> 🌟 **"Evangelicals 'More Likely to be Shaped by Culture Than to Influence It'...[they're] 'taking their cues from the media' — which also happens to be one of the primary forces seeking to silence Christianity" - WOW! *If this makes us Christians feel uncomfortable, so it should!***

(Excerpts:) "George Barna, director of research at Arizona Christian University's Cultural Research Center, released new data earlier this month that 'reveals the limitations of Christian evangelicalism in American society...The depth of the depravity is shocking...decline is a direct result of the spiritual collapse of Christianity in the nation'... many evangelicals 'don't really buy the Bible at face value. Many of their beliefs are not consistent...they're not buying into what the Bible teaches and they're not living it out...they struggle in the sense of trying to apply those core principles of the Bible to everyday situations...issues such as abortion, transgenderism, and so forth' are 'where evangelicals really struggle' *[Because they've compromised and are weak in the Word!]*...evangelicals are significantly unlikely to speak with people who hold different opinions than them *[Because they're afraid of the opinions of men! Jer. 1:8a says, "Be not afraid of their faces"!]...*don't have a biblical worldview, and they are not being salt and light in their communities...believers concerned about being bold in their faith can understand how they must strive to center their lives on 'obeying biblical principles...loving other disciples...producing spiritual fruit' and 'loving God far beyond anything else in their lives." - *Amen! If this ain't a battlecry, then what is?! God help us all to keep being faithful to front up for Jesus Christ! "If ye continue in My Word, then are ye My disciples indeed. (Jn.8:31) Not some of the Word! ALL of the Word! If one is **TRULY** following Jesus, if one is wholly in love with Jesus and loyal to Him, one must be prepared and accept gladly to not be loved by the world! "If the world hate you, ye know that it hated Me before it hated you. If ye were of the world, the world would love his own: but because ye are not of*

*the world, but I have chosen you out of the world, therefore the world hateth you." (Jn. 15:18-19) And also to not love the world! Yes, love the lost souls, but not the world!! "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever." (1Jn.2:15-17) The difference between WORLD and WORD is one letter: L! LUCIFER! He is in the world and currently the god of this world (see Mat.4:9), but not of the Word! God help us to be aware of cafeteria-style, pseudo-Christians who put that L in the Word!:*

(Excerpts:) "Effective July 2025, teacher licensing rules passed last year in Minnesota under Democrat Gov. Tim Walz will ban practicing Christians, Jews, and Muslims from teaching in public schools...Starting next July, Minnesota agencies controlled by Walz appointees will require teacher license applicants to

affirm transgenderism and race Marxism. Without a teaching license, individuals cannot work in Minnesota public schools, nor in the private schools that require such licenses...Christians who do so publicly deny their faith, something Jesus Christ said endangers a person's soul and eternal bliss after death: 'Therefore whoever confesses Me before men, him I will also confess before My Father who is in heaven. But whoever denies Me before men, him I will also deny before My Father who is in heaven.' (Matthew 10:32-33) Minnesota's teacher requirements, therefore, force Christians, Muslims, Jews, and adherents to other religions to violate their faith and endanger their hopes of eternal life in order to work in government-run schools...Walz is poised to make similar bigoted, totalitarian, and unconstitutional policies across the United States should he be elected vice president.":

• **"Vaccination Campaign in Gaza: Polio Eradication or Transition to Bio-Warfare?"** - Mike Whitney explains how Netanyahu and the World Health Organization may be about to take the genocide in Gaza to a whole new level!" - Includes 1.27 and 1.37 min vids

(Excerpts:) "The campaign is going to be 'conducted in coordination' with that great humanitarian organization, the Israeli Defense Forces. How does that square with the fact that Israel regards Palestinian children as Amalek?...And why in heaven's name would Netanyahu agree to 'a weeklong humanitarian pause in Gaza' when he brazenly rejected the Biden-backed ceasefire, the UN Security Council-supported ceasefire, and the relentless appeal for a ceasefire from the vast majority of countries around the world? How did the WHO persuade him to change his mind when all the others failed?...Netanyahu would never agree to a humanitarian pause unless it helped to advance his own political agenda, which is the total expulsion of the native population...Which is why we suspect that there is more here than meets the eye. Would it surprise you to know that vaccines have been used in Africa, Nicaragua, Mexico and the Philippines as anti-fertility drugs? Would it shock you to know that western elites have used vaccine campaigns to target people who didn't realize that they were being used as lab rats in a nefarious eugenics experiment?...the WHO is a tyrannical global government accountable to no one..if the WHO is teaming up with Netanyahu to vaccinate hundreds of thousands of Palestinian children in Gaza, we can be reasonably certain that they're up to no-good.":

