### 31 January

>  Rearrange this anti-christ agent's name, *Elon Musk*, and it spells *Lone Skum!* Who is not a lone but an all-in ACer, imo! Online it states that: "The word 'musk' originates from the Late Greek *μούσχος* 'moskhos', from Persian *mushk*, and the Sanskrit *मुष्क* *muṣka* (lit. 'testicle') derived from Proto-Indo-European noun 'múh<sub>2</sub>s' meaning 'mouse'." I'm not gonna state the obvious, but with those details of origin, you get the body-part picture and creaturesque pest profile!:

#### • "Elon Musk says Neuralink has implanted first brain chip in a human"

(Excerpts:) "...and is recovering well', Musk said...'Initial results show promising neuron spike detection.'...earlier this month...Neuralink was fined for violating US Department of Transportation (DoT) rules regarding the movement of hazardous materials...They also found improper packaging of hazardous waste, including the flammable liquid Xylene. Xylene can cause headaches, dizziness, confusion, loss of muscle coordination and even death, according to the US Centers for Disease Control and Prevention." - *Whatta oxymoron! "Recovering well" from brain-chip surgery under the auspices of an outfit found guilty of "hazardous waste" screw-ups!*

#### • "Rage against the machine: Americans warn Elon Musk to 'stop creating cyborgs' after he revealed the first human has had Neuralink's brain chip"

(Excerpts:) "Elon Musk announced the news on X, saying the operation happened on Sunday. Neuralink is intended to allow paralyzed people [*Some of them inflicted with that state by the ?*] to control movement by thought, but the implications left some terrified with the tech titan being accused of 'mind control', creating 'cyborgs', and even 'playing God'.":

>  "**WHO Appoints Former Prostitute, Other Transgender Activists to Transgender Task Force**"

(Excerpts:) "Why are WHO's actions important? Because WHO is often referred to as an authoritative expert body by mainstream media sources...it was WHO that declared Covid-19 a pandemic, based largely on the word of panels such as this 'expert' panel on transgender

issues. In any new set of 'guidelines' produced, it won't be *[the sadistic sodomite transvestite prostitutes]* who will make the announcement, it will simply be WHO, which many people still consider an authoritative source on health matters, despite their abject failure with Covid-19. But WHO's choice of experts shows that they cannot be impartial on the issue of transgenderism. Rather, they are advocates.":

> 🗨️ **"English church urged to drop trans guidance for schools – The 'dangerous ideology' is incompatible with Christian beliefs, according to a letter issued to the Archbishop of Canterbury"**

(Excerpts:) "...in a letter signed by Christian parents Nigel and Sally Rowe, Archbishop Welby has been asked to withdraw the guidance because it promotes an ideology they argue that children should not be exposed to. '[The church policy titled] "Valuing All God's Children" recognizes an ideology that should have no place in primary schools', the Rowes said...They continued in the letter that the 'vast majority' of parents seeking to have their children educated in a Church of England school expect Christian beliefs to be adhered to, and called for the urgent withdrawal of the official guidance which they said gives a 'foot in the door to a dangerous ideology'. The Rowe family also claimed that in 2017, their then six-year-old son was told by a Church of England primary school that it would be 'transphobic' if he did not recognize as a girl a young boy who wished to change genders." - *I can't beleeeeeeeve this is even a topic of discussion! Honestly, all those who want to truly follow Christ should pull their kids outta these churchy crypts of cabalist crap, and pool their resources to spiritually school their precious treasures!*

<https://www.rt.com/news/591481-uk-church-england-transgender-guidance/>

> 😬 *Note this level of variance! As foretold by Jesus in Matthew 10:21,36 - "And the brother shall deliver up the brother to death, and the father the child: and the children shall rise up against their parents, and cause them to be put to death. A man's foes shall be they of his own household." On heightened display is the spiritual battle and Endtime reaping! Satan's bleepin' servants passed luciferian laws sayin' they would do it and they're doing it! Overtly seducing, scavenging for, assaulting, and stealing children under the guise of care and concern!*

