Flooded with flavours of fakeness!

Open your eyes, for God's sakeness!

The left and right wing are the same damn bird,

The same sick turd, dressed in altered words!

Open your soul to their politricks!

They're all paid pricks with compromised dicks,

Bitches drunk on fame and riches,

Parroting teleprompter pitches,

Blackmailed cunts, schooled in camouflaged stunts!

And it's your stupidity they really want

Dead or alive, to worship their asses,

Eating bugs or chewing on grasses!

They love and care about you NOT!

If you can't wake up now, what do you want?

To be their whore, their pimp, their slave?

Let's call them all out!

provide a fast-track method to funnel the "usable" ones off to pharmaceutical companies, so the luciferian laboratory witches and warlocks can dicker around with the bits and pieces for their dark-art drugs debauchery? Fetus tissues have been reported to be found in the makeup of vaccines and more! DYOR.

(Excerpts:) "The New York City Department of Health (NYC Health) is solidifying its erroneous stance that preborn babies are not human beings, as it plans to toss a requirement on how their bodies should be handled...According to the New York Post, in a unanimous vote, NYC Health has decided to throw away the requirement that babies aborted at or after 24 weeks (that's approximately six months of pregnancy) be treated as human beings and sent to funeral homes for a proper burial or cremation. Instead, the abortion facilities can keep the bodies on-premises to do what they please with them [As I mentioned above, they'll be selling the "usables" for profit!]...Premature children born as young as 21 weeks have survived, which means there's no possible way for a person or a health department to logically and successfully argue that these babies aren't alive before an abortion and aren't human — at least not without exposing their pro-abortion, pro-population control, pro-eugenic beliefs and biases, along with their apparent desire to keep women in the dark about what abortion truly is and what it does to human beings in the womb...'They're treating human beings like trash' [No doubt "inspired" by the Gaza genocide-killing carnival of live people!], said Jeanne Head, a retired registered nurse who has served as the National Right to Life Committee's representative to the United Nations. 'It's infanticide. They don't want mothers to know they killed their baby...if people were to see the bodies of aborted babies and realize how horrifically these babies are treated, it could create problems for the pro-abortion NYC government. And it will expose two truths: 1) human fetuses are human beings and 2) abortion violently kills them. The bodies of five babies aborted late in pregnancy and discovered in a medical waste bin outside of a no-rules abortion facility...exposed these truths...Abortion advocates have long thrived on the ignorance of the public when it comes to what abortion actually is and what it does. They have...dehumanized preborn children and propped abortion up as a legitimate 'health care' procedure. They have claimed photos of aborted children are 'fake' and have pretended that preborn human beings are nothing more than tiny white balls of fluff. But they're

not. They are clearly humans, and abortion is killing - not legitimate health care...*[And the babies can't run away from these demons! They are slaughtered, alive!]* The truth is that aborted babies in the U.S. have been thrown in dumpsters, dumped in landfills, flushed into sewers, kept in freezers, burned to create electricity, burned in fields, and stored in cars, homes and janitor's closets. Other aborted children have been sold piece by piece for their body parts... The bodies of the babies found in D.C. were allegedly set to be burned for energy in Baltimore before they were rescued from that fate...Once the rule officially changes, viable babies aborted late in pregnancy in NYC could be sent to rot in the city's landfills, sewers, dumpsters, and medical waste facilities, where they will be denied the respect owed to them. And their bodies — the evidence that they were human and violently killed — could disappear forever." - *No! Not forever! God knows and sees and will never forget His babies! Jeremiah 1:5 tells us that God knows us before He forms us in the womb. Psalm 139:13–16 speaks of God's active role in our creation and formation in the womb.:*

There are already court filings in Europe, which EU media and EU NGOs – nearly all in Soros' pocket – are trying to hide. It's also coming out that Von der Leyen – Germany's former defence minister – is pushing for the war, and killing all those tens of thousands of untrained Ukrainians dying in the minefields – apparently to enrich her friends in the weapons industries. Von der Leyen hints she has friends in NATO who can whack people dead if they don't shut up about her crimes...Von der Leyen, corrupt to the core regarding both covid vaccine contracts and her joining in crimes with Belgium and violation of Court Orders...under blackmail by foreign powers, and this is related to Von der Leyen's continuous posturing and promotion of military conflict in Ukraine.":

