> 😞 *Some quotes:*

- "What makes it possible for a totalitarian or any other dictatorship to rule is that people are not informed. How can you have an opinion if you are not informed? If everybody always lies to you, the consequence is not that you believe the lies, but rather that nobody believes anything any longer. And a people that no longer can believe anything cannot make up its mind. It is deprived not only of its capacity to act but also of its capacity to think and to judge. And with such a people you can then do what you please." - Hannah Arendt - *"Let God be true, but every man a liar. For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness; because that which may be known of God is manifest in them; for God hath*

shewed it unto them. For the invisible things of Him from the creation of the world are clearly seen, being understood by the things that are made, even His eternal power and Godhead; so that they are without excuse." (Rom.3:4; 1:18-20)

• "I've always considered the topic of Satanism to be terrifying and I've avoided it like the plague. However, it's become obvious that we avoid this topic at our peril, because we have a major Satanism problem on our planet." - Asheville, North Carolina resident - *"Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. Lest Satan should get an advantage of us: for we are not ignorant [By knowing God's Word!] of his devices." (Eph.6:11; 2Cor.2:11)*

• "God will save us from the Luciferian aristocrats who presently rule the world. But first, the people must see them for what they are...Their decadence, falsehood, corruption and evil intentions will all be revealed. When these Luciferian aristocrats have been seen for what they are, they will be removed from power." - Kerth Barker - *But not without a struggle! The Devil knows he's going to eventually lose it all, so he plans to take down as many as possible, and hinder the Word from being heard and effective! "But evil men and seducers shall wax worse and worse, deceiving, and being deceived." (2Tim.3:13)*

• *With the support of the U.S. and Britain, Israel has been using depleted uranium in Beirut. Similar to those used in Iraq, these munitions leave a fine residue of almost indiscernible radioactive dust that will leave a legacy of birth defects and cancers for generations to come. "There shall be chaos also in many places, and fire shall often break out, and the wild beasts shall roam beyond their haunts, and menstruous women shall bring forth monsters." (2Esdras 5:8) "He [the Devil] seduced Eve; and discovered to the children of men the instruments of death, the coat of mail, the shield, and the sword for slaughter; every instrument of death to the children of men." (1Enoch 68:7)*

"Israel drops 'depleted uranium bombs' inside Beirut: Official - Radioactive dust emitted by depleted uranium munitions has been linked to rises in cancer and congenital defects in babies following the US bombing of Iraq"

(Excerpts:) "On October 6, the head of the president of the Lebanese Association of Social Medicine said Israel has been bombing the southern suburbs of Beirut using banned bombs with uranium warheads and called for collecting samples from the bombed sites to send to the UN as part of an international investigation...Warheads made with depleted uranium casings are designed to penetrate deep fortifications, causing significant destruction and releasing toxic gases. They are also radioactive and have been linked to massive increases in cancer rates...Depleted uranium munitions pose a risk to civilians years after a site is bombed because they release radioactive particles upon impact and contaminate the soil and surrounding environment. It is well known that the US Air Force used depleted uranium warheads during both its wars in Iraq...Depleted uranium is one of the most widely discussed contaminants in relation to birth defects, such as hydrocephaly, cleft palates, tumors, elongated heads, overgrown limbs, short limbs, and malformed ears, noses, and spines.":

(Excerpts:) "...the reality is, the collapse of the Zionist State is inevitable—and perhaps imminent. The question is not 'If?' but 'When?' People, wake up! Zionist Israel is NOT Biblical Israel. The land of Palestine does NOT belong to Netanyahu and his thuggish, murderous Zionists. There is NO everlasting kingdom for national Israel. There is NO promise of perpetuity for the Zionist state. There is NO promise of blessing for those who bless Zionist Israel. And there is NO pre-Second Coming rapture. It is all a lie! A fraud! A devilish deception! For one thousand years before 1948 (when Zionist Israel became a state), Christians, Muslims and Jews lived in peace side by side in the land of Palestine. After the Zionist state collapses, the Palestinian state that takes its place will prayerfully be a peaceful home for Christians, Muslims and Jews once again. But what will happen to evangelicals after the collapse of Zionist Israel? Their entire faith system, which is totally dependent upon Israel-based prophecy doctrines, will be shattered. Perhaps, in the sovereignty of Almighty God, the scales of blindness will then fall off the bewitched (Galatians 3:1) believers who are deceived by the false doctrines of Christian Zionism, and they will be able to see the glorious New Covenant of Jesus Christ once more.":

> 🔥 No longer hiding in the shadows, Hell Holdings is on full display, as God's Word foretold! *"This know also, that in the last days perilous times shall come. For men [and women] shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, traitors, heady, highminded, lovers of pleasures more than lovers of God. But evil men and seducers shall wax worse and worse, deceiving, and being deceived. Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; speaking lies in hypocrisy; having their conscience seared with a hot iron. Therefore, God gave them over in the lusts of their own hearts to sexual impurity, so that their bodies would be dishonored among them, abandoning them to the degrading power of sin, because by choice they exchanged the truth of God for a lie, and worshiped and served the creature rather than the Creator, who is blessed forever! For this reason, God gave them over to degrading and vile passions; for their women exchanged the natural function for that which is unnatural, a function contrary to nature, and in the same way also the men turned away from the natural function of the woman and were consumed with their desire toward one another, men with men committing shameful acts and in return receiving in their own bodies the inevitable and appropriate penalty for their wrongdoing. And since they did not see fit to acknowledge God or consider Him worth knowing as their Creator, God gave them over to a depraved mind, to do things which are improper and repulsive, until they were filled, permeated and saturated with every kind of unrighteousness, wickedness, greed, evil; full of envy, murder, strife, deceit, malice and mean-spiritedness." ~ Mental resilience helps people cope with life's challenges. Researchers are studying resilient individuals to understand the mechanisms behind their ability to stay mentally healthy despite stress.

~ The stress hormone cortisol negatively impacts cognitive function, muscle mass and overall health when chronically elevated. Managing stress and cortisol levels is crucial for maintaining good health and mental resilience.

~ Optimism is a key factor in resilience. Studies show that cultivating a positive outlook leads to better stress management, improved health outcomes and longer lifespan.

~ Developing resilience is a gradual process. Strategies to build resilience include increasing healthy carbohydrate intake, practicing positive thinking, regular walking and improving sleep quality.

~ Physical activity, particularly walking, is highlighted as an effective anti-aging strategy. It benefits both physical and mental health, including improved mitochondrial function, which contribute to mental resilience. - *Dive into this article for more on resilience training!:*

Killing regulation works if you don't actually care whether your product works or is safe. The original COVID vaccines seem to have been the test of whether you could make unsafe and ineffective vaccines and **convince the public to take them.** But it took over 300 days to roll out the first Pfizer vaccines. By design. Note that the method of doing this is by injecting something directly into the blood.