• **"Gaza and Polio"** - *In the last few years public health has been used as a very effective weapon of war against an unsuspecting public. Is it about to be in a similar fashion in Gaza?*

(Excerpts:) "Polio is a condition that is often confused with the catchall 'acute flaccid paralysis'. Acute flaccid paralysis may even be the result of injection of polio 'vaccines' [In other words, vaccine injury!], but it is not polio. The polio vaccine can and does cause acute flaccid paralysis...a form of paralysis caused by human exposure to neurotoxins introduced in the 20th century -- for example, mercury and aluminum adjuvants used in vaccines, leaded fuel, fluoridated water, pesticides and herbicides like arsenic, DDT, dioxin, and glyphosate. DDT was in widespread use in the 1950s. When it was banned, the high numbers of 'polio' cases went down...in 1955, vaccines produced by Cutter Laboratories

ended up causing 40,000 cases of polio, severely paralyzed 200 children, and killed 10...A new term was coined to describe a common effect of the covid injections: 'turbo cancer'...will the parents of the one million children in Gaza be given complete information about the contents of the polio vaccine their children are about to be given? Will there be a full explanation about risks and possible side-effects? Will the parents have any understanding of the negative history of polio vaccines or of vaccines in general? Will they have the informed consent required in any medical intervention? Will they be given redress for any injuries? No, not a chance...The Gaza Health Ministry and Hamas are surely busy enough dealing with zionist genocide, but they need to know that in the last few years, public health [Hellth!] has been revealed as a very effective weapon of war. The US Department of Defense had a leading role in the worldwide biowarfare operation known as 'covid 19 countermeasures'. The WHO and the UN were very much involved in this operation. They are not to be trusted. Like the US government, these supposed humanitarian organizations speak from both sides of their mouth – calling for ceasefire while doing **nothing** to stop the weapons that every day kill more Palestinians. They know that the best way to protect the children of Gaza is to bring good nutrition, clean water, clean air, housing, and an end to the trauma of psychopath Israel's daily bombing, yet they do nothing meaningful to bring this about. They are not offering aid with their polio vaccines; they are offering more poison.":

● **PAUSE:** *Let's think about the above two items, do some dot-to-dot, and exercise our eyes to see and our ears to hear! I've said it before, others have said it before, and I will say it again and again and again: The Left AND the Right Wing/Side/Instigators/whatever you want to call it/them are the same bird!—The same bird of prey! Why have BOTH the Zios and Hamas agreed to this ceasefire to allow the children (who have thus far barely survived the almost-one-year-of gruesome genocide) to be stabbed with Pharmakeia? The answer is in the chasm of the unthinkable, camouflaged in the uncomfortable category! And ponder as to why Russians and Ukrainians are duking it out, when they are literally genetically the same people? Kievan Rus (862-1242) was a medieval political federation located in modern-day Belarus, Ukraine, and part of Russia. (Excerpts:) "In short, the Jews and the Christian Church are mutually counter-initiative. The Church waits and fights for Christ, and the Jews wait and fight for Antichrist. That's why there can never be peace betwixt them; they are at eternal war. And unexpectedly the Jews are winning this war. The signs of their victory are clear. While we may be considered stunning and brave when we air our doubts about Christianity or publicly deny the Crucifixion/Resurrection, we risk a jail sentence if we betray a doubt about the Holocaust, the Jewish parody of the Resurrection. Holocaust Denial and other forms of free speech have been criminalized even in Sweden, supposedly the freest European state. The Jews even stole the name of 'Israel', which belongs to the Christian Church. The Jews were allowed to financially promote a heresy called Christian Zionism, now openly flexing its power in the US. Christian Zionists are the kind of Christians who dream of crying 'Crucify Him' alongside the Jews. The Jews are currently promoting a limited revival of racialism, so that they might bring new life to the

silly word anti-Semitism. It's high time to return to old terms: the Christian Church is the true Israel, while the Jews are enemies of Christ – and this eternal enmity has nothing to do with race. Race and Zionism has been injected into Christ's Church by the Jews to herald the arrival of their Antichrist...There can be no downside to denying Antichrist...Christ is King!":

