Aliyah in the coming years will serve as an enormous growth engine for the Israeli economy and an engine of values — a renewal and refreshment of Zionism." (Excerpts:) "One of the nation's largest conventional food-growing states just passed a bill that critics say protects the chemical agriculture industry from civil lawsuits. That state is Iowa, where state senators just passed Senate File 2412 to protect pesticide companies from lawsuits involving contaminated food that poisons and sickens consumers. SF 2412 'allows that if a label is approved by the EPA (U.S. Environmental Protection Agency) and is consistent with the most recent human health assessment under federal law and the EPA's carcinogen classification, companies would be safe from civil liability.' Scofield "Bible" myths to support the invention of "a nation"!?], Israel's dependence on the arms trade and Israel's terrifying nuclear threat." - 42.34 min vid

Some of the points made in this interview:

1. Nothing Jewish about genocide and militarism...Jews and Muslims have lived in peace for centuries until Zionism came along.
2. Israelis can't decide whether they are invincible or vulnerable and the contradiction is driving them crazy.
3. Israel is a major munitions supplier. It supplies the Indian army and most European countries.
4. The IDF is embedded in all aspects of daily life and identity. And that we should not merely see it as a fighting force enjoying an international reputation, but as the central ideological, political and financial institution of Israeli society.
5. Israel has 200 nuclear warheads and is blackmailing the whole world.

(Excerpts:) "...doomsday prophesying of climate extremists has created hardened skeptics on one side who are increasingly suspicious of all public 'expertise', while at the same time infecting true believers on the other side with a crippling, pathological fatalism that has come to be referred to as 'climate anxiety'...It is easier to make the world angry through protest than to make it better by finding solutions. Climate fear-mongering has created a dread so powerful it's putatively putting people off of having children altogether...The trend is so wide now that they have given it a name: birth strike...there needs to be more hope than horror, more imagination than resignation, and more inspiration than anxiety...higher levels of scientific knowledge about the environment and

climate change was associated with less climate anxiety...How can we motivate the next generation to be a force for innovation and positive change rather than feed them a steady diet of nihilism, hate, and anxiety? There are certain things that can be done to frame the future of humanity in a more positive light. Here are some ideas on how to stop malignant activism from eroding the hopes of humanity.":

Nebo School in Payson, Utah, held a walk-out protest today against unhinged school officials that allow 'furrries' to terrorize them at school. The students report in the video below that the furrries bite, scratch [some wearing strap-on claws!], and bark at them. The furrries also chew on sticks in class and a kitty litter box was set up in the girls' restroom for them to use. The students believe that the school's tolerance stems from the principal, whose child happens to be a 'furry'." - *Includes 3.06 min vid (of protest) and .29 sec vid (of furry behaviour); also a 1.12.27 hr vid of protest. Meanwhile, the parents are working for and paying taxes that help support LGBTQBS+, War Unlimited, Spacescapades, et al! "The wicked shall be turned into hell, and all the nations that forget God." (Psa.9:7) Furrries = Creepy Demon possession? "Ye shall not make yourselves abominable with any creeping thing that creepeth, neither shall ye make yourselves unclean with them, that ye should be defiled thereby. And He brought me to the door of the court; and when I looked, behold a hole in the wall. Then said He unto me, 'Son of man, dig now in the wall': and when I had digged in the wall, behold a door. And He said unto me, 'Go in, and behold the wicked abominations that they do here.' So I went in and saw; and behold every form of creeping things, and abominable beasts, and all the idols of the house of Israel, portrayed upon the wall round about. And there stood before them seventy men of the ancients of the house of Israel, and in the midst of them stood Jaazaniah the son of Shaphan, with every man his censer in his hand; and a thick cloud of incense went up. Then said He unto me, 'Son of man, hast thou seen what the ancients of the house of Israel do in the dark, every man in the [secret chambers (in Septuagint)] chambers of his imagery? For they say, "The LORD seeth us not; the LORD hath forsaken the earth." He said also unto me,*

