> 🌟 "RUSSIA, FROM SOVEREIGN EMPIRE TO GLOBALIST PROXY STATE"

- The long and winding road to the Antichrist's NWO!

(Excerpt:) "On behalf of the 500-year-old Glafia crime syndicate for world domination, Russia and China have since long been prepared to take the baton over from the USA, as hegemonic leaders of the next version of a unipolar world order. This latest – and fourth – change of cycle in Glafia's global project is promoted under the shiny-but-false brand of a benevolent [*"...he shall come in peaceably, and obtain the kingdom by flatteries...he shall work deceitfully...He shall enter peaceably..."* (Excerpts from Dan. 11:21,23,24)] multipolar world order which respects the sovereignty of countries – which are, however, all governed by Glafia's proxies. This propaganda effort also includes the fake ending of the globalist project, due to soon to be expected actions of the brave, new 'traditionalist' heroes on the world scene: 'Taoist' China and 'Orthodox' Russia.":

(Excerpts:) "Tensions are rising in a border dispute between the United States and Mexico...Under an 80-year-old treaty, the United States and Mexico share waters from the Colorado River and the Rio Grande, respectively, but in the grip of severe drought and searing temperatures, Mexico has fallen far behind in deliveries, putting the country's ability to meet its obligations in serious doubt. Under a 1944 treaty, Mexico is required to send 1.75 million acre-feet of water to the US every five years from the Rio Grande, and the US to send 1.5 million acre-feet of water to Mexico from the Colorado River each year. Mexico is falling far behind in its obligations. "We've only gotten about a year's worth of water and we're already well into our fourth year," Maria Elena Giner, the US commissioner of the International Boundary and Water Commission, the bi-national body that oversees the treaty, told CNN...During the first few decades of the treaty, all went well. But from the early 1990s, 'something changed', said Giner. *[Targeted bioengineering, carpeting chemtrails, steroidal-satanic weather manipulation!]* There was less water coming into the river...The current cycle ends in October 2025." - Includes 2.45, 2.13, 6.33 and 8.50 min vids:

> **700 "No Excuse For Being Clueless - When Supposed Christians Do Not Even Know What A 'Rainbow Flag' Represents, It Is A Judgement Against Churches That Are Not Truly Teaching 'God's Word':**

(Excerpts:) "It grieves me to see so many professing Christians who are so ignorant of the days and times we're living in. Most don't know and don't want to know what's really going on in this world — or how Christ-followers are to respond to it all. Truly, those who are not Christians, or are 'nominal Christians' at best, are much more well informed than those who claim to be 'devout'... there are MANY who are starving for the truth. They're not getting it in their churches or the mainstream press. If they go to church, their pastors will never speak on any of the subjects we cover; never anything of real substance, but rather, mere platitudes. And many people are smart enough to know propaganda and 'fake news' when they hear or see it. So they're very eager for...deep insights into God's Word...We can't be ignorant, but we can't be fearful either. Not if we're real Christ-followers, with the Holy Spirit inside us. We must be knowledgeable, informed and prepared...knowledge without action — or knowledge combined with cowardice — is what causes the anxiety, fear, and despair so many struggle with today...I'm assuming you are one with the Holy Spirit within you, and that you're not only 'pretty sure' you have the Holy Spirit, but you know you do because you can feel it. If you don't know or don't feel the Holy Spirit within, speaking to you, guiding and directing you, repent and pray for personal sanctification first, and then ask God to fill you with His Spirit. This is not the time to remain apathetic about the things of God, but rather to get deadly serious about it all. 'Business-as-usual churchianity' is not adequate to triumph over the forces of darkness and evil in this world. The Bible tells us that lukewarm people literally make God vomit. [*"So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of My mouth."* - Rev.3:16] So don't remain in your ignorance. There's no excuse for being clueless.":

Imo, another marketing ploy against the Son of God! Cabal-cloaked construct to faggotise real men! Diebolical! (Misspelling intentional!)* Includes 5.58 and 2.56 min vids.

