• **"Houston-area Hindu temple unveils massive monkey-god sculpture"** - *At 90-foot-tall, it's now the third tallest statue in the United States! "Ye shall make you no idols nor graven image, neither rear you up a standing image, neither shall ye set up any image of stone in your land, to bow down unto it: for I am the LORD your God. Ye cannot drink the cup of the Lord, and the cup of devils: ye cannot be partakers of the Lord's table, and of the table of devils."* (Lev.26:1; 1Cor:10:21)

(Excerpts:) "...the statue is now the largest image of Lord Hanuman* the monkey god in North America. Lord Hanuman is said to be a loyal servant of the god Rama, and one of literally millions of gods recognized in Hinduism." - *"*Hanuman is a Hindu god whose shape is half-monkey, half-human. Hanuman is widely considered a perfected yogi, possessing [god-like!] eight siddhis ('mystic perfections'), which include anima (the ability to become smaller than the smallest) [ie, mRNA nano-bots?], mahima (the ability to become infinitely large), laghima (the ability to become lighter than air), prapti (the ability to instantly travel anywhere at will), prakamya (the ability to achieve whatever one desires ["All these things will I give thee, if thou wilt fall down and worship me." - Mat.4:9]), isitva (the ability to create or annihilate anything at will), vasitva (the ability to control the elements of material nature ["Wherein in time past ye walked according to the course of this world, according to the prince of the power of the*

air, the spirit [of Satan] that now worketh in the children of disobedience." - Eph.2:2]), and kamavasayita (the ability to assume any form or shape one desires ["And no marvel; for Satan himself is transformed into an angel of light." - 2Cor.11:14])."

> ✨ **"Counteracting the Globalist Cult-Imposed Chaos"**

(Excerpts:) "As we go about our daily business struggling to maintain some form of basic equilibrium, it does not occur to most that this nefarious torture regime has its roots in the work of a small but powerful cult which basically despises sentient mankind...Their chaos is deliberate and designed to elicit panicked public calls for 'order'; the imposition of which will be uncompromising. 'Order Out of Chaos' leads to totalitarian lockdown. Those 'only half' human, or non-human dictators who we witness today manifesting their seemingly infinite need to torture, control and destroy, are getting their dark energies from what Robert

Monroe, the late US researcher involved in the study of human consciousness, termed 'loosh'. What is loosh? Loosh is that form of vibratory energy manifest by emotional expressions, both positive and negative. Both emotionally expressed love and hate will give off loosh. But in the context of this article I refer to the vibrations given-off by fear, anxiety, anger and despair as providing a form of emotional food for the anti-life forces that show no emotion, no empathy and no interest in the victims of their vampiric full spectrum dominance agenda. It is profoundly shocking to suddenly recognise that the deeply sick satanic behaviour patterns that emanate from the exponents of loosh mining, have been adopted by very public icons at the top end of the music business, professional sport, global banking and related corporate empires, scientific institutions, politics, religion and increasingly psychotic multi billionaires seeking to exert their domination over all aspects of planetary life. **Such pulses will not do the desired job to those who are spiritually aware. Such individuals remain immune...**Are you true to yourself – your real self – or are you still essentially embracing the chaos that provides a fertile base for the hypocritical life so ubiquitously manifesting today?...Words unattached to actions have become empty and ultimately meaningless. Yet much of social media chat and smart-messaging is just that – an empty shell, and echo chamber that distracts from facing-up to reality and making a solid stand for the emancipation and regeneration of Life. The crisis now at our door presents the best and most meaningful challenge that mankind has ever faced. It quite simply drives us to dig deep and unlock that hidden power within...The longer we leave this battle ground uncontested, the longer the satanists will prevail and the longer will we suffer the repercussions of our passivity – which is, in fact, a form of soul suicide. No, dear friends, dare not entertain such a concept. Let us draw our symbolic golden swords [see Heb.4:12] and turn to face our oppressors head-on. At this highly auspicious moment, a previously latent power will rise up in us that transforms the ordinary into the extraordinary. That turns the timid silent witness into *courageous spiritual warrior.*":

"God's Power to Perform Miracles vs. Satan's Power to Practice Magic and Sorcery - God's Miraculous Power vs. Satan's Magical Powers"