>📷 **"Controlling the Food Supply - History Repeats Itself"** - *A primo piece, imo! Stellar investigative item showing this particular mirrored pattern of history! (The photo in this article shows part of the HUMONGOUS mountain of Buffalo skulls which were ground up for fertilizer!)* (Excerpts:) "It is January 2024. Amish farmers are still being raided, and Bill Gates is buying more US farmland for God only knows what purpose...Food-plant fires and avian bird flu are all cleverly disguised, but all have one goal...control over the food supply. However, the COVID era is not the first time this has happened. Far from it. As the saying goes, history does repeat itself. In the 1800s, the US government definitely played a role in shaping the fate of Native Americans. How did they do it? The government allowed the decimation of the buffalo herds in the Great Plains. When the buffalo were gone, it was easier to force Native Americans onto reservations. Why? Because their primary food source was gone. The US government allowed vast overhunting, so much so that the 30 to 60 million buffalo that once roamed the plains were reduced to only about 300 by 1899. It was a breathtaking and staggering loss...False promises made by governments have been repeated time and time again. King Charles and the Davos gang are taking steps to manage our "boiling planet", while, at the same time, stuffing their faces with sausages. Similar to scolding us about reducing our carbon footprint while flying carbon-footprint-heavy private jets to get to the WEF meetings anywhere on the globe...The false allure of the 15-minute cities is the same as the false allure of the reservations. And remember, it all starts with controlling the food supply.":

Of course, the past several years have already been pretty wild, but I believe that the years immediately in front of us will take things to an entirely new level. A few years ago, 'World War III' wasn't even on the horizon, but now conflicts are erupting all over the planet and the mainstream media is using apocalyptic language to describe what we are facing.":

**"Slovakia: Prime Minister launches investigation into the 'whole covid circus' and chooses an 'anti-vaxxer' to lead it"** - Includes 4.10 min vid.

(Excerpts:) "'Have you seen the statistics on how our deaths from various cardiovascular events have risen because of vaccinations?' Prime Minister Robert Fico asked the Slovak parliament. 'The Slovak public simply needs an answer. Needs an answer about vaccination, what it actually was. Why people were vaccinated with various experimental vaccines. Why all sorts of drugs were pushed into people,' he said. 'We will publish and tell the Slovak public what really happened during this covid period...the previous governments have completely failed covid-19 and have 21,000 dead people on their hands and have made, apparently, a huge amount of money on the unnecessary purchase of various medical devices [supplies] and vaccines.'":

(Excerpts:) "In a nutshell, the WEF, led by Klaus Schwab – who seems to have decided, ironically of his own free will, that he will run the world and tell his fellow human beings how to live – has infiltrated governments around the world and invites politicians and big business leaders to a world summit each year in Switzerland to have 'off-the-books' meetings about such topics. This whole agenda is to make it so we have no choice on some of the biggest questions of our lives. We didn't get to vote on whether gas powered cars would be banned, we didn't vote for 'vaccine' mandates, we didn't vote for lockdowns, we didn't vote for banning of meat. But all of this is happening, because at these meetings like the WEF Forum and the UN, they meet and work with government-corporate collusion to bypass democracy and impose stuff through this corporate government fascism."

> ✨ **"Lying ADL boss finally cracks under pressure"**

*This 16 min vid was sent to me by a dear KU reader. Now, Rebel News may not be some folks' cuppa tea, but I'm including the link to this vid because, imo, one of the (if not the) main takeaways from this vid is right smack dab at 4.07 into the vid, when Greenblatt blurted out (to Avi) that Avi is "speaking truth to power". Greenblatt busted, indeed! The anti-Christ-Truth spirit in Greenblatt couldn't help by expose and brag about itself! That's a type and shadow of what happened in Matthew chapter 4, when Jesus, THE Truth and armed with Truth, was speaking Truth to Satan, the god (power) of this world - as explained in verse 8, 9 and 10: "Again, the Devil taketh Him up into an exceeding high mountain, and sheweth Him all the kingdoms of the world, and the glory of them; and saith unto Him, 'All these things will I give thee, if thou wilt fall down and worship me." The Devil couldn't (and still can't) give as such unless he had (and still has) the power to do so, and in this world Age, that's still the structure. But when Christ returns, "The seventh angel [will sound]; and there [will be] great voices in heaven, saying, 'The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and He shall reign for ever and ever." (Revelation 11:15) 🙏 And then Mat.4:10 says, "Then saith Jesus unto him, 'Get thee hence, Satan: for it is written, "Thou shalt worship the Lord thy God, and Him only shalt thou serve."" God bless and keep us serving the Lord, studying up on, sharpening and wisely using our spiritual sword (see Heb.4:12), attentive, pondering and progressing the Kingdom of God! "My son, attend to My words; incline thine ear unto My sayings. Let them not depart from thine eyes; keep them in the midst of thine heart. For they are life unto those that find them, and health to all their flesh. Keep thy heart with all diligence; for out of it are the issues of life. Put away from thee a froward mouth, and perverse lips put far from thee. Let thine eyes look right on, and let thine eyelids look straight before thee. Ponder the path of thy feet, and let all thy ways be established." (Proverbs 4:20-26):*