The Israeli-Palestinian publication +972 magazine described a system called Lavender being used by Israel. This is reportedly an AI-based target recommendation system coupled with other automated systems, that tracks the geographical location of the identified targets...it would be prudent to consider whether placing excessive trust in computer systems, along with the potential for the erosion of humans' sense of moral agency, could also affect target acquisition systems. After all, margins of error, while statistically small on paper, take on a horrifying dimension when we consider the potential impact on human lives. The various resolutions, agreements and legislation on AI help provide assurances that humans will act as an important check on AI. However, it's important to ask whether, after long periods in the role, a disconnect could occur whereby human operators start to see real people as items on a screen."":

I know that the anger I feel at the dominant system, my gut feeling that what we are talking about is indescribably evil, is not merely individual, but widely shared...we are increasingly experiencing, together, a powerful collective realisation of what is ruling over us and how vital it is that we [King Jesus will!] end its evil reign...the corrupt heart of the criminocracy is Rothschildian...this reality has become even more visible thanks to events in Gaza. It is obvious, from the carte blanche given to Israel for its genocidal activities, and from the smearing of anyone daring to speak out against the bloodbath, that the global criminocracy is aligned with Zionism and Israel...No family is more closely associated with the Zionist/Israeli entity than the Rothschilds...the assumed division between 'right' or 'far right' and 'left' or 'far left'...are false categories, designed to limit people's critical thinking, close down proper discussion and pit us all up against each other rather than against the criminocracy...the agenda behind all modern wars is the same as that behind the Great Reset, Fourth

Industrial Revolution, New World Order or whatever else you choose to call it...The global criminocracy's ongoing domination of our societies depends on deceit – constant, blatant deceit in every sphere. Its biggest lie of all is that there is no alternative to the dehumanised, centralised and degraded future it has lined up for us." - *A lie indeed! (Excerpts:) "We are in a crisis-period of death throes of an established global financial and military power structure...now collapsing from internal corruption consuming it like widespread cancer...Two days ago I posted 'BOE Needs World War Three' <https://drjohnsblog.substack.com/p/boe-needs-world-war-three>, which makes the case that the City Of London global financial interests are badly over-extended on their failing leveraged bets, calculated to profit from the political and economic collapses of Russia and Ukraine in such a way as to asset-strip both countries for further leveraged loans, and the payment of debt-service on these large, leveraged debt-bets. I was surprised to see that the post had garnered 14,400 views in about 6 hours, which is 10X what my typical post might get in 24 hours...We are in an epoch where all constraints have been removed\* from the global elites. Appearances are much less important than the retention of raw power this year as their cancerous system consumes itself." - *I highly suggest looking herein to pursue the numerous extremely informative headlines of links and sources provided in this article, so to chose which ones you wish to investigate further to stay fully abreast of the ensuing evil erection of the Beast's system!:*

\* *"I expect you remember now how I talked about this when I was with you. You will probably also remember how I used to talk about a 'restraining power' which would operate until the time should come for the emergence of this [antichrist]*

man. Evil is already insidiously at work but its activities are restricted until what I have called the 'restraining power' (of God) is **removed**. When that happens the lawless man will be **plainly seen**—though the truth of the Lord Jesus spells his doom, and the radiance of the coming of the Lord Jesus will be his utter destruction. The lawless man is produced by the spirit of evil and armed with **all** the force, wonders and signs that falsehood can devise. To those involved in this dying world he will come with evil's **undiluted** power to **deceive**, for they have refused to love the truth which could have saved them. God sends upon them, therefore, the **full** force of evil's delusion, so that they put their faith in an **utter fraud** and meet the inevitable judgment of all who have **refused** to believe the truth and who have made evil their play-fellow." The West Bank is, of course, where the city of

Jerusalem lies, and Muslim nations were outraged today when Israeli Minister of National Security Itamar Ben-Gvir stated that he wanted to put an Israeli flag and build a synagogue at the Al-Aqsa Mosque compound, Islam's third most holy site. (Excerpts:) "I would argue that the Atlantic Council [See KUs 124, 129, 130 & 141 that mention this den of devils!] is the primary globalist 'influencer' in the Ukraine war – The source for the majority of strategic decisions and propaganda. Their support of the 'Three Seas Initiative' since 2014 has been the driving force in the effort to bring Ukraine into the EU and NATO (the primary reason why the war started in the first place)...It's the Atlantic Council and their media contacts, in my opinion, that are pushing for large scale missile strikes into Russia. They are also the source for the claim that Putin's red lines are a fake out...The timing of the Kursk offensive and the call for missile strikes on Russia is not a coincidence. Trump claims that his intention is to end the Ukraine war as quickly as possible once he enters office. This will likely mean a leveraged peace settlement that will involve Ukraine giving up the Donbas region to Russia. If Trump is sincere, then there are many elites in the Atlantic Council, the WEF and NATO that will not be happy. They need to escalate the war into something bigger, something that can't be undone. Right now, the war can be ended – All it takes is some diplomacy and forcing Ukraine to understand that they're not going to get the Donbas or Crimea back no matter how many lives they sacrifice. But if there are massive civilian casualties on either side, the situation becomes irreversible. I suspect this is what the globalists want.":