(Excerpts:) "Western culture, and in particular American culture, can trace its origins back to Europe and the time period known as the 'Age of Enlightenment' in the 17th and 18th centuries...much good came out of this period, particularly the translation of the original languages that the Scriptures and the ancient texts that comprise the Bible were written in, into the vernacular languages of the 'common people' so that religious 'experts' were no longer needed to interpret or explain what the Bible, which was then, and still is today, used to enslave the masses. But much evil also came out of this period of history. This is the period of history where Freemasonry was spreading throughout the UK and Europe with

Masonic Lodges and 'secret societies' which, in spite of the emphasis on rationalism and empiricism in the higher academic institutions that emphasized the physical world over the non-physical world, taught and practiced many spiritual teachings that were considered too advanced for the 'uninitiated'. The most dangerous teachings that came out of this period of history, by far, were the teachings that accepted the theories of Charles Darwin, and his theory about the origins of man known as biological evolution. The teachings of Darwin were also adopted by the Christian Reformers in religious academics, and one of the most evil doctrines developed by Reformation Theology was the doctrine known as 'Cessationism', the teaching that the miraculous power of God, on display in the Scriptures from the first book to the last book in the Bible, no longer applied in 'modern times'. B. B. Warfield (Benjamin Breckinridge Warfield – November 5, 1851 – February 16, 1921) is the man credited with developing the teaching of Cessationism theology...The predominate Christian religious theology that incorporated Warfield's teachings and is largely taught in Christianity today is 'Dispensationalism' theology, the belief that God changes the ways he deals with the human race through different historical 'dispensations'. Cyrus Ingerson Scofield* (August 19, 1843 – July 24, 1921), a contemporary of Warfield, is one of the founders of this theology, and Scofield [*Scofield taught that the Lord's prayer was a Jewish prayer and ought not be recited by Christians!*] is also credited with modern-day Christian Zionism, the belief that the physical Jewish people, and the physical city of Jerusalem today, is at the center of Biblical prophecy for the future. He adopted the Reformed theological teachings of Warfield on Cessationism into his Scofield Study Bible, which printed his biased theological beliefs onto the actual pages of the Bible in footnotes. The result of this false Christian theological teaching since the Reformation period is that Western Culture has exalted the physical world and the physical part of humans, the physical body, while either denying or ignoring the non-physical world, and the non-physical, or 'meta-physical', part of humans...Most Christians today have zero to little concept of Satan's magical powers...The Zionist Dispensationalist doctrine of Cessationism is perhaps the most evil and dangerous Christian belief in the history of the world, and once you understand this, you will understand how people who claim to follow Christ can be so deceived that they participate in Satan's magic and sorcery which is marked by lies, hatred, and murder. Most Christians today are 'bewitched' just like the 'believing' Jews who were 'bewitched' in the First Century by the 'Circumcision Party' (Zionists), as they are literally under a magic spell that prevents them from knowing the truth. Those of

us who grew up in western culture have been conditioned to believe only in the natural, physical world, and ignore or deny the realities of the spiritual world, of which we are mostly ignorant. Most Christians today are only rational, intellectual Christians who claim to follow Christ, and have almost zero discernment in spiritual matters...Dark and evil days are just ahead, and without the power of God in your life, you will be left helpless before the power of Satan.":
<https://healthimpactnews.com/2024/gods-power-to-perform-miracles-vs-satans-power-to-practice-magic-and-sorcery/>

**(Excerpt from Key Updates #126/29 Feb:) John Nelson Darby (1800-1882) is credited with originating the "secret rapture" theory, wherein Christ will suddenly remove the Church from this world before the judgments of the great tribulation begin, spoken of in the book of Revelation. Darby greatly influenced Cyrus Ingerson Scofield (1843-1921) who also incorporated this false doctrine into the notes of his Scofield Reference Bible. In 1901, four years after the Zionist Congress in 1897, the powerful Zionist Samuel Untermyer funded Scofield to write his reference "bible". Untermyer also approved Scofield's membership into an exclusive club for the financial and literary elite called "The Lotus Club". Its members were atheists, communists, eugenicists and people that normally a "Christian theologian and pastor" would never have anything to do with. The Scofield Reference Bible was first published by the Zionist-affiliated Oxford University Press Oxford University Press in 1909, only a few years before World War I, a war that destroyed a cultural optimism that had viewed the world as entering a new era of peace and prosperity. One million copies were printed by 1930, firmly establishing his theory into different denominations and Bible schools of the United States in the 20th century. "What Darby planted, Scofield watered", said researcher James Perloff. Thus by plagiarising Darby in his footnotes of his reference "bible", Scofield included a Zionist commentary on the very pages of the King James Version of the Bible!*