(Excerpts:) "...what happens when the social engineers want to create tyranny on a global scale? The list of possible rebels grows exponentially larger and the effort to control them all or demonize them all becomes far more complex. How can the [d]elites simplify their agenda and suppress the public with more efficiency?...attack and cripple the largest subset of the population that is most likely to give them problems in the future. Which monolithic group is more likely to fight back against the system? Obviously, the answer is masculine men...global regime seeks to undermine and sabotage men, labeling masculinity an existential danger to society, like nuclear weapons or global warming...Their insistence that women are nothing more than a 'social construct' that can be replaced by mentally ill men in wigs and makeup leaves little doubt that femininity is being targeted nearly as much as masculinity. But the hyperfocus on men is logical, if one accepts the possibility that the goal of these programs is to weaken western societies to the point that they are easy to conquer.":

> † *Jesus' return — to usher in the dream of all ages: true world peace — will involve even the whole of nature, as Isaiah 11:6-9 (Septuagint) explains that the very nature of many animals will change: "And the wolf shall feed with the lamb, and the leopard shall lie down with the kid; and the young calf and bull and lion shall feed together; and a little child shall lead them. And the ox and bear shall feed together; and their young shall be together: and the lion shall eat straw like the ox. And an infant shall put his hand on the holes of asps, and on the nest of young asps. And they shall not hurt, nor shall they at all be able to destroy any one on my holy mountain: for the whole world is filled with the knowledge of the Lord, as much water covers the seas." By the very fact that, at Christ's return, the nature of animals will be changed from being predatory and carnivorous to living together as peaceful dwellers, does this indicate that, at some point in time, their original nature was corrupted? That, just as Satan corrupted the nature of human beings to one of hostility and hatred, evil also extended into the animal world as well?*

> 🙏 **"Tennessee governor signs bill calling for 30 days of prayer and fasting in July** - Tennessee Governor Bill Lee has signed a bill calling for 30 days of prayer and fasting beginning July 1 in the Volunteer State. The resolution asks the people of the state 'to seek God's hand of mercy healing on Tennessee.'" - Audio-version link available at top of article.
(Excerpts:) "The resolution invites 'those who are physically able and spiritually inclined to do so to join in a 30-day season of prayer and intermittent fasting for the month of July as a means of humbling ourselves to receive God's grace, mercy, and blessing in Tennessee and in our Nation. We are respectfully inviting you to join with us in leading the people of God across Tennessee into a time of humbling ourselves, praying, seeking God's Face, and repentance during July'...The language of the legislators is reminiscent of 2 Chronicles 7:14: 'If my people, who are called by My name, will humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.' They ask that the resolution be read during church services across the state on Sunday, June 30, and for congregants to: 'Examine our lives in light of God's Word and confess of our sins; Acknowledge that we, as the Church, have failed to stand for the principles of God, ask for His Forgiveness and Mercy, and commit to stand firmly on those principles going forward'...The resolution begins by acknowledging the many ways that the 'State and Nation suffer from violence...to repent and pray because 'human trafficking is an unacceptable and violent evil in our State, enslaving lives and violating the core values of our Creator-endowed rights to life, liberty, and the pursuit of happiness'...acknowledge that drug addiction overwhelms Tennessee families and the state's finances...' - *Read in full, and may God bless and keep us all in prayer mode without ceasing (see 1Thes.5:17) against Satan's madness!*