> 🌟 "Experts Claim There Is A Lost, Underground 'City' Beneath The Pyramids Of Giza" - Albeit from 2021, it's still, imo, on-point for now!

(Excerpts:) "Egyptian authorities are not willing to reveal what is found beneath Giza to the general public, like many other discoveries made throughout the years in Egypt. There is a lost history completely ignored by mainstream scholars when it comes to the Ancient Egyptian Civilization and the enigmatic Pyramids which according to many predate the Egyptian Civilization itself. In order to comprehend to the full extent the partial pieces of history we have been taught in school, we must understand that countless discoveries on our planet have been completely ignored by mainstream scholars...As we have mentioned in previous articles, there is a specific and strict pattern implemented in today's society where only certain information is released to the world, while most parts are kept locked away from prying eyes, almost as if there is a hidden level of censorship in operation, specifically designed to protect parts of the history belonging to mankind, a species with amnesia." - "Awake thou that sleepest, and arise from the dead, and Christ shall give thee light [and reveal to the hungry, desperate hearts what's really happening]. See then that ye walk [and research, study, investigate] circumspectly, not as fools, but as wise, redeeming the time, because the days are evil." (Eph.5:14-17):

(Excerpts:) "...the Israeli army has made a mockery of international law, including the white flag as a symbol of peace. Reaction of human rights organisations: 'Israeli army forces continue to intentionally target civilians, carrying out premeditated murders and arbitrary extrajudicial executions', Euro-Med Human Rights Monitor said in a statement...the crime where civilians holding white flags are killed mercilessly acts as further evidence of Israel's widespread, systematic and unjustified targeting of Palestinian civilians, pointing to a pattern of the premeditated murder and extrajudicial execution of defenseless civilians in Gaza, all of which fall within the framework of the genocidal war being carried out by Israeli army in the strip. The Norwegian Refugee Council regarded the white flag murder incidents as 'evidence of a war crime'."

(Excerpts:) "It's not a coincidence that the attacks on UNRWA took place after the ICJ ruling. Israel is trying to discredit the International Court of Justice, and one way of doing that is by rubbishing UNRWA. But UNRWA has fulfilled the heroic role of providing health, education and all other services to the Palestinian refugees since 1948...The last thing Israel wants is for the Palestinians to establish a massive refugee camp near Rafah that will balloon in size in years to come...Israel wants the Palestinians to 'vanish into thin air'...dispersed around the world...So, while Israeli leaders do not relish the reputational damage they are experiencing due to their treatment of the Palestinians, they are willing to endure it in order to achieve their broader strategic objectives which are the complete eradication of the Arab population and the strengthening of a permanent Jewish majority.":

(Excerpts:) "The US bases in Syria are illegal, which is where the alleged drone strike took place...The attack was not Iranian but a third party in possession of Iranian drones...The US cannot play this up too hard, because those Syrian bases are illegal. Maybe not illegal under their 'rules based order', because their 'rules' are flexible to suit the hegemon. But they can't over play this, because that will raise questions like, 'What are the illegal US bases in Syria actually there for? What are they actually doing?' • **"Harvesting Discontent: The Global Farmer's Revolt"**