"Fascism 2.0 – Globalism and the subjects of interests"

(Excerpts:) "It's important, I think, when having this kind of a discussion, to avoid falling into the trap of talking about a conspiratorial nebulous 'they' without adequately defining who 'they' are because such thinking leads to imprecise and ill justified reasoning and can, quite rightly, lead to the accusation of conspiracy theory style thinking. So I will define exactly what I mean by globalism and globalists. Your own definition may differ, but this is what I mean. Globalists possess extreme wealth, typically in the billions, and can live anywhere in the world they choose. They have diversified international business interests...inhabit a rarified and incestuously small community...the most influential power brokers have drawn closer together, breaking down barriers of geography and physical location. Globalists are in the enviable position that they, unlike the common citizen, are able to leverage tax and legislative competition between countries...the more revealing way to view globalism is by looking at the subjects and policy areas in which Globalists show greatest interest. And those are: Environment: Man-Made Global warming / Global Health Security (World Health) / Banking and International Finance / Central Banking Digital Currency and Digital Identity / Regional economic development / Defence (arms manufacture and supply) / Population and migration. ...Do you notice a common thread? One consequence of the pandemic period was that people began to wake-up to the fact government policy can be implemented at the drop of a hat that will hand billions trillions of dollars to corporations owned by those who are already the wealthiest in the world. Through pandemic policy, the extent of the handover was so fast, so brazen, so deeply affecting our lives, it could hardly be missed...The many ways in which they take money from you and me without the policies first having been produced through a clear democratic process are legion. When you start to break it down, the 'scam' is so vast, it's difficult to grasp it all." - "*Evil men understand not judgment: but they that seek the LORD understand all things.*" (Prov.28:5):

defence exporters; that the Middle East was the largest market for UK defence exports over 2018-2022, accounting for 43% of the trade (do you really think ANYone involved in this industry, in every complicit country, wants peace there, being that war is so lucrative?). Sadly, it appears that women and children are a means of target practice and arms experimentation for the Devil's deputies of death!

(Excerpts:) "This is a very short summary of the political economy of the arms trade. Like many things, the arms trade is more complicated than you think. But surprisingly, the more that you find out about it, the more sordid it actually appears. This is a story with few heroes, 'it is a tale told by an idiot, full of sound and fury, signifying nothing'. Except the idiot has a brown paper envelope full of bribe money, and it signifies pitiless death, on a large scale...In the 5th Century B.C.E, Herodotus, the Greek historian, observed that no one is insane enough to prefer war to peace. I'm not sure this accurately reflects human history, either before or after Herodotus, and it certainly doesn't resonate with the reality of those in the arms trade, the pusher men.":

(Excerpts:) "Story at a Glance: • Vaccines often cause various side effects, making it hard to identify common causes...vaccines frequently trigger microstrokes, which can lead to a myriad of acute and chronic diseases. • ...blood cell clumping is a root cause of many diseases—a belief also shared by Chinese Medicine. • Colloidal chemistry and zeta potential science reveal that positive charges around blood cells cause clumping. Agents with concentrated positive charges, such as aluminum and the COVID spike protein, are especially problematic. • Improving the physiologic zeta potential benefits a wide range of acute and chronic illnesses. A strong case can be made that many conventional and holistic therapies work in part by enhancing zeta potential...Many medical problems stem from the diagnostic approach of physicians, especially with complex illnesses, which are often misdiagnosed and lead to ongoing patient struggles. Complex conditions can present with varied symptoms across patients and resemble other illnesses (e.g., fibromyalgia vs. chronic fatigue syndrome). In turn, poorly trained physicians often default to psychiatric explanations,

overlooking the true causes. Vaccine injuries have a wide range of symptoms and hence have confused [*"God is not the author of confusion, but of peace." "No society wants you to become wise: it is against the investment of all societies. If people are wise, they cannot be exploited." (Osho) "Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding. For I teach thee the ways of wisdom; and I cause thee to go in right paths. For when thou goest, thy steps shall not be straitened; and when thou runnest, thou

shalt not be distressed. Take hold of My instruction; let it not go, but keep it for thyself for thy life. Go not in the ways of the ungodly, neither covet the ways of transgressors. In whatever place they shall pitch their camp, go not thither; but turn from them, and pass away. For they cannot sleep, unless they have done evil: their sleep is taken away, and they rest not. For these live upon the bread of ungodliness, and are drunken with wine of transgression. But the path of the just is as the shining light, that shineth more and more unto the perfect day." "Majority of Senate Vote to Deny Medical Care [aka: kill] to Dying Babies Born Alive After a Failed Abortion" - Includes 6.34 and 1.27 min vids

