- **"The Three Horse Parade – Death of Lord Rothschild?"**

The death of Lord Rothschild could be the answer to the '3 Horses Parade', which may explain the 2 black furred flags and 1 dipped flag, paraded in London recently. The 3 horses would represent The City of London, Washington DC and The Vatican (the 3 evil frogs of Revelation). Black and white represents the checkerboard [*Masonic!*] logo of the City – the 64 acres of the financial centre. The white horse with the rider of the dipped flag and a red coat representing Whitehall, with red representing Esau, from where the world is ruled.":

The elite are getting worried." - 1.58 min vid - *Hariri talks about "uniqueness", but over the past years, he's repeatedly bashed the idea of humanity's unique relationship with God! Because he's said that God is a fairy tale! I'll hold back on ripping it and reiterating Hariri's blasphemy, and simply state, just wait until God deals with his fairy-tale construct!*

> *In Matthew, chapter 15, verse 12, the disciples told Jesus that the church leaders were offended, were upset by what Jesus was saying. Did Jesus say, "Oh, really? I'm so sorry! I'll go and apologise to them, and we can try to come to some sort of compromise. I'll hear what they have to say, and try to find some common ground." NO! Jesus replied, "Let them alone: they be blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch." That said, it is on each one of us, individually, to decide what our spiritual-eyes prescription is going to be! "Awake thou that sleepest, and arise from the dead, and Christ shall give thee light [To really SEE and UNDERSTAND the TRUTH!] See then that ye walk circumspectly, not as fools [That blindly and indiscriminately guzzle down churchianity foolaid!], but as wise, redeeming the time, because the days are evil. Wherefore be ye not unwise, but understanding what the will [Through the Word!] of the Lord is." (Eph.5:14-17)*

### • "How 'Trusted' Christian Pastors Coerced Congregations To Take Deadly COVID Vaccines Resulting In Untold Deaths"

(Excerpts - underlines are my emphasis:) "A new research paper has been published that shows how 'trusted' Christian churches in the U.S. took government bribes — in the form of COVID relief grants — in exchange for pushing the deadly, experimental COVID 'vaccines' on their unsuspecting congregations — which lead to the deaths and disabilities of untold thousands of 'believers'...We take no satisfaction in having exposed the satanic agenda of the COVID 'pandemic' from its beginnings — nor do we feel righteous by thinking 'We told you so!'...our numerous articles exposing the 'pandemic' brought many new readers to our site — some of whom had the scales removed from their eyes...When 'judeo-Christians' go to church on Sunday, the vast majority of them turn off their critical thinking skills and sit passively in the pews — as if they are watching television — absorbing what comes out of the mouths of their pastors as if it is the unvarnished 'truth', even though the Gospels repeatedly warn Christians of false teachers [*And Pharmakiacide!*]: 'Beware of the false prophets, who come to you in sheep's clothing, but inwardly are ravenous wolves. You will know them by their fruits. Grapes are not gathered from thorn bushes nor figs from thistles, are they?'—Matthew 7:15-16...If Christians would only wake up...put on the full armor of God...then and only then can they hope to immunize themselves against Satan's desire for their body and eternal soul." - *Falsifiers can only enthrall their audience if the audience is unaware of how the falsification is executed!*

• *In John 10:27 & 16, Jesus says, "My sheep hear My voice, and I know them, and they follow Me. And other sheep I have, which are not of this fold: them also I must bring, and they shall hear My voice; and there shall be one fold, and one shepherd." In reflecting on this today, I thought: Perhaps not ALL sheep en masse are Jesus'; He said there are His sheep, and other sheep He must bring in, but are all sheep His? —Only those that are His are destined for His flock?! When the Great Shepherd laid down his life for the sheep, He purchased His sheep from every tribe and*

tongue and people and nation. So are the rest of the sheep the sheep-like, pseudo-sheep, faux-sheep, chimera-sheep?

### "THEY TREAT YOU LIKE SHEEP BECAUSE MOST ACT LIKE SHEEP"

(Excerpts:) "AT WHAT POINT DO YOU ADMIT YOU WERE DUPED??...You don't need to be a medical expert to see it. You don't need a graph to prove it. You need only a functional brain and eyeballs!" - That are yielded to the Spirit of God! "But God hath revealed them unto us by His Spirit: for the Spirit searcheth all things, yea, the deep things of God." (2Cor.2:10):

But I found the same video on bitchute, so here it is!" - Here's the title and the link to the 50 min vid - no need to eyeball the screen; I listened to it whilst doing housework. I'm sharing this mainly due to its reference to the increased floundering and flimsiness of the ziofied, ziodol-worshipping Zio-Christians' feeble foundation and eisegetical\* trickery. - (\*adverb from noun eis-e-ge-ses [ahy-si-jee-seez], an interpretation, especially of Scripture, that expresses the interpreter's own ideas, bias, or the like, rather than the meaning of the text)