> 😡 **"Israeli soldiers tell story of savage cruelty in Gaza – one hidden from western publics - Women and children are being targeted intentionally, say Israeli whistleblowers. From ground troops to commanders, the rules of war have been shredded"** - Includes .40 sec vid

(Excerpts:) "For decades, the Israeli military has been implementing its inhumane policies towards Palestinians not just in the tiny enclave, but across the occupied West Bank and East Jerusalem too. Israel has been suffocating Gaza with a siege for 17 years. And since 1967, it has been suffocating the occupied West Bank and East Jerusalem with illegal settlements – many of them home to violent Jewish militias – to drive out the Palestinian population. What is new is the intensity and scale of the death and destruction Israel has been allowed to inflict... This week, Oxfam accused the new British government under Keir Starmer [*RATSm*er!] of 'aiding and abetting' Israel's war crimes by calling for a ceasefire from one side of its mouth while actively supplying Israel with weapons to continue the slaughter. The Labour government is also dragging its feet on restoring funding to Unrwa, best placed to address the famine in Gaza. At Washington's behest, Labour is seeking to block efforts by the International Criminal Court's chief prosecutor to issue arrest warrants against Netanyahu and his defence minister, Yoav Gallant, for war crimes. And there are still no signs that Starmer has any plans to recognise Palestine as a state, which would put a UK marker down against Israel's ethnic cleansing programme. Sadly, Starmer is typical of the West's snake-like politicians: flaunting his outrage at Russia's 'depraved' attacks on children in Ukraine, while keeping silent on the even more depraved bombing and starvation of Gaza's children. He vows that his support for Ukrainians 'won't falter'. But his support for Palestinians in Gaza facing a genocide never even started. The Palestinians of Gaza – and the occupied West Bank and East Jerusalem – are not just up against a law-breaking, savage Israeli military. They are being betrayed each day afresh by a West that gives such barbarity its blessing." - *"The words of the blessing of Enoch, wherewith he blessed the elect and righteous, who will be living in the day of tribulation, when all the wicked and godless are to be removed... And behold! > 🙄 *Whoah! This definitely is a "gross mishandling"! But with parishioners, in general, hanging on every word that their pastors say, this morphing of scripture is rampant! Dumbed-down congregations, with little-to-no knowledge of the Word in order to spiritually dissect and discern, are an accident waiting to happen!*

"Pastors address 'gross scriptural misinterpretation' of blood on ear"

(Excerpt:) "'This is an example of gross mishandling of Scripture', said Mobile-area pastor Derek Allen. 'We have to guard ourselves from letting our emotions take us to such places.'":

>  **"Microchips – A Threat to Health and Freedom"**

(Excerpts:) "It started with animals and has moved on to humans. People who predicted this development were ignored or branded conspiracy theorists at the time but the era of microchipping people is definitely here. But at what cost to our health and freedom?...The microchipping agenda will inevitably be relentlessly rolled out using various, dubious reasons to support it. A Finnish politician has suggested they could be implanted in welfare benefit claimants...People will be chipped to prove they are the citizens of the country they live in and to prove they are not on a potential terrorist threat...Fear is always a potent weapon to promote the program. Convenience is another one. If the people aren't frightened into accepting microchip implants, sheer laziness may suffice. The thought that by just waving their hand they can open doors, pay for goods at checkouts or get onto a plane without queuing...the technological advances in this field, such as smart dust and nanochips, we may not even know we have actually been chipped as these are capable of being dispersed into the air and can lodge themselves within our bodies without our knowledge. The plan is to eventually microchip us all*, whether it is by persuasion, stealth or compulsion...During the 'pandemic, in 2021, Sweden actually developed a chip to be used to store vaccine passport data. In 2022, the UK government announced a trial for electronically tagging some immigrants-a step closer to actual microchipping." -

"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: and that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. Here is the patience of the saints; here are those who keep the commandments of God and the faith of Jesus." (Rev.13:16-18; 14:12):