(Excerpts:) "Earth's population has surpassed 8 billion, and the vital role of farming in sustaining the global populace should be of paramount importance. However, the nature of resource distribution across regions remains uneven, posing challenges to the self-sufficiency of nations. Amidst this backdrop, Europe is an agricultural haven with its rich, fertile soils, relatively stable geology, and temperate climates. Such favourable conditions provide European farmers with the unique opportunity to cultivate a diverse array of grains, fruits, and vegetables. Moreover, Europe's present commitment to a top-down initiative to install sustainable green policy farming practices throughout the Union, albeit with elements that are at odds with one another. For instance, conservation initiatives and eco-friendly approaches on the one hand with the

expectation of more goods and economic value on the other...European countries find themselves perhaps intentionally battling between bureaucracy, legislation and national food sovereignty, leading many farmers to reach a crescendo in a public display of slow-moving rallies and muck spreading on the doors of government offices. In the best interests of all, it is crucial that when farmers speak, we all lend our ears and pay attention. Could the deliberate reduction of farmland, food availability, coupled with the subsequent transfer of land and wealth, be a deliberate effort to sow chaos or perhaps a strategy aimed at destabilizing nations? Exerting the control to reduce the population in line with the statements, comments and published works as they attune the world, towards The Great Reset.":

> 🌟 **"Something Strange is Happening to Demons Worldwide"** - 16.59 min vid - *Recently, when praying for the day, my husband, Peter, prayed, "Lord, help us to not just jump into the day; help us to jump into battle!" Wow! I loved that!*

*This video really rekindled my desire to call on the power of the Lord at every single turn! P.O.W.E.R. standing for Power Over Wicked Evil Reprocates! Yes, "the battle is the Lord's" (1Sam. 17:47), but we are called to "fight the good fight of faith" (1Tim.6:12) so that we can, "with joy, [say], 'Lord, even the devils are subject unto us through Thy name" (Lk. 10:17), for the Lord has promised to "deliver [us] from every evil work" (2Tim.4:18)! PTL! Following is a small personal summation, which I strung together using some of the video's content and quickly typed up for my own handy review; however, I do really hope you'll view the whole video! (See the link below, following my summary.) Yay! Onward to Victory!*

"By better understanding how demons operate, we can more accurately attack with the whole armour of God and wield the Word. Demons are aware of the full sovereignty of Jesus Christ and the judgment that awaits them. When demons confronted Jesus during His ministry on earth, their reactions were telling of their understanding of spiritual authority and eschatology, the study of End Times. Even though they relentlessly continue in their rebellion against God, they are fully cognisant of the futility of their stand. Unlike humans, who can waver in their faith, demons possess an acute awareness of God's omnipotence and the ultimate futility of their rebellion and the appointed time of their inevitable doom and destruction. For true Christians, this awareness is both a comfort and a call to arms and reaffirms the power we have when standing in faith in the authority given to us by Jesus Christ and serves as a reminder of the unseen raging spiritual battle where, for demons, they are left only to tremble; for in spite of their rebellion, they recognise Jesus' supremacy. There is a divine timetable for cosmic events, and the demons know this. The same spirit that raised Jesus from the dead dwells in us through the Holy Spirit. God, help us to live every day and take every step in bold accreditation of faith in the power of Jesus' name, remembering "that at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth" (Phil.2:10) and in alignment with the victorious King of kings, Who holds the times and seasons in His hands.":

> 🏠 • **"How should Christians think about transhumanism?"**

(Excerpts:) "[Society is] currently adopting 'biotech' enhancements 'to improve the human condition' [A modified rendition of Satan's "hath God said" Gen.3:2 routine?!] by 'overcoming human vulnerabilities and injustices'...an attempt to re-evaluate the entire human predicament as traditionally conceived...Without a clear vision of what it means to be human in the first place, it is difficult to believe we will arrive at a desirable end no matter what means we employ...you can't have transhumanism without throwing out humanism' says Mary Harrington...philosopher and transhumanist Max More suggests, 'By thoughtfully, carefully, and yet boldly applying technology to ourselves, we can become something no longer accurately described as human — we can become posthuman...Posthuman beings would no longer suffer from disease, aging, and inevitable death [Gen.3:5 rerun!!]...Human participation with Christ through faith is the means by which we also with conquer death (Rom.6:4-5)...As a movement, it is focused on overcoming human limitations with technologies 'made with human hands' ["Their land also is

*full of idols; they worship the work of their own hands, that which their own fingers have made.” (Isa.2:8)]* rather than recognizing that human limitations require us to look beyond ourselves for solutions...The answer to the problem of human frailty will not be found in a new technology but in life, death, and resurrection of Jesus Christ.":

