> 🙋 *Here we go again! Another example of pretend Christianity! Just like that Baptist hospital I posted about yesterday (KU159/22 Oct), here's a pretend Methodist private school banning the wearing of crosses, ie a cross necklace! Well, of course it's an offense to those who are Christ deniers! My response to those who ordered this dictum is that they should stop using the word "Methodist" in reference to that school, because they're pretenders!*

(Excerpts:) "While this engineered epidemic seems invisible to the vaccinated, it is not invisible to those of us who have been sounding the alarm for years now...I've witnessed a disturbing trend: friends, neighbors, and acquaintances falling ill and dying with alarming frequency. It's not just the common cold or flu – we're talking about serious, life-altering conditions. Turbo cancers, heart attacks, autoimmune, neurological, and strokes often targeting those who, until recently, appeared to be in the prime of their lives. Of course, 'died suddenly' is heavily sprinkled throughout our local obituaries. It's not just me seeing this; it's being documented around the world...We will not be able to reach everyone, but we are certainly planting seeds. Truth is the antidote for those who dare to hear us. Don't stop...keep walking on the path of truth like lives depend upon it—because they do...You are here for a reason. >  *Don't miss any of the articles in this expose of a lie which launched the pre-tribulation false, anti-Bible doctrine! Beginning in 1826 and through 1829, a few preachers in Scotland emphasized that the world's problems could only be addressed through an outbreak of supernatural gifts from the Holy Spirit. So a woman named Margaret MacDonald, around 1830, said she had a "vision" that the "church" would come out of the world BEFORE the Great Tribulation. She wrote this "vision" down in a letter and a British theologian in the United Kingdom named John Darby ran with it! He came to the United States in 1830 and brought with him the teaching of the rapture vision, which spread like wildfire. Let's go back to KU125/29 Feb, where I posted the following:*

"...the chicanery of the Scofield Bible. John Nelson Darby (1800-1882) is credited with [spreading and evangelising Margaret MacDonald's] 'secret rapture' theory, wherein Christ will suddenly remove the Church from this world before the judgments of the great tribulation begin, spoken of in the book of Revelation. Darby greatly influenced Cyrus Ingerson Scofield (1843-1921) who also incorporated this false doctrine into the notes of his Scofield Reference Bible. In 1901, four years after the Zionist Congress in 1897, the powerful Zionist Samuel Untermyer funded Scofield to write his reference 'bible'. Untermyer also approved Scofield's membership into an exclusive club for the financial and literary elite called 'The Lotus Club'. Its members were atheists, communists, eugenicists and people that normally a 'Christian theologian and pastor' would never have anything to do with. The Scofield Reference Bible was first published by the Zionist-affiliated Oxford University Press Oxford University Press in 1909, only a few years before World War I, a war that destroyed a cultural optimism that had

viewed the world as entering a new era of peace and prosperity. One million copies were printed by 1930, firmly establishing his theory into different denominations and Bible schools of the United States in the 20th century. 'What Darby planted, Scofield watered', said researcher James Perloff. Thus by plagiarising Darby in his footnotes of his reference 'bible', Scofield included a Zionist commentary on the very pages of the King James Version of the Bible!' In the footnotes of this Bible, Scofield referenced what the rapture was and his Bible grew in popularity. Why? It was 'rapture theology' that the people liked, the footnotes Mr. Scofield wrote, not the actual Word of God itself. From famous evangelists, such as Billy Sunday in the 1920s to the barrage of pre-tribulationists up until now, this doctrinal deception has infiltrated and decimated untold millions of Christians worldwide. Christ Himself said there would be false prophets on the earth and would deceive many, and blimey, a lot of those false prophets are card-carrying Christians!

