

HARVEST TIME!

HARVEST TIME -- Script by Renee, production and edition by Gaetan

We know from the Bible that, in the days to come and as we come nearer to the End Time, it will become more difficult for Christians to witness openly. (2Tim 3:1)

“In the Last days perilous times shall come.”

Right now, there is a great Harvest time of witnessing and winning others to Christ before those “*perilous*” times get worse.

So how can we witness wisely now so we can win as many as we can to Him and also continue to “work the works of him that sent me, while it is day: the night cometh, when no man can work?” (John 9:4)

Jesus said: Behold, I send you forth as sheep in the midst of wolves. Be ye therefore wise as serpents and harmless as doves. (Mt 10:16).

We want to do as Jesus commanded and go into all the World and preach the Gospel to every Creature but in many places preaching the Christian Gospel in big crowds may get us into trouble or we may even be banned by Governments.

However, we can still be effective witnesses for Jesus by sometimes staying out of sight, learning how to witness on a one-to-one basis using small groups and house churches to share the message.

These are the methods used in many hard-to-reach fields today; they have learned to adapt without having big churches. You personally can do a lot to win others to Jesus by talking to your friends and neighbors or those you daily study or work with.

Go out to meet new people on the street or in shops and in public transport. Share a gospel tract and pray with them.

Singing witnessing songs is a great way also to open people's heart for your witness.

Collect their phone numbers and stay in touch with them.

Invite those interested to have a Bible study with you at your home or in a park or cafe.

Now with so many new options of modern Technology, we can spread the Gospel message faster and more effectively than ever before. We can expand our online usage to better reach the world! Everybody has a cellphone; we can keep in contact through social media such as WhatsApp or others.

Some ideas are:

Start a new chat with your new converts and share the Bible with them.

You can invite people from different areas for a Zoom meeting. It can be your Bible study or Church online.

Have group calls to pray with one another.

Start a blog or channel to post articles, videos and testimonies about your Faith.

At this moment we have great opportunities and many who labored before us would have loved to work in our day when the world is at our fingertips making reaching others easier than ever before. So, let's use this opportunity for the glory of God!

2 Timothy 2:2 **says:** "And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also."

And Matthew 28:19-20 commands us to: Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age.” Amen.

Jesus told us the Harvest is plenteous but the laborers are few (Mt 9: 37-38)

Will you answer the call and help bring in the Harvest?