• **Habakkuk, chapter 2:2-3,4b,6b,8,12,15,18-19** (excerpts - combination of KJV and Septuagint:)

"Write the vision, and make it plain upon tables, that he may run that readeth it. For the vision is yet for an appointed time, and it shall shoot forth at the end, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry. The just shall live by My faith. Woe to him that multiplies to himself the possessions which are not his! Because thou hast spoiled many nations, all the remnant of the people shall spoil thee; because of men's blood, and the sins of the land and city, and of all that dwell in it. Woe to him that builds a city with blood, and establishes a city by unrighteousness. Woe to him that gives his neighbour to drink the thick lees of wine [*And any other debilitating substance!?*], and intoxicates him [*Alters and ruins him?!?*], that he may look upon their secret parts. What profit it the graven image, that they have graven it? One has made it a molten work, a false image; for the maker has trusted in his work, to make dumb idols. Woe to him that says to the wood, 'Awake, arise'; and to the stone [*And transhumanoids et al!*], 'Be thou exalted!' Whereas it is an image, and this is a casting of gold and silver, and there is no breath in it [*No breath of God (Gen.2:7), no soul, no spirit, no heart!*]. But the Lord is in His holy temple [*Thank God, He's in ultimate control!*]:let all the earth fear before Him."

perverse mindset at the apex of the EU bureaucracy. It demonstrates the undemocratic character of the bloc despite pretentious claims to the contrary...admitted by Pentagon sources that something like \$400 million of military spending has been siphoned off by the Kiev junta. The real figure is plausibly even greater. > **"Israel and Iran Are Both Run by Freemasons Plotting WW3"**:

<https://tapnewswire.com/2024/02/israel-and-iran-are-both-run-by-freemasons-plotting-ww3/>

*I read about this conjecture several months ago, and sent an item about it to a dear longstanding Christian colleague on mine. He answered me in November 2023, Here is his response (the following italics and bold are his):*

Hi Cathy,

I am sorry to say, in my opinion, it is almost impossible to either confirm or deny the crux of the situation regarding the question concerning Masonic involvement and control over various nations.

I don't know if any single *human* being could know for sure, aside from a revelation from God, concerning the overlapping conspiratorial aspects of the Masons, Illuminati, Committee of 300, Bilderbergs, CFR, Zionists, etc.

Just some points to take into consideration regarding the question(s) are:

1. "I know thy works, and tribulation, and poverty, (but thou art rich) and [I know] the blasphemy of them which say they are Jews, and are not, but [are] the synagogue of Satan." - Revelation 2:9, and "Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee." - Revelation 3:9
2. The Khazarian involvement.
3. The Ashkenazi involvement.
4. The difference between Zionism and Judaism and the differences within religious Judaism.
5. Etc. etc. etc.

As Daniel chapter 11 makes clear, the Antichrist does not seem to control every nation on earth, as he fights several wars against opponents. "But rumours and anxieties out of the east and from the north shall trouble him; and he shall come with great wrath to destroy many." - Daniel 11:44, and Daniel 7:8 would also seem to indicate resistance to his rule: "I noticed his horns, and behold, another little horn came up in the midst of them, and before it three of the former horns were rooted out: and, behold, *there were* eyes as the eyes of a man in this horn, and a mouth speaking great things."

Then you have a verse like Revelation 17:17, "For **God** hath put in their hearts to fulfill His will, and to agree, and give their kingdom unto the beast, *until* the words of God shall be fulfilled." How will Revelation 10:3-4 affect the situation? "When he had cried, seven thunders uttered their voices. And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, 'Seal up those things which the seven thunders uttered, and write them not'."

How will Revelation 12:14 affect the situation? "And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent."

And finally, Romans 8:28-31, which says, "And we know that all things work together for good to them that love God, to them who are the called according to [His] purpose. For whom He did foreknow, He also did predestinate [to be] conformed to the image of His Son, that He might be the firstborn among many brethren. Moreover whom He did predestinate, them He also called: and whom He called, them He also justified: and whom He justified, them He also glorified. What shall we then say to these things? If God [be] for us, who [can be] against us?"

God bless.
