> 🌟 *That no worldly nation whatsoever could/would outright come to the innocents' aid and stop the Gazan blood bath, does that mean that all worldly nations (to some degree or another, even by doing nothing) complied and supplied its occurrence? "The fool hath said in his heart, 'There is no God.' They are corrupt, they have done abominable works, there is none that doeth good. The Lord looked down from heaven upon the children of men, to see if there were any that did understand, and seek God. They are all gone aside, they are all together become filthy: there is none that doeth good, no, not one." (Psa.14:1-3) Oh, dear Jesus! Deliver us from evil!*

(Excerpts:) "To date, some 400,000 Gaza Palestinians have been killed by Israel using many US-supplied arms. Over half were women and children. A proud moment for the USA. Biden claims he was not involved in this mass killing. Of course not. He just authorized delivery to Israel's powerful air forces of building-busting 2,000 lb bombs that flatten entire blocks of apartments housing Palestinian refugees. This is not self-defence but mass murder. The World Court has demanded Israel cease its savaging of Gaza." - *Demands and reprimands seem to be on loop without results.* 🙄:

(Excerpt:) "China once enjoyed an optimistic and confident middle class. It supported the economy's growth path with sometimes exuberant spending and aggressive investing. Sadly, those millions are now losing ground, with many slipping back toward poverty. This is no small problem for the Chinese Communist Party (CCP). It has long had an implicit contract with the Chinese people under which they will quietly tolerate the party in power and the party will deliver them prosperity. The authorities increasingly seem to be failing on their end of the bargain. So far, the public has taken a passive approach to the situation, cutting back on spending and trying, against the odds, to rebuild wealth. If things go to extremes, however, there is no telling how the Chinese people will react. There was after all considerable violence during the recession of 2009.":

It's really quite pitiful. I just let 'em go on their way and pray that one day they'll realise they've been hijacked!* (Excerpts:) "...the mindset of the Zionist Satanic Freemason Jews [is that] they do not believe that they did anything wrong in massacring...because they genuinely believe that their nationality makes them better than any other race of people, who are just the 'Goyim' (Gentiles or Non-Jews), whose lives are worthless compared to the Jewish master race...the most hardcore Satanic Zionists in the United States are actually Zionist Christians, whose pastors and leaders fully support the massacre and genocide against the Palestinians, as many of these pastors and leaders have literally called upon the U.S. to send nuclear bombs into Gaza to 'finish the job' of genocide...Ironically, as more American Christians join the Satanic Zionist movement, many American Jewish young people are rejecting Zionism, and speaking out against it...Zionism is a very powerful demonic cult fueled by Satanism, and only the miraculous power of God can save someone from this very powerful black magic (bewitched – cast a spell) that Paul mentioned in the book of Galatians in the New Testament part of the Bible...It is quite ironic that young, liberal American Jews are beginning to break away from this powerful cult, while American Conservative Christians are following this cult more and more, led by the American Zionist Pastors and Freemasons. When Russia entered World War 1 in 1914, the delites made sure there would be no czar in their way going forward; hence, Leon Trotsky (whose real name was Lev Davidovich Bronstein, 1879-1940, the son of wealthy Jewish parents) was given \$20 million in Jacob Schiff gold to help finance the 1917 revolution. In 2014, the delites still had their bowels in a knot over Russia, so they installed President Petro Poroshenko, a 53-year-old billionaire with a chocolate empire, in Ukraine (after financing a pro-Western uprising which overthrew Ukraine's**

Russia-backed leader Viktor Yanukovich). Please reassure me that these vipers aren't going to be around until 2114!"

(Excerpts:) "Like most of us, Putin was under the illusion [Smoke and mirrors!] that England and the US were against the USSR for ideological reasons...But it turns out that the Brits and Yanks [*delites*] were never interested in theory. They hated the communists because they kept Russian commodities [*Mammon!*] out of Lord Rothschild's greedy hands. Now that it is Putin who is standing in the breach, the global banking system has declared him to be the man of evil...The main purpose of the mainstream press seems to be quashing or memory-holing stories that might upset the behind-the-scenes deals between English and Russian oligarchs, many of whom happen to be (coincidentally) Jewish...The safety of Jews comes first, and the press will fervently misinform the public in pursuit of this goal. financiers are more deadly than Zionists, though they play ball with them...financiers were prominent in bringing the US into the First and the Second World War. In truth, there won't be a ceasefire because Netanyahu and his entire cabinet are adamantly opposed to ending the hostilities...Can you see how ridiculous and Orwellian this is? Israel will agree to a ceasefire as long as it has 'the freedom to keep fighting'...the[ir] definition of 'ceasefire' is 'a suspension of fighting' [*Not a genuine, definitive cessation!*]... suspend the weapons shipments and cut off the funding pronto. "Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience: among whom also we all had our conversation in times past in the lusts of our flesh, fulfilling the desires of the flesh and of the mind; and were by nature the children of wrath, even as others. But God, Who is rich in mercy, for His great love wherewith He loved us, even when we were dead in sins, hath quickened us together with Christ, (by grace ye are saved;) and hath raised us up together, and made us sit together in heavenly places in Christ Jesus: That in the ages to come* He might shew the exceeding riches of His grace in His kindness toward us through Christ Jesus. For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast. Now therefore ye are no more strangers and foreigners, but fellow citizens with the saints, and of the household of God; and are built upon the foundation of the apostles and prophets, Jesus Christ Himself being the chief corner stone; in whom all the building fitly framed together groweth unto an holy temple in the Lord: in whom ye also are builded together for an habitation of God through the Spirit." (Eph.2:1-9,19-22)