• "How Long Can Christians Continue To Turn A Blind Eye To Israel's Atrocities"

*(Excerpts:) "...the acceptance of the devilishly inspired Zionist State of Israel by evangelicals—and the Israeli-owned politicians they elect—is the result of Scofield's heretical prophecy doctrines that are now considered to be sacrosanct in most evangelical churches, schools, colleges, seminaries, publishing houses, etc. And the result of this acceptance by evangelicals has created the genocidal monster that is now slaughtering hundreds of thousands of innocents and is about to take America—and the world—into global nuclear war. THIS is the legacy of Cyrus Ingerson Scofield. Except for those who are supernaturally bewitched (Galatians 3:1), most everyone is now able to see and understand that Scofield's Israel-based Rapture doctrine was NOT inspired by God. Instead, the Evil One has used this false teaching to capture both America's churches and the American Congress. As Jesus said, 'By their fruits ye shall know them.' (Matthew 7:20) The fruits of Scofield Rapturism, Christian Zionism and Israel itself are death, destruction, perpetual military conflict, civil unrest, mass murder, regional instability and, now, a very real potential for global nuclear war. How long can Christians continue to turn a blind eye to Israel's atrocities? How long will Christians be blinded by the fallacious prophecy doctrines of Scofield? How long will the voting public continue to elect and re-elect warmongering politicians who are owned by the Israeli lobby?" - *At the link below, you can download for free a computerized mp3 audio file of this article, in case you want to listen to it, as well as read it. (Excerpts:) "Since it was first published in 1909, the Scofield Reference Bible has made uncompromising Zionists out of tens of millions of Americans (and God knows how many worldwide!)...Although the Scofield Reference Bible contains the text of the King James Authorized Version, it is not the traditional Protestant bible but Cyrus I. Scofield's annotated commentary that is problematic. More than any other factor, it is Scofield's notes that have induced generations of American evangelicals to believe [*in the heresy*] that God demands their uncritical support for the modern State of Israel.":

• "**Charles Spurgeon on the true Israel of God!**"

(Excerpts:) "Charles Spurgeon wrote on the 'Israel of God'. Spurgeon was very critical of Darby and the Dispensationalist's view that there were two peoples of God. C.I. Scofield incorporated Darby's view into his Biblical concordance, which became the reference Bible for nearly all seminary schools in America in the beginning of the 20th century. Scofield's theology, therefore, became one of the most influential in the USA and later through Protestantism in the world as foreign Protestants followed American theology. However, let us read what Spurgeon wrote...'Israel in the covenant of grace is not natural Israel (not the nation of Israel), but all believers in all ages.'" - *Read the rest to find out what else Spurgeon said!*

(Excerpts:) "I asked, 'When do you think the war will be over?' The reply, 'When they cannot make any more money.' The implication was that as long as the US continued to send millions and billions over there is no reason to stop. Basically, the money sent NEVER gets to the troops. I suspect, as I've noted previously, that most make a circuitous, untraceable journey back to DC pockets...The military-industrial complex owns this evil. They are excited. The battlefield is a live test zone for weapon development. Real human beings are the test subjects. The 'old' weapons are being donated to Ukraine ONLY because they will be replaced with more sophisticated options to kill (and amazing is the admission from the donor nation that these are the old weapons). I have witnessed that the 'old' battlefield strategies have evolved into an incredible Sci-fi theatre. It is truly like playing a video game, except human lives are lost...And the money-making even profits Churches...And the BIG money-maker times will come after the war when 'rebuilding' contracts are let. Just wait and see the contractors who are awarded these projects and the inflated costs...Millions are being sacrificed 'until' no more money can be made.":

> 🤔 **"A Good Reminder – Media Tricks to Mind Control Us - 5 Main Points" - Stay healthy—emotionally, spiritually, physically, psychologically! Because as this article brings out, "poisoned people do what they're told more than healthy people".**

(Excerpts:) "Repetitive content is picked up unconsciously by your nervous system, which sets up an invisible attraction or familiarity with that content, when you see that repetitive content again in the future....By fixing your gaze on a TV, movie screen or a single point of attention (like a politician giving a speech), you actually go into hypnosis or trance (alpha brainwave state) where you're much more suggestable and easier to put under mind control...Media and government will also hack the minds of the public by providing celebrity role models during

the 'fear portion' of a psychological operation. This is done in order to trick the public to follow the lead of the celebrities, in order to re-establish their lost safety...The next stage is showing the public "what to do". It's also very effective. Humans are hardwired to copy, mimic, emulate and mirror the actions of others, especially when they're scared, when they're unsure of themselves and when they get rewarded for doing so....Compliance when under pressure, fear or terror is completely natural in the human nervous system.":

