good thing, while decreased diversity in the gut microbiome has been linked to chronic conditions...Dramatic increases in chronic diseases...are also linked to the loss of bacterial diversity in our guts — caused by the overuse of antibiotics. Consumption of whole foods, meanwhile, is linked to higher gut microbiota diversity, as is consuming herbs and spices, for instance...But processed foods, which are devoid of fiber needed to feed a healthy microbiome, contain chemicals...A healthy gut microbiome depends on the consumption of fermented foods...Seeding the gut with things that make it stronger, more resilient towards the offenses we present to it is a huge key to our time. We need to live through this insane time, and we need to use all the tools that give us more resilience, which is for me like a holy war. Resilience means immune tolerance — tolerating the stresses of our time, and

any tool that does it, that is healthy, that doesn't have side effects, is important to have in our tool chest.":

> 🌟 *Question: What if this taxi driver had converted to Satanism and slapped a sticker on his car, saying, for example, "Heil Satan!" This is yet another clear example, imo, that the delites have been instructed by demonic forces to ramp up Christian persecution in the so-called "Christian" west!*

**"German taxi driver who converted from Islam fined over Bible quote sticker 'Jesus is the best thing I could recommend to anyone because He changed my life. That's why I have the sticker on my car for anyone who is interested to see', Jalil Mashali said."**

(Excerpts:) "A German taxi driver and Christian convert from Islam has been fined over a Bible quote sticker on his car's rear window due to what his city refers to as unlawful 'religious advertising'. Jalil Mashali was threatened with a fine of up to 1,000 euros in October 2023 due to a small sticker on his taxi car that displays a cross and reads, 'Jesus – I am the way. The truth. And the life', Alliance Defending Freedom (ADF) International reported. The city of Essen argues that the sticker violates an ordinance applying to taxis that prohibits 'religious advertising'. The Christian convert refused to remove the sticker, and city authorities are now demanding a fine of 88.50 euros. Mashali is challenging the fine with the backing of ADF International. He argues that 'due to the content, location, and small size of the sticker', it does not constitute advertising. 'Jesus is the best thing I could recommend to anyone because He changed my life. That's why I have the sticker on my car for anyone who is interested to see', said Mashali in a statement shared by ADF International." - Amen! Stick with your sticker, Mashali! God bless this brother! Let's all pray he'll be vindicated! I'm totally loving his conviction! PTL!

(Excerpts:) "Why is Pons-Brooks being called the 'Devil Comet' at all?...in late July, the comet underwent an outburst, blowing off a bunch of gas and dust and brightening by about 100 times, jumping overnight from magnitude 17 to magnitude 12...That outburst caused the coma to distort into a horseshoe or horned shape, with a dark center and bright wings or points. Hence, many media outlets nicknamed it the Devil Comet...After the outburst, the comet settled down again and its brightness remained steady until earlier this month, when it outburst again, bringing the horns back. (Excerpts:) "Thirty years ago, it was impossible to imagine people so deranged and degenerate gaining control of the culture and then using their power to create bizarre images of the past...it all feels like the people running the simulation are in a competition to see who can produce the most insane thing to foist upon us. It is not entirely wrong as all of this originates from the

people who control the centers of cultural power...There is no good answer for why the people in charge are doing these things. You can say money and power, but they have all the money and power. People who blame it on money and power are simply trying not to think about it too much...most people do their best to avert their eyes. Maybe that is the appeal of VR goggles. You can venture into the world and not see the weirdness." - *Well, they'd better start thinking and seeing, before it's deemed illegal! "Now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. Therefore let us not sleep, as do others; but let us watch and be sober. For they that sleep sleep in the night; and they that be drunken are drunken in the night. But let us, who are of the day, be sober, putting on the breastplate of faith and love; and for an helmet, the hope of salvation."* (Rom. 13:11; 1Thes.5:6-8):