[*From "Meyer's NT Commentary" — "In the times from the Parousia** (conceived as near at hand) onward, the manifestation designed by God of His grace towards believers was to take place, because not before, but only after the Parousia, would the making alive of the believers, etc., implicitly contained in the making alive of Christ, be actually accomplished in the subjects." - **"Parousia: The time when Jesus Christ will return to judge humanity at the end of the world; the Greek word 'parousia' (pronounced pair-oo-see-ah) is a noun that means 'a coming' or 'a presence'." - Includes 12.36 min vid. *The words of a stark-raving maniac! Funded and cheered on, in part, by Zionists Christians! How twisted is that!?!*

(Excerpts:) "To [Colonel] Vach and his political partners, non-Jews are seemingly incorrigible enemies who must be kept in check using every legal means, until a false premise can be manufactured to abandon 'human rights' and utterly genocide them...'The entry to Gaza consisted of the [Israeli army] in all its glory. The Air Force with the pilots ... and the artillery, and everyone shooting, everyone shooting towards the same point ... those in the sky and those on the wing and those on the ground', Vach recalled. 'And you see one point where all their lines meet, where their firing lines reach, as one person with one heart. An insane scene where you see everything burning ... such a scene of power and fire and smoke. And at a certain stage it all converges and we see a cloud of red smoke in the air, massive," Vach said. 'This is what Mount Sinai looks like.'...Vach said. 'Go inside [to Gaza], hear a Jewish soldier playing a machine gun – and your good spirits will return. The IDF is now required to be cruel in war', Vach added. '...to wage war ... is to love humanity.'...Golan Vach's most lasting legacy – inventing an infanticide to manufacture consent for Israel's genocide in Gaza – is probably best epitomized by a poem Vach wrote and published a month after the battles of 7 October. He titled the poem 'In Vengeance'. 'Yes. Blood makes up

for blood', Vach wrote. 'The thunder of shells is drums to our ears / The volley of machine guns, the tune / A Jew conducts an orchestra of vengeance.'":

(Excerpts:) "This past Sunday (June 9, 2024) Saudi Arabia made the historical move to not renew an 80-year-old agreement with the United States that established the U.S. Dollar as the world currency to purchase Saudi oil, in what should have been headline news, but seems to have been blacklisted in U.S. financial news publications, even in alternative financial news publications such as ZeroHedge News...While U.S. Bitcoin enthusiasts believe that Bitcoin can replace the petrodollar, all the evidence points in the opposite direction, as it was announced last week that Saudi Arabia has joined the Bank for International Settlements (BIS) Project mBridge, a China-dominated central bank digital currency...the ongoing massacre of Palestinians has put any motivation by Saudi Arabia to enter into new agreements with the U.S. on hold. All the evidence points to Saudi Arabia aligning more closely with China and Russia as they are

now full members of BRICS, and more evidence was seen this week when Saudi Arabia's Crown Prince Mohammed bin Salman decided to skip the G7 Summit currently going on in Italy. UPDATE: And at the G7, Biden announced that the U.S. is going to send [\$50 billion] more aid to Ukraine by seizing Russia's assets in U.S. dollars in the U.S., which could have more disastrous repercussions on the U.S. dollar. Here is a short video by Dimitry Simes, Jr. who explains what might happen next (see included 4.21 min vid)...Saudi Arabia is also exporting more oil to China now, which is the second largest economy in the world, and is an economy with a net-negative oil balance, as they do not produce enough oil to meet the consumption needs of China, whereas the U.S. now produces more oil than the U.S. population consumes and is an oil exporter. In recent news, it was announced that China is investing over \$1 BILLION in natural gas pipelines in Saudi Arabia...The New World Order is rapidly changing right before our eyes, and if you only get your news from U.S. sources, where the U.S. only makes up about 5% of the world's population, you are only getting the minority view right now, and probably not seeing world events the way the rest of the world is seeing them today.":

• **"I never read where a man's God comes and makes the man the habitation of God."** *I was so moved by this, I typed it out. PTL!*