(Excerpts:) "Before this motion of urgency, it was somewhat unknown how the Senate would respond to the plight of babies born alive after an abortion. Now that the Senate has been forced to vote on the issue, it is on public record. Senator Babet and the 17 senators who supported his motion of urgency for medical care for unwanted babies born after a failed abortion are to be congratulated. A motion by Senator Ralph Babet to acknowledge that babies born alive after an abortion deserve medical care was defeated in the Senate 18 to 32 yesterday, Tuesday 20 August. Four Liberal and 28 Greens and Labor senators united to oppose the motion of urgency acknowledging this humanitarian crisis. In his opening speech, Senator Ralph Babet began, 'This should not be a contentious or controversial concept. It is the very minimum of decency, the very least that we should do as people who like to think of ourselves as civilised...I cannot for the life of me understand how we can bang on every single day in this place about the importance of human rights while allowing the most vulnerable human beings to be treated like garbage.' Widely viewed on social media was the occasion when Greens Senator Sarah Hanson-Young made a vomit gesture at Senator Babet while he spoke these words, 'Whatever one's view is on the merits or otherwise of abortion, once there has been a birth, medical practitioners are dealing with a living, human being. A person. An

Australian. Who should have the same rights under law as you or I...A society that refuses to care about the suffering and death of babies is one which is destined to fall. To be unmoved by the plight of a helpless child, especially when it is within your power to render assistance, is to lose your own humanity. It is evidence of a sickness at the very core of one's own being. What kind of darkness has overtaken the hearts of people when they can march through city streets chanting for the right to kill a baby in the womb while remaining silent on the right of babies born alive and left to die."

> 🌟 **"20 THINGS YOU DON'T KNOW ABOUT POLIO" - This is HOT! Excellent, insightful and needful incentive to not be ignorant of the Devil's devil€€\$!**

(Excerpts:) "Before DDT spraying, there was ARSENIC spraying! In 1929, almost 30 million pounds of lead arsenate or calcium arsenate were sprayed in the fields and orchards of America. In fact, the government was so enthusiastic about the use of arsenic, that in 1935, an FDA-hosted radio program suggested the old nursery rhyme 'A is for Apple' should be changed to: 'A is for arsenate, Lead if you please, protector of apples against arch-enemies.' In 1919, Boston Health Department was forced to destroy arsenic-coated apples because people were getting sick. Scientists say the earth is still tainted with the residue, and believe lands once used to raise cotton, is now responsible for arsenic found in rice. Arsenate pesticides were officially banned in the US, in the 1980's, but 'modified arsenates' are still used on cotton crops today. China, meanwhile, kept using

arsenate sprays beyond 2000, and it is suspected they are still using them illegally. Note the symptoms of acute arsenic poisoning = fever, vomiting and nausea, headache, sore throat etc. Chronic poisoning = polyneuritis and paralysis, especially in the extremities...Franklin D. Roosevelt, who was crippled by 'polio' in 1921, at age 39 years, also owned an apple orchard where the family used to spend their summers, and he used to swim regularly in the pond nearby...At the time, mostly children were affected, and it was considered rare for adults to have 'polio'. POLIO is a man-made disease caused by heavy metals exposure, not a virus...the entire history of polio and vaccines was fabricated. The polio con job, ranked as 1 of the top 10 medical con jobs of all time...The reason so much effort is placed into medical con jobs like this is to continually infuse the public with false fear regarding viruses that don't exist, and also to provide false hope and blind faith belief in toxic vaccines and poisonous medications, which only worsen a population's overall health status...this is when a confused citizen needs to investigate EUGENICS and the history *[and families - [DYOR!]* behind that movement. The end result is the same, regardless of medical ambush. The elite groups who organize such fraud based operations increase tyrannical control over a diseased, die-empowered, depressed, dis-satisfied, dis-oriented and dumbed down population. Such a population is easier to control, steal from, manipulate and govern. It's not really about polio or viruses, it's about poisoning the population into a chemical lobotomized state that ends with increased elite domination and iron fist control. How did 80% of North Americans come to become extremely unhealthy in our most technologically advanced era?...because this has always been the design of the system. The ruling of 8 billion people by an extremely small group of 10,000 can only be achieved when that 8 billion operate in perpetual chaos...physically, economically, mentally and spiritually...Some very interesting beliefs of Jonas Salk are exposed throughout the book...'Survival of the Wisest Book Review - Father of Vaccines Jonas Salk'...and you best be sitting down when you do. Salk openly endorses the medical system and associated power groups kill at will to achieve this groups' very dark goals."