If you want to be happy for a year, get married. But if you want to be happy for a lifetime, plant a garden.' If you haven't already voted with your feet, you might start with a vegetable patch. Gates' radical plan was officially launched last week as scientists began pumping chemicals into the sky. The idea, promoted by Gates and leftist billionaire George Soros, involves pumping manmade white clouds into the atmosphere to reflect sunlight away from the planet's surface...The scientists are injecting reflective particles into the sky, dumping chemicals in the ocean, and spraying saltwater in the air...These geoengineering approaches were once considered taboo by scientists and regulators who feared that tinkering with the environment could have unintended consequences.":

Let's keep praying for more folks to realise the world's disgusting demonic disguises! In this 10.43 min vid, Kirsch and Carlson discuss COVID vaccine research, the CDC's attempt to hide data, and mass censorship. An estimated 17 million have been killed by the 🪖! "Hell and destruction are never full; so the [needles] of [these medical maniacs] are never satisfied. And [via pharmakia] the brother shall deliver up the brother to death, and the father the child: and the children shall rise up against their parents, and cause them to be put to death. And a man's foes shall be they of their own household!" (Prov.27:20a; Mat.10:21,36) "For the godly is perished from the earth; and there is none among men that orders his way aright: they all quarrel even to blood: they grievously afflict every one his neighbour: they prepare their hands for mischief, the prince asks a reward [aka bribes!], and the judge speaks flattering words [ie "safe and effective"]; it is the desire of their soul: therefore I will take away their goods as a devouring moth, and as one who acts by a rigid rule in a day of visitation. Woe, woe, thy times of vengeance are come; now shall be their lamentations. Trust not in friends, and confide not in guides: beware of thy wife, so as not to commit anything to her. For the son dishonours his father, the daughter will rise up against her mother, the daughter-in-law against her mother-in-law: those in his house shall be all a man's enemies. But I will look to the Lord; I will wait upon God my Saviour: my God will hearken to me." (Micah 7:2-7 Septuagint)

*So much has and is happening this week! Crazy is cool and sanity is scorned as scandalous! The earth is reeling to and fro like a drunkard, just like it says in Isaiah 24:20! God help us to*

keep focused on God's glorious outcome! (Isaiah 24:1,3,5-6,17-23 - Septuagint) "Behold, the Lord is about to lay waste the world, and will make it desolate, and will lay bare the surface of it, and scatter them that dwell therein. The earth shall be completely laid waste, and the earth shall be utterly spoiled: for the mouth of the Lord has spoken these things. And she has sinned by reason of her inhabitants; because they have transgressed the law, and changed the ordinances, even the everlasting covenant. Therefore a curse shall consume the earth, because the inhabitants thereof have sinned: therefore the dwellers in the earth shall be poor, and few men shall be left. Fear, and a pit, and a snare, are upon you that dwell on the earth. And it shall come to pass, that he that flees from the fear shall fall into the pit [Such as the Canadian doctors below, called out for paralyzing a woman with the , now fleeing for a way out by offering free euthanization!]; and he that comes up out of the pit shall be caught by the snare: for windows have been opened in heaven, and the foundations of the earth shall be shaken, the earth shall be utterly confounded, and the earth shall be completely perplexed. It reels as a drunkard and one oppressed with wine, and the earth shall be shaken as a storehouse of fruits; for iniquity has prevailed upon it, and it shall fall, and shall not be able to rise. And God shall bring His hand upon the host of heaven, and upon the kings of the earth. And they shall gather the multitude thereof into prisons, and they shall shut them into a strong hold: after many generations they shall be visited. And the brick shall decay, and the wall shall fall; for the Lord shall reign from out of Sion, and out of Jerusalem, and shall be glorified before His elders." PTL!

His eyes were as a flame of fire, and on His head were many crowns; and He had a name written, that no man knew, but He Himself. And He was clothed with a vesture dipped in blood: and His name is called 'The Word of God'. And the armies which were in heaven followed Him upon white horses, clothed in fine linen, white and clean. And out of His mouth goeth a sharp sword, that with it He should smite the nations: and He shall rule them with a rod of iron: and He treadeth the winepress of the fierceness and wrath of Almighty God.