Christianity is the only religion in the world where a man's God comes and lives inside of him. A Chinese scholar was given a copy of the New Testament. He'd read the Quran, he'd read the Vedas and all the sacred books. The man said to him, "Did you read the New Testament through?" He said, "I did." "What's the most amazing thing?" He thought the man would say, "The most amazing thing I read was that Jesus Christ was born of a virgin, that He died and physically rose again from the dead. Instead of that, he said, "The most awesome thing is in Ephesians chapter two. It says, 'In time past ye walked according to the course of this world, according to the prince of the power of the air'. And then at the end of that same chapter, it says, 'You are the habitation of God'." He said, "Sir, does your God live inside of you? If so, that's the most awesome thing I have read. And I've read the Quran, I've read the Vidas, I've read all those other sacred books, but I never read where a man's God comes and makes the man the habitation of God.":

We all have a missing piece and, for me, I discovered that that missing piece is God through Jesus Christ. I was always in search of a better life, a better purpose, a better me, a better everything. But I was just looking at all the wrong things. When I realised that there is no better me or better things without Jesus, then it all snapped in place. Maybe we have to look deeper. I treasure that more than anything. I just wish for everyone to have that peace and joy. It sure beats a lot of money and material things that you may have. It starts with accepting that you are broken and that there is a missing piece and, for me, personally, that missing piece is our Lord Jesus Christ.:

"The historical mission of our world revolution is to rearrange a new culture of humanity to replace the previous social system. This conversion and re-organisation of global society requires two essential steps: First, the destruction of the old established order; secondly, design and imposition of the new order. The first stage requires elimination of all frontier borders, nationhood and culture, public policy, ethical barriers and social definitions. Only then can the destroyed old system elements be replaced by the imposed system elements of our new order. The first task of our world revolution is destruction..." 45.25, that's so inspiring that I felt led to transcribe just about all of it. Here are parts of that segment.:

"At the root, this is a spiritual war, and in the Universe we have Divine Intelligence and we have Demonic Intelligence...as you are dealing with [AI], and to the extent that it's used by the leadership in ways that, I would describe, are highly demonic, you need to understand what it is, how it works, and you need to learn how to protect yourself. The most important thing you need is to be the master of your mind [*Bible verses related to Sound Mind* — <https://www.kingjamesbibleonline.org/Bible-Verses-About-Sound-Mind/>] and not let these systems surveill, manipulate, mind-control, extract and play you — because we're all getting played by them. It pays to take the time to educate yourself, understand how it's being applied and where it's used, and learn how to maintain coherence in your personal and professional life, despite what's going on. It's going to be hard to do, but it can be done. That's one of the most important things to me...We're trying to be a network of people, like an intelligence network, to help each other stay coherent and not get overrun and played...Part of the AI hype is that AI is the cover story for this tsunami of Central Bank money that's being used to build the control grid. But if you understand what it is and how they intend to use it, you can start to protect yourself and you can start to align with other people who are really hooked into Divine Intelligence. The more people you have around you and the more institutions you have around you that you can trust, who are hooked into alignment with The Divine Intelligence, the stronger you get, and you need that. It's like having a people lifeboat...You just have to find your tribe and get yourself educated...You're in a war and you have to take evasive action, and you can! You can find great people. The world is full of wonderful people who can help you navigate this. So, don't lose your faith, which is the substance of things hoped for, the evidence of things not seen. We create our reality through our faith. [*"Faith cometh by hearing, and hearing by the Word of God."*—Rom. 10:17] Faith is what creates the doorway, the window, the pathway. So, you really need to plug into people who know how to build their future with faith and not fall prey to all of this stuff, because it's an overwhelming tsunami.":

He said they nullified all the Commandments of God by their Tradition, 'teaching for doctrines the commandments of men' (Mark 7:13; Matt.15:6-9, etc.). His invective, in truth, cannot be equaled. All of Matthew 23 is like a whiplash. He likened Pharisaism to a whited sepulchre, indeed beautiful outwardly, but 'inside full of dead men's bones and of all uncleanness'. Christ climaxed one condemnation after another with the expletive, 'Hypocrites!' He called the Pharisees children of them that killed the Prophets. He foretold they would go on killing, crucifying and persecuting until the guilt for all the righteous blood shed from Abel on down would be upon them. 'Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?' Christ asked. Christ is as utterly devastating of Pharisaism in the record of John 8. Although He admitted that His hearers were descendants of Abraham, He said they were, spiritually, of the devil. Christ told them: 'Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because the truth is not in him. When he speaketh a lie, he speaketh of his own: for he is a liar and the father of it.' (John 8:44)." (Elizabeth Dilling)

Global Jews are, indeed, 'planetary master criminals'...They function today as they have for centuries: as advocates for abuse, exploitation, criminality, death and profits. “Yet in all these things we are more than conquerors and gain an overwhelming victory through Him Who loved us [so much that He died for us]. For I am convinced [and continue to be convinced—beyond any doubt] that neither death, nor life, nor angels, nor principalities, nor things present and threatening, nor things to come, nor powers, nor height, nor depth, nor any other created thing, will be able to separate us from the [unlimited] love of God, which is in Christ Jesus our Lord.”