What our leaders and mainstream media peddle as the truth is often misinformation...and what is really the truth is smeared as misinformation. Furthermore, attention spans have narrowed so significantly that even when the truth is hard to cover up, the populace can be distracted with a barrage of information unrelated to the problematic topic...In this never-ending exhausting stream of 'information', the brain tires and the default of emotions rises with logic taking a back door. It's far easier to be emotional than logical. This plays into the hands of, in particular, [the delites] masquerading their greed as virtue. Reality has been replaced by false messaging and imagery to such an extent that one cannot distinguish between fact and fiction...We are ruled by a nefarious group of individuals that have an unquenchable thirst for power, control, and money. (Excerpts:) "No state on Earth has been able to inflict so much damage to the Israeli economy as the State of Israel itself, and the result is growing indications that the Israeli economy has reached an impasse, with no path forward as long as the state remains an apartheid [*Christ-hating, yet milks Zio-praising Christians for millions!*] Zionist state...Over 46,000 businesses have gone bankrupt, tourism has stopped, Israel's credit rating was lowered, Israeli bonds are sold at the prices of almost 'junk bonds' levels, and the foreign investments that have already dropped by 60%...The majority of the money invested in Israeli investment funds was diverted to investments abroad because Israelis do not want their own pension funds and insurance funds or their own savings to be tied to the fate of the State of Israel...Israeli newspapers are full of articles about the exodus of educated Israelis...Two senior Israeli economists, Jugene Kendel and Ron Tzur, published a secret report in which they predict that Israel will not survive to its 100th year. The report is kept secret because they do not want it to become a self-fulfilling prophecy...Three Israeli historians, two Zionists and one anti-Zionist, have declared that the Zionist project has come to an end. When a critical mass of Israelis, regardless of their political opinions, become convinced that Israeli apartheid has become unsustainable, they will no longer agree to invest energy and money and risk their lives and their families for the sake of the Zionist project. They will seek out a better future for themselves, as every sane person would."

>  **"Something's Coming, We Don't Know What It Is But It Is Going To Be Bad"**

(Excerpts:) "I wish I were not compelled by conscience to write this, but it seems clearly evident to me that we stand on the edge of an abyss. The fate of the world rests in the hands of leaders who are clearly psychotic [*Satan-worshippers*] and who harbor death wishes...Yes, like other mass killers, I think they love their children and give their dogs biscuits to eat. But yes, they also are so corrupted in their souls that they relish war and the sense of false power and prestige it brings them. They gladly kill other people's children. They can defend themselves many times over, offer all kinds of excuses, but the facts speak otherwise. This is hard for regular people to accept."

>  **"The Political Matrix Sustains the Illusion of Freedom":**

(Excerpts:) "In reality, we are caught somewhere between a kleptocracy (a government ruled by thieves) and a kakistocracy (a government run by unprincipled career politicians, corporations and thieves that panders to the worst vices in our nature and has little regard for the rights of American citizens)...As Rod Sterling, creator of the Twilight Zone and an insightful commentator on human nature, once observed [*A truism indeed!*], 'We're developing a new citizenry. One that will be very selective about cereals and automobiles, but won't be able to think.'":

"And [the antichrist/Beast system] causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six." (Rev. 14:16-18):*

*"Behold, I am the Lord, the God of all flesh: is there any thing too hard for Me?
Ah Lord God! Behold, Thou hast made the heaven and the earth by Thy great
power and stretched out arm, and there is nothing too hard for Thee.
Great is the Lord, and greatly to be praised; and His greatness is unsearchable.
Turn us again, O Lord God of hosts,
cause Thy face to shine; and we shall be saved."
(Jer.33:27,17; Psa.145:13; 80:19)*
