The parish priest claimed he was not even given notification of the demolition!...The Sinaloa Cartel is considered Mexico's most dominant. They can't take the heat of the Truth!*

(Excerpts:) "It was the revolutionary organizer Saul Alinsky who advised his fellow Marxists in his book, 'Rules for Radicals', to engage in a cutthroat information war against their political opponents. Alinsky wrote: 'Pick the target, freeze it, personalize it, and polarize it. Cut off the support network and isolate the target from sympathy. Go after people and not institutions; people hurt faster than institutions. (This is cruel, but very effective. Direct, personalized criticism and ridicule works.)' That is exactly the strategy being used by the head of the World Health Organization, which, let's not forget, is an organ of the United Nations. Even the term 'anti-vaxxer' is designed to ridicule. To stir up hatred for the 'other'. Dr. Tedros's divisive comments come at a time when more doctors are speaking out about the harm and devastation being caused by the Covid shots, everything from turbo cancers to stillbirths, strokes and heart attacks. Recently, one of Japan's most senior cancer doctors said COVID shots are 'essentially murder'...Have you ever wondered why the globalists are so fixated, so obsessed, with all things related to death?" - *Why? Because they are liars and their father is the devil! Jesus hit 'em spot-on when He told them, "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it. And because I tell you the truth, ye believe Me not." (Jn.8:44-45) "But he that sinneth against Me wrongeth his own soul: All they that hate Me love death." > 🌟 From KU#129/20 March: Several years ago, I shared my thoughts about this company mentioned below and its name Nvidia, because when I look at it, I see (letters switched around) Divina, which means "divine or heavenly; godlike"! Online it states about the company's name, "Nvidia initially had no name and the

co-founders named all their files NV, as in 'next version'. The need to incorporate the company prompted the co-founders to review all words with those two letters, leading them to 'invidia', the Latin word for 'envy'." Couple "envy" with "godlike", and who does that sound like?! "How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, 'I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High.'" (Rom.1:13; 11:25; 1Cor.10:1; 1Thes.4:13) God help us to keep up the pace of this Endtime race and not to be ignorant, hampered and blinded by "the god of this world [who] hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, Who is the image of God, should shine unto them." (Excerpts:) "Most genetically modified crops contain toxins from a different plant or from an insect that kills other insects that eat those crops...More than 94% of all American corn and soy is GMO, meaning these ever-popular American staple crops now produce pesticides from the inside-out, so think about the humans that eat them. That brings us to the mRNA 'vaccines'. mRNA means injected humans are now genetically modified to produce 'protein' toxins that their own body tries to destroy. Ever heard the term auto-immune disorder? If not, you will very soon, and quite often. It starts with even the healthiest people, who got brainwashed by the Pharma cartel into getting the toxic 'forever' jab, where human cells are tricked into producing virus-mimicking 'protein' prions, that are produced indefinitely (counter to medical narratives) and spread throughout the body. This signals the human immune system that every organ is under attack by foreign invaders, and the immune system is taxed, hyper-activated constantly, and the heart and CNS start breaking down too...the Covid-jab-injected human's DNA system is now a toxic protein creating factory, but instead of killing insects and worms, the human body is destroying itself. In other words, the 'pest' is itself, and the immune system identifies it this way. Still wondering why the Covid-vaxxed masses keep dropping like flies, from unexplainable heart attacks, spontaneous abortions and stroke-inducing fibrous vascular clots?":

over 5 decades, my life turned into eternal life according to John 3:16, and I'm so very thankful every day to be living both a trip and a vacation — purpose and relaxation — freely given to me by Jesus Christ, the Word of God! "And we know that all things work together for good to them that love God, to them who are the called according to His purpose. Who hath saved us, and called us with an holy calling, not according to our works, but according to His Own purpose and grace, which was given us in Christ Jesus before the world began. 'Come unto Me, all ye that labour and are heavy laden, and I will give you rest.' There remaineth therefore a rest to the people of God. Rest in the LORD, and wait patiently for Him: fret not thyself because of him who prospereth in his way, because of the man who bringeth wicked devices to pass. 'My presence shall go with thee, and I will give thee rest.'" (Rom.8:28; 2Tim.1:9; Mat.11:28; Heb.4:9; Psa.37:7; Exo.33:14) 🍷