<https://www.bitchute.com/video/vHIC6sO6xww1/>

*Note: In Baldwin's sermon, he highlights the chicanery of the Scofield Bible. John Nelson Darby (1800-1882) is credited with originating the "secret rapture" theory, wherein Christ will suddenly remove the Church from this world before the judgments of the great tribulation begin, spoken of in the book of Revelation. Darby greatly influenced Cyrus Ingerson Scofield (1843-1921) who also incorporated this false doctrine into the notes of his Scofield Reference Bible. In 1901, four years after the Zionist Congress in 1897, the powerful Zionist Samuel Untermyer funded Scofield to write his reference "bible". Untermyer also approved Scofield's membership into an exclusive club for the financial and literary elite called "The Lotus Club". Its members were atheists, communists, eugenicists and people that normally a "Christian theologian and pastor" would never have anything to do with. The Scofield Reference Bible was first published by the Zionist-affiliated Oxford University Press Oxford University Press in 1909, only a few years before World War I, a war that destroyed a cultural optimism that had viewed the world as entering a new era of peace and prosperity. One million copies were printed by 1930, firmly establishing his theory into different denominations and Bible schools of the United States in the 20th century. "What Darby planted, Scofield watered", said researcher James Perloff. Thus by plagiarising Darby in his footnotes of his reference "bible", Scofield included a Zionist commentary on the very pages of the King James Version of the Bible!*

(Excerpt:) "Kamila Grabska, 36, said she was left with a 'disabling' condition following an accident in February 2017 when the vehicle she was in was hit from behind. She had sued RSA Insurance on the basis that she could not work for more than five years, play with her children or carry out basic chores because of constant back and neck pain. But the Irish High Court, sitting in Limerick, was shown a photo in a national newspaper of her hurling a spruce tree on Jan 8 2018, during her hearing. Mrs Grabska argued that while she looked happy in the pictures from the charity event, she was still suffering from her injuries and endured pain to this day. But Judge Carmel Stewart threw out the case [*She applied treason!*] and remarked that the 'very graphic picture' of her tossing the tree had helped her make the decision." - *Did Kamila think her case would fly?*

"Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour" (1Pet.5:8) through, amongst countless avenues, what one eats! Chemical food additives have a long history. DYOR (do your own research) about it. In ancient China, paraffin wax was burnt to ripen fruit—this worked because it caused traces of ethylene and propylene to combine with the food. The Romans added alum (potassium aluminum sulfate) to bread to make it whiter.*** (Excerpts - underlines are my emphasis:) "Ultra-processed food (UPF) is directly linked to 32 harmful effects to health, including a higher risk of heart disease, cancer, type 2 diabetes, adverse mental health and early death, according to the world's largest review of its kind. (Excerpts:) "If a farmer in any way defies this by producing food without government approval...then said food can be destroyed at will by the government, according to the government...While the issue at hand with Miller primarily has to do with his selling of raw milk and meat outside the bounds of what the government establishment considers 'safe' and 'legal', PA Agriculture's arguments against him have far-reaching implications for all home-grown food. If someone in Pennsylvania grows tomatoes, say, in his home garden, those tomatoes are no longer considered to be 'food' in the eyes of PA Agriculture, but rather 'illegal drugs'. The same goes for home-grown cucumbers or any other vegetable or fruit. 'This is a state saying this – a few petty, unelected bureaucrats in a state office telling the rest of the state food is illegal unless it was

approved by the state', tweeted someone on X about the implications of PA Agriculture's argument against Miller. 'Imagine that. You grow a tomato in your garden and it's not food.'" - *How clear is this heads-up!, that there is a war on wholesome food!*:

> **"Florida bill would allow Satanic Temple 'chaplains' in schools** - 'Our ministers look forward to participating in opportunities to do good in the community, including the opportunities created by this bill, right alongside the clergy of other religions', [said the Satanic Temple's director of ministry]"  
(Excerpts:) "The Florida School Chaplain Bill passed in the House. It was approved in a Senate committee hearing earlier this week and will move to a final vote on the Senate floor. Florida Senate Bill 1044, also called School Chaplains, aims to assist in addressing the mental health needs of students by permitting school districts and charter schools to develop a policy to 'provide support, services, and programs to students'. Prior to meeting with a chaplain, students must obtain parental authorization and chaplains are required to submit background checks. Additionally, it requires school administrators to notify parents about the chaplains and that districts post a list of them on their website. Analysts say the bill paves the way for the Satanic Temple (the IRS recognizes the Satanic Temple as a tax-exempt religious organization) to come into contact with children because the bill would not be allowed to exclude religions.":

> *Classic! Dave Daubenmire does it again! Excellent! And putting this in context with the whole world, totally amen!! "For every man shall bear his own burden. Every one of us shall give account of himself to God. All things are naked and opened unto the eyes of Him with whom we have to do. For all have sinned, and come short of the glory of God. He that covereth his sins shall not prosper: but whoso confesseth and forsaketh them shall have mercy. If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness. Blessed be the God and Father of our Lord Jesus Christ, which according to His abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead!" the definition of 'pandemic' changed, but also the definition of a 'vaccine', to allow for the use of experimental modified RNA gene therapy...One of the silver linings of the COVID-19 mass injection campaign is that it has awakened many to the notion that vaccines aren't all they're cracked up to be. The COVID-19 shots are so toxic, that even though the injuries are being swept under the carpet like never before, there are just so many of them that the carnage cannot be hidden. And, because government and health authorities refuse to acknowledge the problem, many are now questioning...It's always been about plumbing, nutrition, fresh air, vitamin D, lifestyle, and keeping poisons out of our bodies.
