> ✚ **1 John 3 COMMENTARY (Matthew Henry)**

"3:3-10 The sons of God know that their Lord is of purer eyes than to allow any thing unholy and impure to dwell with Him. It is the hope of hypocrites, not of the sons of God, that makes allowance for gratifying impure desires and lusts. May we be followers of Him as His dear children, thus show our sense of His unspeakable mercy, and express that obedient, grateful, humble mind which becomes us. Sin is the rejecting the Divine law. In Him, that is, in Christ, was no sin. All the sinless weaknesses that were consequences of the fall, He took; that

is, all those infirmities of mind or body which subject man to suffering, and expose him to temptation. But our moral infirmities, our proneness to sin, He had not. He that abides in Christ, continues not in the practice of sin. Renouncing sin is the great proof of spiritual union with, continuance in, and saving knowledge of the Lord Christ. Beware of self-deceit. He that doeth righteousness is righteous, and to be a follower of Christ, shows an interest by faith in His obedience and sufferings. But a man cannot act like the devil, and at the same time be a disciple of Christ Jesus. Let us not serve or indulge what the Son of God came to destroy. To be born of God is to be inwardly renewed by the power of the Spirit of God. Renewing grace is an abiding principle. Religion is not an art, a matter of dexterity and skill, but a new nature. And the regenerate person cannot sin as he did before he was born of God, and as others do who are not born again. There is that light in his mind, which shows him the evil and malignity of sin. There is that bias upon his heart, which disposes him to loathe and hate sin. There is the spiritual principle that opposes sinful acts. And there is repentance for sin, if committed. It goes against him to sin with forethought. The children of God and the children of the devil have their distinct characters. The seed of the serpent are known by neglect of religion, and by their hating real Christians. He only is righteous before God, as a justified believer, who is taught and disposed to righteousness by the Holy Spirit. In this the children of God are manifest, and the children of the devil. May all professors of the gospel lay these truths to heart, and try themselves by them.":

> 🙄 **"When The Ark Of The Covenant Is Publicly Revealed, Will It Be Put Into One Of The Tabernacle Replicas That Has Already Been Built?"**

(Excerpts:) "Did you know that two life-sized replicas of the Tabernacle have already been constructed in Israel? One is in the Timna Valley near Israel's southernmost city of Eilat, and the other one is located at the Eshel-Hashomron Hotel near the city of Ariel in Samaria. Both of these structures already contain replicas of the Ark of the Covenant...those that created both of these life-sized models of the Tabernacle insist that they are only to be used for educational purposes. But could that change at some point in the future? After all, once the Ark of the Covenant is revealed to the world, it will need a home...We live at such an exciting time. Major archaeological discoveries are constantly being made, but since they aren't getting that much attention a lot of people don't know about them. For example, a secret tomb that contains 'at least 12 human skeletons' was just discovered under the ancient city of Petra...That was a mind-blowing discovery, but hardly anyone has heard about it. And more mind-blowing discoveries are coming. I believe that the Ark of the Covenant will be publicly revealed in our generation. When it happens, it will be the greatest

archaeological bombshell of all time. So let's watch for any mention of the Ark in the news, because they won't be able to keep a lid on where it is currently located for too much longer.":

God bless and keep us keeping our eyes on Jesus, as the quick-sand world sinks further into and is enveloped by the "Great Confusion" spoken of in that famous Christian prophecy of the late '60s! The delites' use of "celebrities" and celebrity culture to control the masses is now blowing up in their faces, as on one hand they're losing the ability to shape the narrative, whilst with the other they inject copious amounts of fear into the clueless. Canadian "opposition leader" Pierre Poilievre has come out publicly, saying that an Israeli strike on Iran's nuclear facilities would be a "gift to humanity", whilst at the same time Hong Kong has slashed its import duty on premium liquor from 100% to 10% in an attempt to boost the economy (sounds like a boost in forthcoming alcohol-related incidences and illnesses)! Be it with weapons or whiskey or whatever he can get his hands on, the Enemy, who knows his destined demise, is doing his damndest to take down with him as many as he can! God help us to keep proclaiming the One and Only True and Everlasting Gift to Humanity! Jesus Christ! And to tell them that "whosoever drinketh of the water that [He] shall give [them] shall never thirst; but the water that [He] shall give [them] shall be in [them] a well of water springing up into everlasting life." (Excerpts:) "Muslim militants slaughtered 16,769 Christians [in Nigeria] in just the four years between 2019 and 2023. That comes out to 4,192 Christians killed on average per year—or one Christian murdered for his/her faith every two hours...When Muslim terrorists slaughtered nearly 200 Christians last Christmas, the Associated Press failed to mention the identities of the assailants and their victims. Rather, it presented the atrocity, as so many now do, as a regrettable byproduct of climate change...In another AP report...that left 50 Christian worshippers dead...readers were told, 'It was not immediately clear who was behind the attack on the church.'...To maintain this ambiguity, the AP failed to mention that Islamic terrorists have stormed hundreds of churches and slaughtered thousands of Christians 'for sport' [*and funding from delites funding this Christian genocide?*] over the years in Nigeria...For the mainstream media and politicians, Christian lives taken by Muslims [*and Zios, as evidenced by their recent obliteration of Christians in Lebanon*] apparently do not matter." - *Which underscores who the delites are ultimately after and feel threatened by!*:

Article at a glance: "One of the biggest misconceptions is that cholesterol causes heart disease and that statins, which lower cholesterol, prevent it. Not only is this untrue, but the highly profitable statins are also among the most harmful pharmaceuticals available (and share many eerie parallels to the COVID vaccines). Despite growing evidence that lowering cholesterol does not reduce heart disease, the medical industry continues to push statins. Studies have shown that the benefits of statins are minimal, with data manipulated to exaggerate their effectiveness. Statins are aggressively promoted, not because of their efficacy, but due to financial interests in the pharmaceutical industry. Guidelines on cholesterol and statins are often created by experts who have conflicts of interest. Many doctors and patients are penalized for not adhering to these guidelines. Statins cause significant harm, with side effects like muscle pain, cognitive issues, and even life-threatening conditions such as diabetes and liver dysfunction. Despite widespread patient reports of these injuries, the medical community often dismisses them, attributing them to a 'nocebo effect' or imagining the problem." - *In other words, "The problem is in your head, not the weapon we're using on and in you." Pressure groups, manipulators and conspirators want euthanasia to be legal everywhere in the world...Euthanasia a posh word for state sponsored murder. In countries where euthanasia has been introduced, it is not just the sick and the terminally ill who are being killed.**" - *Do they want to try to get this legalised in Britain before Christmas, as a slap in the Saviour's face? I would be surprised, as the delites' culpability becomes more bold-face blatant by the day!* (Excerpts:) "People are being legally killed because they are depressed, frail, poor or unemployed [*or, delites-tagged unwanted humans who are annoyingly in the way, ie war, military, pharmakeia and medicull genocides*]. And despite the claims being made, euthanasia is not painless, it is not peaceful and it is not dignified. The bottom line is that euthanasia is being introduced to save money and to kill people who need health care and support. In order to help promote euthanasia, palliative services are deliberately being drastically reduced with the result that patients in pain will be eager to allow themselves to be killed. Health care for those who are sick are also being drastically reduced...It's all about the money...If the State wants a cull of the disabled, the incompetent, the frail, the elderly and the mentally ill, then the State will have no difficulty in finding the people prepared to provide the cull...The euthanasia scam is being sold as an exercise in kindness...I suspect it will soon be illegal to criticise euthanasia...And

remember: if euthanasia is made legal then the law will never be repealed." -

>  *Flashback! This speech was given in 2022 by Archbishop Carlo Maria Viganò, who has since then been excommunicated by the pope!—Under threat of the Vatican's globalist masters? Because Carlo will have not part in being duped and deceived? If you didn't catch this speech 2 years ago, please do now! He said, "it would be foolish to believe that the anti-Christian ideology that drove the secret sects and Masonic groups of the eighteenth century had nothing to do with the anti-Christian ideology that today drives people like Klaus Schwab, George Soros, and Bill Gates. The **driving principles are the same**: rebellion against God, hatred for the Church and humanity, and destructive fury aimed against Creation and especially against man because he is created in the image and likeness of God...Our battle is not against creatures made of flesh and blood, but against the Principalities and Powers, against the rulers of this world of darkness, against the spirits of evil that dwell in the heavenly places (Eph.6:12)...in this era the city of the devil is clearly identifiable in neo-Malthusian globalism, the New World Order, the United Nations, the World Economic Forum, the European Union, the World Bank, the International Monetary Fund, and in all those so called 'philanthropical foundations' that follow an ideology of death, disease, destruction, and tyranny. And also in those forces that have infiltrated the institutions, which we call the deep state and the deep church...The operations of social engineering and mass manipulation have demonstrated beyond any doubt that this crime was premeditated, and how it is consistent with a 'spiritual' vision of the conflict that is now unfolding: it is necessary to take sides and fight, without giving in. The Truth – which is an attribute of God – cannot be cancelled by error, and Life cannot be defeated by death: Remember that the Lord, Who has said of Himself, 'I am the Way, the Truth, and the Life,' has already defeated Satan, and what remains of the battle serves only to give us the opportunity to make the right choice, to choose to do those actions which place us under the banner of Christ, on the side of Good...the City of God is the model of those who live in God's love,*

self-control, and contempt for the world; the city of the devil is the model of those who live in self-love, conforming to the world and despising God." - *Amen! The preparation for the Great Harvest is on course! Keep calling out, "Choose ye this day!" and keep bringing in the sheaves!*