> ✨🕊️ "And therefore did the Jews persecute Jesus, and sought to slay Him, because He had done these things on the sabbath day. Then the band and the captain and officers of the Jews took Jesus, and bound Him. Therefore, when the morning was come, all the chief priests and elders of the people took counsel against Jesus to put Him to death. And it was the preparation of the passover, and about the sixth hour: and [Pilate] saith unto the Jews, 'Behold your King!' But THEY cried out, 'Away with Him, away with Him, crucify Him.' Pilate saith unto them, 'Shall I crucify your King?' The chief priests answered, 'We have no king but Caesar.' Then delivered [Pilate Jesus] therefore unto THEM to be crucified. And THEY took Jesus, and led Him away. And He bearing His cross went forth into a place called the place of a skull, which is called in the Hebrew Golgotha: Where THEY crucified Him." • **Darling, dear, adorable donkeys!** [From KU120/18 Jan - Before viewing, take note that donkeys: are highly dependable, keep calm and carry on, allowing them to travel with minimal supervision between places they know well; show limited fear response to novel situations; have excellent memory, and great ability to learn; sociable and calm, are capable of independent thinking and decision making; have a strong sense of survival and won't do something they consider unsafe (ie stubborn for good reason), which makes them a great, trusted companion. "...then sent Jesus two disciples, saying unto them, 'Go into the village over against you, and straightway ye shall find an ass tied, and a colt with her: loose them, and bring them unto Me.' All this was done, that it might be fulfilled which was spoken by the prophet (Zech.9:9), saying, 'Tell ye the daughter of Sion, Behold, thy King cometh unto thee, meek, and sitting upon an ass, and a colt the foal of an ass.'" > ⚠️ *So, what about the October BRICS 2024 Summit in Kazan, Russia? For any of you BRICS-watchers out there, let's have a look!*

• **"BRICS proclaim loyalty to globalism. - And while we are at it, a lesson in the lingua franca of globalism"**

(Excerpts:) "It is critical to learn the globalist patois (vernacular) if you want to grasp what they are actually saying. Multilateralism means global governance. Global governance means global government...Just (as in justice) means 'just for us globalists'. Sustainable development means we give you just enough to sustain you while you work for us. Agile means we are ditching all the old rules. Public-private partnership means most of the costs are borne by the taxpayer and most of the profits are skimmed by private interests. Carbon markets means 'money for nothing and chicks for free'. It seems the BRICS copied the UN's Pact for the Future and the UN Charter to give obeisance to all the current globalist narratives...why we can't expect the BRICS to save us.":

• *Imo, this article gives a very clear analysis and understanding of the recent multipolarism same-same-different summit in Kazan, Russian, BRIC by BRIC!*

"Multipolarism appears to be nothing more than the consolidation of globalism" - *This article is also available at the link below as an 18.22 min audio.*

(Excerpts:) "Why doesn't Vladimir Putin fire all the Globalists in the Russian government?...Because Putin is a dedicated Globalist himself...'The process to "multipolarise" the world is actually the process by which the world is globalised even further, and local elites deputised to carry out the globalisation agenda in their own regions.' Ultimately, it is a 'convergence' of the East's oligarchs and the West's oligarchs so they become a single [NWO] global oligarchy...the concept of Convergence...there is no discernible difference between BRICS multipolar policies and globalism policies...the process by which the elite of East and West were supposed to converge into one Globalist elite." - *All in preparation for what's on the horizon!?:*

• **"The Atlantic Council Has Big Plans For A War Between The US And Iran"**

- Includes 1.43 min vid.

(Excerpts:) "Globalists as an organized entity have a habit of shifting their efforts between various false-front institutions in order to avoid significant scrutiny. For example, in 2020 they ramped up the fear machine on the covid pandemic and the World Economic Forum took a lead role in that effort. Klaus Schwab was all over the media using covid as an excuse to promote every authoritarian measure imaginable. When that agenda failed (lockdowns blocked, mask mandates ignored, vaccine passports defeated and the CDC caught inflating vaccination numbers), the WEF and Klaus Schwab conveniently disappeared from the media radar...there is one globalist group that has consistently been in the background during most of these operations – The Atlantic Council. Whenever there's a propaganda push in play to misdirect the western public, whenever there's a policy initiative to take away your freedoms, whenever there's a regional war that might explode into a world war, I always end up finding the fingerprints of the Atlantic Council...I believe the Atlantic Council is a root instigator behind every globalist scheme to trigger a larger war between the East and the West.":