> 🙄 *In a story straight out of “The Matrix” or “Terminator”, environmental scientists are harvesting human stem cells to build 'batteries' for AI supercomputers. But what makes this even more terrifying is how it works: The most sought-after source of the stem cells for these 'organoids' is embryos, and they only last about 100 days until they die. Is this a form of giving away seeds to Molech (a Canaanite god associated with the sacrifice of children, ie humans)? "Whosoever...giveth any of his seed unto Molech; he shall surely be put to death: the people of the land shall stone him with stones. And I will set My face against that man, and will cut him off from among his people; because he hath given of his seed unto Molech, to defile My sanctuary, and to profane My holy name. And if the people of the land do any ways hide their eyes from the man, when he giveth of his seed unto Molech, and kill him not: Then I will set My face against that man, and against his family, and will cut him off, and all that go a whoring after him, to commit whoredom with Molech, from among their people. And the soul that turneth after such as have familiar spirits, and after wizards, to go a whoring after them, I will even set My face against that soul, and will cut him off from among his people." (Lev.20:2-6)*

"Are Scientists Harvesting Human Embryos to Power Supercomputers?!" - 15.53 min vid (OAAO).

(Excerpts:) "'AI consumes a ton of electricity', and 'environmentalists have always hated nuclear power', so 'they're turning to us to be the batteries', Poulos explains. Scientists in the field are taking 'stem cells out of embryos or out of the lab (sometimes even out of tumors)' and '[turning] them into brain cells basically and [using] those as batteries to power what they're calling bioprocessors'. This method is considered superior because it apparently requires 'about a million times less power than a typical digital processor'. The hype surrounding this dark concept, Poulos says, originates from 'the same folks who brought you the idea of going to Carbon Zero [or] Net Zero carbon use. They look at human beings as a waste of space — a waste of energy — and they want to harness that to run AI', he says. The company behind the movement is called FinalSpark." - *So, are they harvesting/sacrificing God's creation to power man's "creation"? "And Jesus called a little child unto Him, and set him in the midst of them, and said, 'Verily I say unto you, Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven. Whosoever therefore shall humble himself as this little child, the same is greatest in the kingdom of heaven. And whoso shall receive one such little child in My name receiveth Me. But whoso shall offend one of these little ones which believe in Me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea. Woe unto the world because of offences! For it must needs be that offences come; but woe to that man by whom the offence cometh!'" (Mat.28:2-7)

(Excerpts:) "Egyptian exports to Israel doubled [up to \$24m in May] in 2024 compared to the previous year despite Egypt's role as [pretentious, forked-tongued] 'peace' mediator between the Zionist genocidaires and the Palestinian Resistance factions in Gaza. While Israel has been conducting hourly massacres in Gaza, bombing entire swathes of essential infrastructure, decimating healthcare, water desalination plants, schools, refugee centres, UN agency buildings, internet grids and slaughtering children in the most barbaric and merciless ways – Egypt has been benefitting from an increase in trade with the genocidal, apartheid settler state of Israel...All this has been quietly going on while Egypt appears to profess distaste at the Zionist savagery in Gaza, made possible with US-manufactured bombs and UK, Canadian and EU political advocacy for genocide. How much of this 'humanitarian' posturing is to be trusted in the light of their economic adventurism with Israel?...Jordanian exports to Israel also continued to rise in 2024, reaching \$35.7m in May 2024 compared to \$32.3m in the same period last year...increased exports from the United Arab Emirates (UAE) to Israel – \$242m in May 2024, compared to \$238.5m in May 2023...Normalising relations or maintaining existing economic/trade relations with Israel while the apartheid state is committing a de facto genocide is abhorrent and unlawful – what concrete steps have these countries taken to prevent and punish genocide under the Genocide Convention?...Egypt, UAE and Jordan have paid [*lying*] lip service to the Convention, little else."

