*Several years ago, I shared my thoughts with Robert and yourselves about this company mentioned below and its name Nvidia, because when I look at it, I see (letters switched around) Divina, which means "divine or heavenly; godlike"! Online it states about the company's name, "Nvidia initially had no name and the co-founders named all their files NV, as in 'next version'. The need to incorporate the company prompted the co-founders to review all words with those two letters, leading them to 'invidia', the Latin word for 'envy'." Couple "envy" with "godlike", and who does that sound like?! "How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, 'I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High.'" (Isa. 14:12-14) Let's keep watching this space, as these godlike creatures, built from envious-&-control-hungry dark hearts keep obeying their dark lord Lucifer! 🙌🏻🕊️🔑⚙️👉 All in keeping with God's Endtime plan! God bless and keep us Psalm 91ed through and through! 😊😘💖🙌🏻*

> 🗨️ The mystery surrounding the Isabella Stewart Gardner Museum Theft of 18 March 1990, the single largest property theft in the world, still remains unsolved after 34 years. 13 items were stolen and never recovered, among them, and one of the most expensive, Rembrandt's "The Storm on the Sea of Galilee".

### **"5 Most Expensive Paintings Stolen in the Isabella Stewart Gardner Museum Theft"**

(Excerpt:) "Rembrandt van Rijn - The Storm on the Sea of Galilee, 1633 - Rembrandt's only seascape, The Storm on the Sea of Galilee, from 1633, depicts the miracle of Jesus calming the storm, specifically as it is described in the fourth chapter of the Gospel of Mark. According to the Biblical story, Jesus calms the sea and then teaches the disciples the importance of faith. An intensely dramatic painting, full of meaning and special beauty, it depicts the moment of fear and terror of the disciples before the storm, in contrast with the tranquility of Christ. Playing with light, the artist draws our attention to the left side of the painting. Jesus is distinguished from the others by a subtle halo. The magnificent work does not only portray a situation of anguish, but the anguish itself.":

Includes 5.07 min vid:

(Excerpts:) "Since the time of Moses, only nine red heifers have been sacrificed. Now, a 'massive altar' for the tenth red heifer sacrifice has been built in Israel, and there is a tremendous amount of speculation that it could happen soon. In September 2022, five red heifers were flown from the state of Texas to the land of Israel. Since that time, one of them has been disqualified, but the other four continue to be candidates for a red heifer sacrifice. As I discussed last week, there was 'a practice run of the purification ceremony' in 2023. But an official ceremony must be conducted before the heifers get too old to be used for such a sacrifice. So will a red heifer be sacrificed in Israel in 2024?":

> 🙄 *As those in the know know, war is a laboratory for those with deep pockets, hard hearts, satanic souls, calloused consciousnesses, gruesome goals! The opening months of WW1 stunned the populace due to the millions upon millions of casualties caused by modern weapons, a scale of violence unknown in previous wars, due to the lethal combination of mass armies and modern weaponry and chemical usage. Chief among that latter was quick-firing artillery. The dispersion of poison gases was another such development — clouds of poisonous chlorine, causing widespread panic, confusion and death on all sides. The chlorine was a strong irritant on the lungs, with prolonged exposure proving fatal. And on and on the experiments continued throughout that century, and now into this one. "He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the LORD. Woe unto the wicked! it shall be ill with him: for the reward of his hands shall be given him. Only with thine eyes shalt thou behold and see the reward of the wicked. And these shall go away into everlasting punishment: but the righteous into life eternal." (Prov. 17:15; Isa.3:11; Psa.91:8; Mat.25:36)*

> 🧑 **"Shadowgate"** - *Lengthy, but, imo, worth reading! This article mentions the Atlantic Council. Remember in one of the past Key Updates I mentioned to keep an eye on that outfit?*

(Excerpts:) "Have you ever wondered who creates the talking points being regurgitated across dozens if not hundreds of news outlets on a daily basis?...this is the work of this network of

privatized intelligence companies, utilizing tools such as ShadowNet...There's a lot to digest in this film, but I urge you to set aside the hour and a half to do so. It answers many questions, revealing how government contractors are subverting our justice and political systems to further their own hidden aims...[*And in spite of the serpents in the shadows, whom God will smite, let's remember...*] I encourage you to seek Joy. At the end of the day, that's what life is all about. It's all too easy to fall into the trap of feeling like the sky is falling. What we're facing is serious, yes. But we can overcome it. And, I believe that Joy-seeking may be a crucial component to winning. Why? Because when you focus on what brings you Joy, everything else falls into place. New ideas arise. New solutions. And that's precisely what we need. We need a world full of joyful, inspired people who are living their dreams, and in so doing, end up bringing new solutions to the world.":

• **"Bucegi Mountains: Strange Happenings, Conspiracies and Folk Legends"**

(Excerpts:) "The conspiracies hinge on the underground, labyrinthine tunnel network within the mountain...each is connected to each other, protected by an energy source which activates all as one is activated. The locations are: near the Sphinx in Egypt, Baghdad, Mount Kailash in Tibet and the Bucegi Mountains in Romania. The inner tunnels lead to a secret World under the Gobi Plateau in Mongolia and to Antarctica...These rumors started in 2009 with the publication of a book titled Transylvanian Sunrise...In 2003, the Pentagon discovered, through the use of satellite technology, an anomaly...Through the highest levels of Freemasonry, the Pentagon was able to secure an alliance with the most secret department of the Romanian Intelligence Service...Romanian's collaboration with the American authorities (and for some reason the Vatican [A vault of suppressed truths! DOYR!]) is supposedly the reason the country was allowed to join NATO." - *And now the biggest NATO base is being built in Romania (about which I posted on 20 March)! See next article! Hmmm!*

*There is a lot to unpack in going over this article below, which is why it's the only one posted for today.