'Turn thee yet again, and thou shalt see greater abominations that they do.' For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness; because that which may be known of God is manifest in them; for God hath shewed it unto them. For the invisible things of Him from the creation of the world are clearly seen, being understood by the things that are made, even His eternal power and Godhead; so that they are without excuse: because that, when they knew God, they glorified Him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools, and changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and four-footed beasts, and creeping things. Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves: who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen. For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: and likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents, without understanding, covenant breakers, without natural affection, implacable, unmerciful: who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them." (Excerpts from written intro:) "TRUTH about transhumanism and the horror of the Body Area Network, which is rolling out as the brave new future of 'medicine', but, in truth, it's the track-and-trace kill box they need to enslave humanity in their evil web...we're living through the rapid ascension towards a technological singularity...such developments are Biblical in the eschatological sense. This increase in knowledge (Daniel 12:4) that gave access to a medium that helps [the delites] accomplish anything [they] can imagine (Genesis 11:6), is a spiritual phenomenon with the only historical comparisons being ancient mythologies filled with powerful entities from other realms, enhanced god-kings, strange creatures, and supernatural artifacts. They believe that what the Bible tells us as part of the undergirding narrative that begins in Genesis and is resolved in Revelation, is that a corruption to His design in everything from within creation, including, and perhaps most importantly, the flesh, are what ultimately initiates kinetic judgment." - *NVIDIA is referred to several times in this vid. The Report has been jeered by some as a hoax, but we, in the know, know what that could very well mean! In spite of the warmongers' OTT appetite for war, how can it usher in the AC's first 3½-years rule of peace? The ACers need to replace power, currently perpetrated/maintained through war, with (enforced) peace! — A peace brought about by external threats (outlined in the video) in order to bring about NWO peace! There are just a few points in the vid which veer from my Biblical view, but not enough for me to **highly recommend** taking in this video to add to our united understanding as to what the Antichrist's reconnaissance troops have done, are doing and potentially plan to do in preparation for the Last Days' revelation, rule and reign of the Antichrist, Lucifer in the flesh!*

WHO POWER GRAB: International Health Regulation amendments and the so-called 'Pandemic Treaty'. The International Health Regulations are existing, legally-binding international law. If the proposed amendments are presented to the 76th World Health Assembly, they could be adopted by a simple majority of the 194 member nations. According to the already agreed upon rules of the IHR, if the proposed amendments are adopted, the member nations would not need to take any additional actions. > ✨ *This article contains a 2-part documentary called "Praying for Armageddon". Part 1 is 47 minutes in length; Part 2 is 46 minutes. After I watched the documentary, I asked Christopher Glyn and two other Key Updates Reader's to view it and offer their input as to whether or not to include it in Key Updates. The author of this article, Brian Shilhavy, a Christian, is someone whom Robert used to post from every so often. In the article, Brian says (excerpts:) "This is a very enlightening, and VERY timely, documentary to watch to understand the 'other side' of how non-Christians and non-Americans view Evangelical Zionism. I highly recommend viewing this film, even though I don't agree with everything in it. It accurately exposes how massive amounts of money in Evangelical Christianity define and support Zionism politically...what this documentary film does is expose the Christian Zionist Cult, from the non-Christian perspective. I think it is a good investment of your time to watch this documentary on Evangelical Zionism to better understand both sides of this war we are currently entering into, and that is about to potentially change all of our lives forever." After I viewed the documentary, I understood why Brian said, "...even though I don't agree with everything in it". The reaction from the previewers to whom I sent the documentary ranged from "I personally would not give the Evangelical Christian Zionists' voice the light of day on Key Updates, as most people more easily embrace the wrong rather than the right!", to "I think we owe it to the Key Updaters to offer this documentary to help them in their Endtimes preparation and knowledge of these forces at work, which some may not know about." Christopher Glyn responded, saying, "I have watched both parts of 'Praying for Armageddon' and thought it was excellent! It gave me a much clearer idea of what Christian Zionism is all about and how powerful they are. I had no idea that they had that much political power right up to the highest levels of government, and also within the military! For sure you should post it in Key Updates. Absolutely." So with that in mind, it's over to you, dear reader. "Let us choose to us judgment: let us know among ourselves what [is] good." (Job 34:4) Below is the link to the article, in which you will find the links to Parts 1 & 2 of "Praying for Armageddon". Imo, Evangelical Christian Zionism entanglement has gone waaaaay beyond "strong delusion" into a hallucinational-hypnotic high, a delusional dervishesque drunken devotion to Scofield high priests! Oh my God! What's gonna happen when these folks discover Scriptural reality!?! The very words of Jesus Christ Himself make it as clear as clear can be!:*

"When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)...**then** shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be... **Immediately after the tribulation of those days** shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken: And **then shall appear the sign of the Son of man in heaven:** and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory. And **He shall send his angels with a great sound of a trumpet, and they shall gather together His elect** from the four winds, from one end of heaven to the other." (Mat.24:15,21,29-31)

(Netanyahu, in the aftermath of the Oct. 7, 2023 attack on Israel by the Palestinian group Hamas)

With this: "Anyone who wants to thwart the establishment of a Palestinian state has to support bolstering Hamas and transferring money to Hamas...This is part of our strategy — to isolate the Palestinians in Gaza from the Palestinians in the West Bank." (Netanyahu, 2019, to the Likud Party legislators)

Both of my parents had lovely handwriting. A relative on my mother's side of the family was a calligrapher. I only met him once, when I was very very young. adorned with inks, nibs, paper, unusual tools, smells and equipment. Fascinating! When I learned to write, mother bought me a calligraphy set with various pens, nibs, a how-to textbook, and different papers.