- This is a 1.22.52 hr vid which I'm glad I took in. No need to keep your eye on the screen. I took it in as an audio while doing laundry and weeding. Worthwhile input which, imo, culminates at about 54 minutes into the video when it talks about the escalation of the war on Christianity and the categorising of Christians as being very dangerous, and that the current churchy Christian infrastructure isn't equipped to deal with the unfolding and forthcoming Endtime events because their congregations are spiritually inept; in other words, although trying to stay relevant, they are contributing to their own downfall because they are so compromised, carnal, clueless and corrupt. The point is also brought out that Christians need to reassert themselves and wise up to the fact that Jesus Christ is the main target, and that people need to have the spiritual fortitude to see and understand that the crux of all that's happening is due to the spiritual warfare going on.:

With the Red Army reeling and Hitler's armies nearing Moscow, Stalin ordered churches and monasteries that had been closed on his orders to be reopened and the priests who had been detained freed. It marked a dramatic turnaround and eventually led to the Red Army's triumph over the Nazis. This video reveals some little known history behind Stalin's change of mind."

> ✨ **"El Salvador's Nayib Bukele Describes Satanic Gang Baby-Killing Rituals to Tucker Carlson - The president of El Salvador, Nayib Bukele, described the dramatic crackdown on violent gangs in his country as a 'spiritual war', explaining to journalist Tucker Carlson this week that the largest gang, Mara Salvatrucha (MS-13), has a long history of satanic activity."**
(Excerpts:) "Carlson asked Bukele how he achieved this success, and Bukele had two answers: a multi-pronged national plan executed efficiently and a 'miracle'...he and his cabinet took time out for prayer during sensitive security meetings, suggesting divine intervention was, in part, necessary due to the 'satanic' nature of the gangs. 'They didn't start as a satanic organization', Bukele explained. 'MS-13 started in Los Angeles, in the U.S., because Salvadorans

weren't allowed to sell drugs by the Mexican gangs. At the beginning, it was some youth causing harm, assaulting, trying to control their territory, selling drugs, things that are bad but probably not criminal...As the organization grew, they became satanic. They started doing satanic rituals...we've even found altars and things like that...they became a satanic organization.' Bukele relayed the story of an imprisoned gang member who offered a state-approved interview to journalists. The gang member, he recalled, had killed so many people he could not remember how many but left the gang due to satanic rituals. 'I was used to kill[ing] people, but I killed for territory, I killed to collect money, I killed for extortion...but I came to this house and they were about to kill a baby.' And he, the killer that had killed tens of people, said, 'Oh, well, wait, what are we doing? Why are we going to kill that baby?' And they told him because the Beast asked for a baby, so we have to give him a baby'...He left the gang because he couldn't tolerate what he was seeing." - *And what other global gangs and goonvernmments, cabalic coteries, militaries and medikill procedures, in numerous eschalons, are already doing the butcherous bidding of "the Beast"!? And the worldlings condone, legalise, justify, flaunt, and even pray for and praise it!! God, deliver us and help more to repent and to "depart from evil, and do good; seek peace, and pursue it." (Psa.34:14) "And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed. And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men. And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed." >  **"The New Reconstructed Ukraine Will Be Owned By Stakeholders" - Feudal luciferian-fueled fanatics! "The wicked, through the pride of his countenance, will not seek after God: God is not in all his thoughts." (Psa. 10:4)**

(Excerpts:) "The Report claims that reconstruction plans began to be affirmed a mere five months into the Ukraine/Russia conflict – July 2022. This would confirm that poking the Russian Bear was the objective with the displacement and sacrifice of Ukrainians a contingency. Preplanned. It also means the funds necessary for the reconstruction had already been moved to an account earmarked for Soros rebuild. Those funds were Russia's accounts confiscated and frozen to the tune of \$300 billion. The Lugano Declaration: The document was signed by every western country across Europe, the Americas, and Australia. According to the Recovery Plan, funding is allocated as follows: Phase I = 2023-2025 \$350 billion. Phase II = 2026-2032 \$400 billion. There are 17 identified projects for this creation of a New State ruled by stakeholders – Ukraine is for sale. Over 600 investors from 42 countries have a stake in the New Ukraine...Ridding Ukraine of citizens was the objective all along. Using Russia as the scapegoat was the objective – all along. The strategy was twofold; 1. the isolation of boogey-man Russia weakening their global impact and setting them up for a complete Coup, while 2. capitalizing on reducing Ukraine to rubble from which a rebuild could be justified. The reason Ukraine was chosen? 1. The Kabbalah detests Bohemians and the poor. 2. The resources of Ukraine are worth 10s of Trillions. 3. Bring in the nasty-pants burlesque dancer to run roughshod – and voila!":