> 🌟 **"Anunnaki Revealed: Who Were These Beings of Ancient Astronaut Theory?"** - *The WORD tells us the Truth, always! And Apocrypha books, such as Enoch, were deliberately removed from the Bible by the delites so as to dumb down Christians and leave people clueless to some of the most important Word-based truths!*

(Excerpts:) "The modern era has witnessed an incredible surge in the popularity of all forms of media concerning the mythology of the ancient Mesopotamians. Fueling this ever-growing trend are the writings of a number of researchers who propose connections between several Sumerian myth cycles and the theory that the human race was engineered or created by a group of extraterrestrial beings...The concept of a group of half-divine beings born of mortal women is very similar to the Biblical and extra-Biblical tradition of the

Nephilim. One of the most heavily referenced ancient texts which describes the Nephilim is the Extra-Biblical Book of 1 Enoch attributed to the patriarch Enoch, son of Jared and father of Methuselah. 1 Enoch is considered an apocryphal text today, and is rejected by most mainstream theological [successfully zombified] establishments, but **this was not always the case**. Many of the early Church Fathers, such as Athenagoras, Clement of Alexandria, Irenaeus, and Tertullian accepted the book as scripture, and fragments of 10 copies of 1 Enoch in Aramaic have been found among the Dead Sea Scrolls. 1 Enoch is also quoted in the Biblical Book of Jude, and it has been estimated that there are as many as several hundred more references throughout the New Testament itself...The most famous portions of 1 Enoch feature an elaboration on certain events before the deluge recorded in the Bible (specifically Genesis chapter 6, verses 1-4). According to 1 Enoch, a group of 200 fallen angels known as the Watchers, led by an individual named Semyaza (or Semjaza) descended upon Mount Hermon, where they swore an oath to father lineages with human women. Each of these 'took unto themselves wives, and each chose for himself one, and they began to go in unto them and to defile themselves with them', a union which resulted in the birth of 'great giants'. These giants eventually 'consumed all the acquisitions of men', and, 'when men could no longer sustain them, the giants turned against them and devoured mankind'. (1 Enoch, Ch. 6-7) These activities provoke the action of God, who curses the giants to war against one another 'that they may destroy each other in battle', and sends the archangels to bind the Watcher leadership 'in the valleys of the earth'. (1 Enoch 10) As is well known today, the Hebrew texts refer to the powerful beings born to the Watchers as The Nephilim...Scholars have found profound similarities between the mythologies of the Anunnaki and the Nephilim." - *Will the Antichrist ride on to the scene, using some or all of this "theory that the human race was engineered or created by a group of extraterrestrial beings"? This article helps, imo, to get our bearings on who, where, when, why and what really happened during the pre-flood (or "antediluvian") world! The first half of Genesis chapter 6 offers info as to what the world had become, which warranted the ensuing Flood (and Jesus said, "just as life went on in the days of Noah, so will it be at the coming of the Son of Man." [Mat.24:37 Phillips] - His return!), but minus the vitally important details only found in the Book of 1Enoch!:*

This week, Pfizer announced the launch of PfizerForAll, a direct to consumer platform that helps the pharma giant to further monetize the sniffles, but with better margins, because it cuts out the middleman that is the doctor-patient relationship. 'Research shows that many people in the US are overwhelmed by the abundance of online health information, especially when they are already ill, have questions, and need to make the best decisions for themselves and their loved ones', wrote Pfizer CEO and scam artist Albert *[Baphomet-dealer!]* Bourla on X, in announcing the new online product. Resheph was worshiped especially at Ras Shamra, Byblos, and Arsūf (later Apollonia, near modern Tel Aviv–Yafo).*

(Excerpts:) "...the mass vaccination program will cause provocation polio – crippling a certain percentage of the children and leaving their immune systems vulnerable to other infections. As the Palestinian communities collapse – with sewage, rubble and blood backing up into their drinking water – the only thing global governments can think up is a plan to round the children up and inoculate them! Forget that they are in survival mode, starving, injured and living in filth without access to nutrition or medical care...Studies have shown that certain types of polio vaccines can lead to complications, including vaccine-associated paralytic poliomyelitis (VAPP), particularly in environments with poor sanitation and inadequate healthcare infrastructure. Once this vaccine mission is complete in Gaza, Israel is expected to go back to bombing the region, as damaged immune systems, nervous systems and vaccine-associated paralytic

poliomyelitis takes its toll. The vaccine campaign is a global act of virtue signaling that uses the Palestinian children as props. The vaccine campaign is really just child exploitation, a cold and calculated endeavor.":