(Excerpts:) "It's impossible to stress enough how much the abandoning of biblical authority—and thus the absolute morality of the Christian worldview—has impacted our society, hurting the most vulnerable (women and children). And a new bill that unanimously (keep that in mind—unanimously) passed the Massachusetts house just highlights another layer of the brokenness that comes from leaving behind God's design for marriage, gender, and sexuality... This bill redefines parenthood as a 'person's intent to be a parent of a child' (notice the gender-neutral language—no mothers or fathers). That is bad enough—God's design is for a child to have a mother and a father (who are married to each other), not for a child to have 'parents', defined as whoever wants to be the child's parent! But it gets worse... The bill allows for commercial surrogacy of a woman's own biological child. Usually, a surrogate is not carrying her own baby; the egg is provided by another woman (either purchased by the couple or provided by the 'intended mother'), fertilized outside the womb, and then transferred to the surrogate's womb. This new bill allows the woman to offer her own offspring to someone else and receive compensation for it (and, reportedly, she can even draw up and accept a surrogacy agreement after the child is already conceived). It's not hard to imagine the abuses that can and will take place if a woman can sell her own child. Traffickers certainly won't hesitate to use this new bill to sell precious newborns to eager couples!" - *Or to sell them for nefarious purposes that proliferate for profit behind the pale!! Sanguinarian services to Satan being one of them! "And the Lord God, having seen that the wicked actions of men were multiplied upon the earth, and that every one in his heart was intently brooding over evil continually. The earth was corrupted before God, and the earth was filled with iniquity. And the Lord God saw the earth, and it was corrupted; because all flesh had corrupted its way upon the earth. Then God laid it to heart that He had made man upon the earth, and He pondered it deeply. And God said, 'I will blot out man whom I have made from the face of the earth, even man with cattle, and reptiles with flying creatures of the sky, for I am grieved that I have made them.'* But Noah found grace before the Lord God. As the days of Noah were, so shall also the coming of the Son of man be. For as in the [pagan-infested, debauched] days that were before the flood they were eating and drinking [outside of morally accepted norms!], marrying and giving in marriage. [outside of morally accepted norms!], until the day that Noe entered into the ark, and knew not until the flood came, and took them all away; so shall also the coming of the Son of man be. (Gen.6:5,11-12,6-8 Septuagint; Mat.24:37-39) God, help us not to be lulled into thinking that everything is going

to continue as it has always been. Those who are Word-based can see that a barrage of prophetic events are transpiring and, at their pinnacle, will smash into an unsuspecting humanity!:

(Excerpts:) "A new 'kinder-buddy' program in a Southern California elementary school has caused outraged parents to storm the school board meetings. One fifth grader came home, upset that he had been paired as a mentor with a kindergarten student, and they had been asked to share a weird coloring book and video called 'My Shadow Is Pink'. [Link to that 7 min video is in the article.] When the parent checked out the video, he found it was a diabolically clever piece of homosexual propaganda designed to teach children cross-dressing and gender confusion...Using a child's shadow as a symbol of his sexual identity, it is designed to awaken the idea that he might really be a girl instead of a boy. At first, the character's grumpy-looking father frowns on the idea of cross-dressing but ends up putting on a dress himself, validating the child's fantasy. At one point, the plot suggests that lesbianism is also acceptable if their 'shadows' match...The groomers that want to have free rein with these children claim that the parents are not qualified to deal with the realities of gender dysphoria. If the parents attempt to correct the child's feelings, they are told that the child will likely commit suicide. Using this threat, many parents have been intimidated into silence...when a nation begins to abuse the children, judgment can't be far behind." - *"There is no darkness, nor shadow of death, where the workers of iniquity may hide themselves. • **"Andrew Bridgen: We are already at war with Russia"**

(Excerpt:) "'The only people who win out of [war] are the super-rich and it buries the poor', he said. During the interview, Mr. Bridgen also discussed: Covid measures and covid vaccines. The Post Office Horizon scandal. The infected blood scandal. The end of the fiat money system and the introduction of carbon credits to replace it. The mind games they played to silence him (or example, saying he was going to commit suicide). The corruption surrounding the purchasing of property for the HS2 project. Control of corporate media. Child trafficking in the UK. Illegal immigration. Indoctrination of children with gender ideology in schools. The European Union Defence Pact which the Labour Party, according to their manifesto, intends to sign the UK up to. The Pact will give the unelected European Commission full control of the British Army, Royal Air Force, Royal Navy, MI5, MI6, GCHQ, and access to the Five Eyes and our local police forces. If you live in the UK, Mr. Bridgen's exposé of the secrecy and cover-ups within UK politics is a must-watch from beginning to end." - Includes 2.05.47 hr vid (OAAO):