(Excerpts:) "The United States Department of Justice has indicted a surgeon who blew the whistle on a Texas hospital secretly performing trans surgeries and gender medicalization of minors...Although Texas Children's Hospital announced in March 2022 that it was ending the practice of performing such procedures on children and youth in response to the state government, Haim leaked evidence that the hospital was [continuing] doing so in secret...a state investigation was launched into Texas Children's Hospital, with the facility finally shutting down its

practice of gender medicalization of minors suffering from gender dysphoria...'These people are corrupt' [said] Haim...'And the only way to expose it is to not play into this Kabuki* theater...if we were to collude with them, we would be sanctioning our own destruction...these people are just petty tyrants and neurotic bureaucrats. And what that boils down to is that these people are simply bullies. When you're fearful, when you're afraid, that's when they're most effective. So to be fearful and scared is to seal your own death warrant." - Amen! *They require that people are fearful of their so-called surgical supremacy! *The term kabuki originates from a verb that was used to describe young samurai patrons, meaning 'being weird' or 'offbeat'. Their genital slicing, dicing and splicing of child's bodies — any body! — is beyond weird and offbeat! It's demonic! "Let us hear the conclusion of the whole matter: Fear God, and keep His commandments: for this is the whole duty of man. For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil. Hide me from the secret counsel of the wicked; from the insurrection of the workers of iniquity: who whet their tongue like a sword, and bend their bows to shoot their arrows [Scalpels!], even bitter words: that they may shoot in secret at the perfect [ie God's ordained creation!]: suddenly do they shoot at him, and fear not. They encourage themselves in an evil matter: they commune of laying [medikill] snares privily; they say, 'Who shall see them?'" (Ecc.12:13-14; Psa.64:2-5):*

experiment?...Most Americans have no idea that Israel attempted to sink the unarmed US spy ship USS Liberty and murder its crew of 293 sailors so the attack could be falsely blamed on Egypt. Nor do they realize that the Zionists succeeded in killing 34 sailors and wounding 171. Even less do they know that the sitting US president [Johnson] was complicit and yearned for the death of every one of those 293 American servicemen...Why would the media cover up such a sensational story?...Richard M. Nixon, knew, but was afraid to talk about it in public. Privately, he discussed the matter with friends and advisors like the Rev. Billy Graham, who told Nixon that powerful Jews 'are friendly to me because they know that I'm friendly with Israel. But they don't know how I really feel about what they are doing to this country.' 'You must not let them know', Nixon replied. 'This stranglehold has got to be broken or the country's going down the drain', Graham continued. Nixon: 'Do you believe that?' Graham: 'Yes, sir.' Nixon: 'Oh boy. So do I. I can't ever say that, but I believe it.'...the tapes of his conversations with Nixon show Graham's professed Zionism was insincere. (Excerpts:) "...now 15.5 million Americans who have used or are using Ozempic, Wegovy or Saxenda, all of which are injectable [reptilian venom] 'weight loss medications' that actually consists of synthesized peptides originally patterned from the venom of the Gila Monster reptile. These drugs achieve their weight loss results by paralyzing the vagus nerve. The vagus nerve is the longest and single most important nerve in the human body, originating in the brain and attaching to

many major organs in the body to coordinate organ stimuli for proper organ function such as digestion, circulation, respiration, cognitive function and more. The reason these reptile venom drugs make people lose weight is because they interfere with hunger signals which are communicated from the brain to the digestive system, including the stomach...The fact that 15.5 million Americans are injecting themselves with the venom peptides that can cause these disorders means we are about to witness a devastating wave of vagus nerve damage across the population, leading to an explosion in heart problems, blood pressure, fainting, hypotension, nausea and more...*the medical [Medikill!] death system is openly telling you who they are.* They use these symbols of satanism, venom, serpents and mass death quite openly, right in your face.