> 🔍 *Sabrina Carpenter is an industry plant whose success was artificially induced. Here's a look at the messages pushed by the elite's current 'it' girl. Whilst some may find this post distasteful, I believe it's important to "not be ignorant of the Devil's devices" (1Cor.2:11) and to always keep an eye on what is and what idols are being pushed on and fed to the unsuspecting public, especially the young, pliable, and gullible! In other words, just as the serpent supplanted into Eve's mind, and consequently into Adam's, what is being pushed to be tasted!*

**"Music Business - Something's Terribly Wrong With Sabrina Carpenter and her Video 'Taste' - Sabrina Carpenter is an industry plant whose success was artificially induced.** Now, this inorganic media attention is used to expose her fans to toxic videos such as 'Taste'. Here's a look at the messages pushed by Sabrina Carpenter, the elite's current 'it' girl."

(Excerpts:) "Like many other industry pawns, Sabrina Carpenter was 'raised' in Disney's system. Then, an inorganic force pushed her toward stardom. But that came at a price: She had to take part in toxic, violent videos where **death and mind control are celebrated**. Because, in mass media, when a celebrity has the attention of impressionable minds, they have to be used to push agendas. It's either that, or the spotlight goes to someone else. In 'Taste', Carpenter plays the role of a psychopath alongside Jenna Ortega, another child star raised by the industry. In this gratuitously gory video, both engage in 'hilarious' situations that subtly refer to the trauma and dissociation of MK slaves. Then, they kill a man, and they live happily ever after. In short, 'Taste' is a taste of what the elite wants us to become: Angry, sadistic, emotionless, mind-controlled, man-haters. And if we could all suddenly turn gay, that would be great, too.":

> ⚠️ **"FAN WORSHIP & False Idols"** - 18.08 min vid - *In spite of war in every corner of the world, and a delirious appetite for genocide by Is-A-Hell, the delites continue to whip up people into fan worship! The word "fan" comes from the word "fanatic", and that word comes from the Latin word "fanum" which means "the sight of an ancient temple, of a sacred place". It's a type of religious worship that arouses people to take part in a pagan-centred religious worship, enticing the public of today to engage in idol worship whilst women, children and the innocents cry out as their blood soaks the globe! Listen to this video in total so as not to miss the excellent song at its end, which asks, "Are you following man-made scripts, as opposed to following Scripture?"*:

(Excerpts:) "Thousands of Japanese doctors and university professors have risen up in protest against the government's rollout [in October 2024] of Bill Gates's deadly new 'vaccine' for Covid...developed by Arcturus Therapeutics...the Replicon vaccine is a 'self-amplifying mRNA' vaccine that has not been tested on humans before...the vaccine's self-replicating function...may lead to the production of large amounts of spike protein [which disrupts the immune system] in recipients without a brake mechanism.":

• **"Japan's plan to destroy the world - If you thought nuclear weapons were bad, imagine one that lasts 1000 years."**

(Excerpts:) "Over the past months the Japanese truth community has been sounding the alarm over a new type of vaccine that will be first released en masse upon humans in Japan this fall, perhaps as early as October. The new type of vaccine is known commonly in Japan as a Replicon...a 'self amplifying' RNA 'vaccine', that makes copies of itself, allegedly before producing the proteins that the patient is supposed to make antibodies to. This is different from the current spike protein mRNA 'vaccines' from Pfizer and Moderna which have become notorious for their side effects...The current COVID-19 mRNA injections don't officially have the ability to self replicate (unless they get integrated into a person's DNA). If the Pfizer or Moderna mRNA is reverse transcribed and alters a cell's DNA, only then does it attain the ability to replicate through cell division. (Every time a gene altered cell divides, it makes a copy of the Pfizer or Moderna gene(s).) The new 'self amplifying' replicon vaccines are different in that they have the innate ability to make copies of themselves without altering a cell's

DNA, even though reverse transcription and DNA alteration can happen as well...The choice of Alphaviruses as the foundation template of Replicon vaccines made it not only possible, but likely that the new manmade genes in Replicon vaccines, if ever introduced into people, would also spread to not just other humans, but also other species.":