>  **"Steiner and the Blood Demons"** - *Only the blood of Jesus Christ can save souls! There's power in the blood of our Christ! The Son of God was crucified so that by receiving His free gift of eternal life, our soul is eternally saved, sanctified and reborn! PTL!*

(Excerpts:) "Given that it takes time for these malign spirits to work their way through human societies, it wasn't until 1914 when their malign influence manifested in human society in the form of the First World War – a disastrous event the cause of which still puzzles secular historians...The background to this power grab was the rise of atheism and the worship of science and progress...We can see how this scenario is being expedited...Free will? The implicit assumption is that this will be unnecessary once the AI powered algorithms – which know us better than we do – reach escape velocity...the spiritual world where entities such as angels, demons and archangels dwell is within the human blood. [Steiner] meant this quite literally, saying: 'Both the Archangels and the Angels had their dwelling place in the blood, as it were. Truly, the blood is not something merely for chemists to analyse; it is also the dwelling place of entities from higher worlds.' To that end, he speculated that the delivery mechanism will be in the form of a vaccine, injected directly into our bodies...This 'vaccine', he goes on to say, would block off any communication from the spirit world, meaning no messages or impulses would be able to get through from the 'spirits of light' whose aim is always to help humanity progress and fulfil our destiny. Positive impulses which were once transmitted to us would be permanently locked out by the vaccine, and instead the hapless victims would only be able to receive the impulses coming to them from disruptive sources,

which we can imagine today might include the media, the education system and even established religion. There would be great confusion, he says, and Ahrimanic forces will turn people's thoughts upside down and inside out. Everything that once was good and sensible will appear evil and crazy, while everything that was once considered insane and evil will be presented as sensible and good.":

>  **"The Much-Overlooked Symbolism in Roman Polanski's 'The Ninth Gate' - When 'The Ninth Gate' was released in 1999, critics found the movie pointless. But that's because they completely missed the point of the movie.** Through symbolism, 'The Ninth Gate' tells a story of occult initiation while commenting on the elite's obsession with Satanism. Here's a look at this much-overlooked movie."

(Excerpts:) "'The Ninth Gate' announces the coming of a new era...dubbed the Aeon of Horus, in which the worship of a single God is replaced by the desire to reach godhood through one's own means. That is the Luciferian way." - *Don't follow the crumb trail of the world, but the Christ trail to His Glorious Second Coming when the gates of hell shall be smashed! And King Jesus shall rule and reign over the earth with the tried-&-proven faithful of the Kingdom of God!*

>  *"Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort; Who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God. For as the sufferings of Christ abound in us, so our consolation also aboundeth by Christ." (2Cor. 1:3-5) God bless and keep us comforted and comforting! As one of my most favourite hymns says, "When other helpers fail and comforts flee, Help of the helpless, oh, abide with me." (Henry Francis Lyte)*

(1.) Abide with me, fast falls the eventide,
The darkness deepens, Lord, with me abide.
When other helpers fail and comforts flee,
Help of the helpless, oh, abide with me.

(2.) Swift to its close ebbs out life's little day,
Earth's joys grow dim, its glories pass away;
Change and decay in all around I see,
O Thou Who changest not, abide with me.

(3.) I fear no foe, with Thee at hand to bless;
Ills have no weight, and tears no bitterness.
Where is death's sting? Where, grave, thy victory?
I triumph still, if Thou abide with me.

(4.) Hold Thou Thy cross before my closing eyes,
Shine through the gloom and point me to the skies.
Heaven's morning breaks, and earth's vain shadows flee;
In life, in death, O Lord, abide with me.
